Plan Administrator and Plan Participants
ModivCare Solutions, LLC Retirement Plan
Denver, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ModivCare Solutions, LLC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MODIVCARE SOLUTIONS, LLC RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of ModivCare Solutions, LLC Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of ModivCare Solutions, LLC and adopting employers (collectively the "Employer") age 18 or older who have completed one consecutive month of employment. The Plan was amended and restated effective January 1, 2023 when it adopted the Automatic Data Processing Non-Standardized Defined Contribution Pre-Approved Plan. As part of this amendment and restatement of the Plan, the eligibility age for entering the Plan was reduced from age 21 to age 18, the auto-enrollment provision was removed, the employer safe harbor matching contribution was increased to 100% of the first 6% (previously, first 4%) of eligible compensation contributed to the Plan by each participant for each payroll period, and participants became 100% vested in their employer contribution accounts.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). ModivCare Solutions, LLC, as plan administrator, oversees governance of the Plan. ModivCare Solutions, LLC has delegated its administrative, investment and fiduciary responsibilities to the Modivcare 401(k) Investment and Administration Committee (the "401(k) Investment and Administration Committee").

Contributions - Each year, participants may contribute, on a pre-tax or post-tax basis, up to 90% of their eligible compensation, as defined in the Plan document. Contributions in any taxable year are subject to certain statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollovers").

The Employer, at its discretion, may make employer safe harbor matching contributions, employer matching contributions and/or employer nonelective (i.e. profit sharing) contributions. For 2023, the Employer elected to make employer safe harbor matching contributions equal to 100% of the first 6% of eligible compensation contributed to the Plan by each participant for each payroll period. No employer matching or profit sharing contributions were made for 2023. There is no service requirement for a participant to receive an employer safe harbor matching contribution. The employer safe harbor matching contributions are invested in the participant's directed accounts after each applicable payroll period.

Participant Accounts - Each participant's account is credited with the participant's contributions (including any rollovers), any employer contributions, and allocations of earnings (losses) on the investments in their account, and is charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant account balances or specific participant transactions, as defined. Participants direct the investment of their accounts into the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Participants are also immediately vested in their employer safe harbor matching contributions and any other employer contributions plus actual earnings (losses) thereon.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only one loan may be outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at the rate of prime plus 1% on the date of the loan. Principal and interest is paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - On termination of service, a participant with a vested account balance of over \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested balance in his or her account, or substantially equal installments. Terminated participants with vested account balances of \$5,000 or less are required to take a distribution as promptly as possible following termination of employment. Distributions may be paid directly to the participant or rolled over to an individual retirement account or other qualified defined benefit or contribution plan.

Forfeited Accounts - Forfeited nonvested accounts totaled \$0 and \$174 at December 31, 2023 and 2022, respectively. These forfeitures may be used to pay administrative expenses of the Plan or to reduce future employer contributions. Forfeitures totaling \$11,133 were used in 2023 to pay administrative expenses of the Plan. In addition, stale check forfeitures totaled \$321,109 and \$227,936 at December 31, 2023 and 2022, respectively. These forfeitures represent uncashed benefit distribution checks. The Plan's third-party administrator is actively working to obtain updated addresses for the applicable participants so the checks can be reissued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review of Subsequent Events - Management has evaluated events and transactions occurring subsequent to December 31, 2023 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through April 28, 2025, which is the date these financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance. Interest is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401k Investment and Administration Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements. Investment income (net appreciation) includes dividends, interest, and gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Employer and are therefore excluded from these financial statements. Investment-related expenses are included in investment income (net appreciation).

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Investment information included in the accompanying financial statements and supplemental schedules, including \$62,661,219 and \$45,360,653 in investments and \$2,196,840 and \$1,791,874 of notes receivable from participants held at December 31, 2023 and 2022, respectively, and investment income of \$8,906,370 and interest income on notes receivable from participants of \$103,891 for the year ended December 31, 2023, was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no changes in the methods used to measure fair value at December 31, 2023 and 2022.

The fair values of the Plan's mutual fund investments are based on the quoted net asset values of the shares as reported by the funds (Level 1). There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE 5 - COMMON/COLLECTIVE TRUST FUND

The Plan includes an investment in the Galliard Stable Return Fund C (Fund C), a common/collective trust fund. Fund C is 100% invested in the Wells Fargo Stable Return Fund G (Fund G), a collective trust fund sponsored by Wells Fargo Bank, N.A. Fund G primarily invests in investment contracts issued by financial companies including Guaranteed Investment Contracts (GICs), Separate Account GICs, and Security-Backed Investment Contracts.

Because this investment meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to this investment. The investment is presented on the face of the statement of net assets available for benefits at contract value as reported to the Plan by the trustee. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS / EXEMPT

Administrative expenses incurred in 2023 are for recordkeeping services provided by the Plan's third-party administrator. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - TAX STATUS

The Plan adopted the Automatic Data Processing Non-Standardized Defined Contribution Pre-Approved Plan (Prototype Plan) effective January 1, 2023. The Internal Revenue Service has determined and informed the Prototype Plan by a letter dated October 6, 2020, that the Prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not filed for a new determination letter and has since been amended. The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

MODIVCARE SOLUTIONS, LLC RETIREMENT PLAN
Notes to Financial Statements (Continued)

NOTE 7 - TAX STATUS (Continued)

Prior to January 1, 2023, the Plan operated under a self-designed plan document. The Internal Revenue Service (IRS) determined and informed the Employer by a letter dated July 23, 2014, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). This determination letter expired on January 31, 2018. Although the Plan was amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC and therefore, was qualified and the related trust was tax-exempt as of December 31, 2022.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

NOTE 11 - NONEXEMPT TRANSACTIONS

Participant contributions for 2023 totaling \$1,856,695 were not remitted timely to the Plan in 2023. In addition, participant contributions for 2022 totaling \$5,490 were not remitted timely to the Plan in 2022. These transactions constitute prohibited transactions as defined by ERISA and are expected to be fully corrected in 2025.

NOTE 12 - SUBSEQUENT EVENT

ADP Retirement Trust Services, LLC was appointed the Plan's trustee upon the resignation of Reliance Trust Company on December 31, 2024.
