## INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
Iron Workers Local 392 Vacation Fund  
East St. Louis, Illinois

### Qualified Opinion

We have audited the accompanying financial statements of Iron Workers Local 392 Vacation Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, except for the possible effects of the matters discussed in the Basis for Qualified Opinion section of our report, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Iron Workers Local 392 Vacation Fund as of July 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Qualified Opinion

The Fund did not perform a sufficient number of payroll compliance audits that included the year ended July 31, 2024 and 2023, to provide reasonable assurance that the contributions remitted by contributing employers were complete and accurate. We were unable to perform payroll compliance audits ourselves or sufficient alternative procedures to satisfy ourselves regarding employer contributions.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Iron Workers Local 392 Vacation Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local 392 Vacation Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Iron Workers Local 392 Vacation Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local 392 Vacation Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules 1 and 2, referred to as "supplemental information", are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary

information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IRON WORKERS LOCAL 392 VACATION FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF PLAN

The following description of Iron Workers Local 392 Vacation Fund (the Fund) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

General

The Fund exists to handle the collection and payment of vacation benefits provided for in previously executed collective bargaining agreements. The Fund was created by a trust agreement dated August 1, 2019. The Fund is considered a defined contribution health and welfare plan that provides vacation benefits.

Under the trust agreement, two (2) trustees are named by the Union and two (2) by the employers to oversee operations.

The administrative function of the Vacation Fund is handled by the office of the International Association of Bridge, Structural and Ornamental Iron Workers Local No. 392.

Contributions

Contributions to the Fund are from employee deductions remitted by various employers on their behalf. The amount withheld for July 31, 2024 and 2023 is \$2.00 per regular hours paid, \$3.00 per overtime hours paid and \$4.00 per double time hours paid.

Vesting

Participants are 100% vested in their contributions immediately. Individuals are considered participants when they perform work covered by the collective bargaining agreement and a contributing employer remits contributions to the Fund on their behalf.

Payments of Benefits

Benefits are paid based on contributions on work performed during the twelve-month period August 1 to July 31. Benefits are paid annually each November. Benefit payments to participants are recorded when paid. A participant must have a balance of at least \$20.00 in order to receive benefits.

Forfeitures

If a participant's balance remains under \$20.00 for three (3) consecutive plan years in a row, the participant's balance is forfeited and cannot be reinstated if the participant later has contributions submitted on their behalf. Amounts forfeited will be used to offset administrative and operating expenses.

IRON WORKERS LOCAL 392 VACATION FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF PLAN (CONT'D)

Administration Fee

The Board approved an annual withdrawal fee of up to \$10.00 per participant at the time of the annual payout and based on the total amount due to the participant. The fee is used to offset the administrative expenses of the Fund.

Termination

Although it has not expressed any intention to do so, the sponsor has the right under the Fund to discontinue contributions and to terminate the Fund subject to the provisions set forth in ERISA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Fund are prepared using the accrual method of accounting.

Cash

Cash consists of all demand deposits. The Trustees approved a funding method whereby on a monthly basis, contributions are being held in an interest-bearing money market account.

Participant Contributions Receivable

Participant contributions receivable represent amounts due and received after year-end for work performed in 2024 and 2023. Since all receivables have been realized, no allowance for bad debts is required. The utilization of this method, although not in conformity with generally accepted accounting principles, does not have a material effect on the accompanying financial statements.

Property and Equipment

The Fund has no property or equipment.

Administrative Expenses

The Fund pays the costs related to the administration of the Plan.

IRON WORKERS LOCAL 392 VACATION FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2024 AND 2023

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Payment of Benefits

Benefits are recorded upon distribution.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Management Evaluation

Management has evaluated subsequent events through May 5, 2025, the date on which the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

The Fund's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

IRON WORKERS LOCAL 392 VACATION FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2024 AND 2023

NOTE 3. FAIR VALUE MEASUREMENTS (CONT'D)

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. At July 31, 2024 and 2023, the Fund did not have Level 2 investments.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. At July 31, 2024 and 2023, the Fund did not have Level 3 investments.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2024 and 2023.

Interest-Bearing Cash and Cash Equivalents

Interest-bearing cash and cash equivalents are valued at cost plus accrued interest, which approximates fair value.

	Assets at Fair Value at July 31, 2024		
	Level 1	Level 2	Total
Interest-Bearing Cash	\$ 1,099,107	\$ -	\$ 1,099,107
Total Assets in the Fair Value Hierarchy	\$ 1,099,107	\$ -	\$ 1,099,107

IRON WORKERS LOCAL 392 VACATION FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2024 AND 2023

NOTE 3. FAIR VALUE MEASUREMENTS (CONT'D)

Interest-Bearing Cash and Cash Equivalents (cont'd)

	Assets at Fair Value at July 31, 2023		
	Level 1	Level 2	Total
Interest-Bearing Cash	\$ 955,804	\$ -	\$ 955,804
Total Assets in the Fair Value Hierarchy	\$ 955,804	\$ -	\$ 955,804

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Change in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended July 31, 2024 and 2023, there were no transfers in or out of Levels 1, 2 or 3.

NOTE 4. INCOME TAX STATUS

The trust established under the Fund to hold the Fund's assets is qualified pursuant to Section 501(c)(5) of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Fund has obtained a favorable tax determination letter from the Internal Revenue Service dated March 4, 2020 and the sponsor believes that the Fund continues to qualify and operate as designed.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTE 5. RECONCILIATION TO FORMS 990 AND 5500

NOTE 6. RISKS AND UNCERTAINTIES

The Fund is authorized to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits. For the years ended July 31, 2024 and 2023, the Fund has no investment securities as they only maintain cash balances.

In the event of termination of the Fund, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Fund may be used for purposes other than for the exclusive benefit of the Fund's participants.
