## Independent Auditors' Report

**To the Administrator  
Hospital Employee Benefit Association Trust Group 24-Hour  
Business Activity Accident Group Insurance Arrangement  
Indianapolis, Indiana**

### ***Opinion***

We have audited the financial statements of the Hospital Employee Benefit Association Trust Group 24-Hour Business Activity Accident Group Insurance Arrangement (the "Group Insurance Arrangement"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits - modified cash basis as of August 31, 2024 and 2023, the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Group Insurance Arrangement as of August 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with the modified cash basis of accounting.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Group Insurance Arrangement and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Group Insurance Arrangement's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Group Insurance Arrangement and determining that the Group Insurance Arrangement's transactions that are presented and disclosed in the financial statements are in conformity with the Group Insurance Arrangement's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group Insurance Arrangement's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Arrangement's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter - Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

BUSINESS ACTIVITY ACCIDENT GROUP INSURANCE ARRANGEMENT  
NOTES TO FINANCIAL STATEMENTS  
August 31, 2024**

**NOTE 1 - GROUP INSURANCE ARRANGEMENT DESCRIPTION**

The following is a description of the Hospital Employee Benefit Association Trust Group 24-Hour Business Activity Accident Group Insurance Arrangement (the "Group Insurance Arrangement"). Participants should refer to the plan document of their individual employers for a more complete description of the arrangement's provisions.

**General**

The Group Insurance Arrangement is established for the benefit of multiple employers and their employees. The Group Insurance Arrangement is defined as a group insurance arrangement for the purpose of filing a consolidated Form 5500 on behalf of all participating employer plans. The purpose of the Group Insurance Arrangement is to provide group insurance benefits to the employees of the participating employers.

**Trust Arrangement**

A trust was established as a conduit to receive premium contributions from participating employers and subsequently to remit these premiums to the insurance carrier. The Trustee or its duly authorized representative, upon written direction of the Administrator, reserves the right to terminate the group insurance arrangement, subject to the provisions set forth in the Trust document.

**Benefits**

Benefits are fully insured by the insurance carrier and are therefore not included in these financial statements.

**Management Evaluation of Subsequent Events**

The Company has evaluated subsequent events through May 7, 2025, the date on which the financial statements were available to be issued.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

**Cash and Cash Equivalents**

The Group Insurance Arrangement considers all highly liquid instruments that are purchased within three months or less of an instrument's original maturity date to be cash equivalents.

**Basis of Accounting**

The Group Insurance Arrangement's policy is to prepare its financial statements on a modified cash basis. Therefore, income and expense items are recognized only as cash is received or paid and receivables, payables (except amounts due to the insurance carrier) and accrued expenses are not reflected.

**Estimates**

The preparation of financial statements requires the Group Insurance Arrangement Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE 3 - TAX STATUS**

The Group Insurance Arrangement is established pursuant to Section 501 of the Internal Revenue Code and, accordingly, is exempt from income taxes. The Administrator believes the Group Insurance Arrangement is currently designed and being operated in accordance with applicable sections of the Internal Revenue Code.

The Group Insurance Arrangement's trust pays taxes based upon the taxable income that is reported on the trust's Form 1041 that is filed on an annual basis. There were no trust taxes allocated to the Group Insurance Arrangement.

Authoritative accounting standards require the Group Insurance Arrangement to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

**NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS**

The Group Insurance Arrangement investments are managed by the National Bank of Indianapolis. The National Bank of Indianapolis is the custodian and trustee of the Group Insurance Arrangement and, therefore, these transactions qualify as party-in-interest transactions.
