INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Amports 401(k) Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Amports 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedules, Form 5500 Schedule H Line 4i; Schedule of Assets (Held at End of Year) and Form 5500 Schedule H Line 4a; Schedule of Delinquent Participant Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Amports 401(k) Plan

Notes to Financial Statements

1. Description of Plan:

The following description of the Amports 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan was established August 1, 1997 and is a defined contribution plan covering employees of Amports, Inc., and certain subsidiaries, APS West Coast, Inc., APS East Coast, Inc., and APS North Terminal, Inc. (“APS North Terminal”), (collectively the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

All employees, other than APS North Terminal Union employees, are immediately eligible to participate in the plan. APS North Terminal Union employees are able to enter the plan on the first pay period that begins on or after January 1 or July 1, following the date the employee is credited with one year of service. The Plan excludes leased employees or employees covered by a collective bargaining agreement if that bargaining agreement does not provide for participation in the Plan.

All employees, other than APS North Terminal Union employees, must complete one year of service before being eligible to receive Company matching contributions. APS North Terminal Union employees are eligible to receive Company contributions on the first pay period that begins on or after January 1 or July 1, following the date the employee is credited with one year of service.

Contributions

Participants may make contributions to the Plan on a before tax basis subject to the limits established by the Internal Revenue Service (“IRS”). In addition, employees who have attained the age 50 by the end of the Plan year may make catch-up contributions up to the limits defined by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Matching contributions are made by the Company to each participant’s account based on the following criteria:

Non-Bargaining Employees

For employees of the Company that are not governed by a collective bargaining agreement, the Company makes safe harbor contributions equal to 100% of the first 3% of deferred salary plus 50% of deferrals over 3%. The Company contribution has a maximum of 4% of eligible compensation.

Bargaining Employee

For employees governed by collective bargaining agreements that provide for participation in the Plan, the Company matches 50% of employee contributions up to a maximum contribution of 2.5% of their eligible compensation. In accordance with collective bargaining agreements, certain bargaining employees receive an additional Company contribution based on the actual number of hours the employee works during the year, up to a maximum of 2,080 hours, at rates ranging from \$0.40 per hour worked to \$1.00 per hour worked.

Amports 401(k) Plan

Notes to Financial Statements

1. Description of Plan (Continued):

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, and allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. Any related administrative expenses based on participant earnings or account balances are deducted from the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a money market and mutual funds as investment options for participants.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Non-Bargaining employees are immediately vested 100% in their safe harbor matching employer contribution. Employer contributions for employees subject to collective bargaining agreements are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited Accounts

Forfeited nonvested accounts may be used to pay Plan expenses or reduce employer contributions. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$3,581 and \$3,593, respectively. The Plan used forfeited nonvested accounts totaling \$7,005 to reduce employer contributions during the 2023 Plan year.

Participant Loans Receivable

Participants are permitted to borrow from the Plan using their vested account balance as security for the loan. The minimum loan permitted under the terms of the Plan is \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are required to be repaid within five years, or up to ten years when used to purchase a primary residence, in equal payments made at least quarterly. Loan repayments will be deducted from the participant's payroll over the term of the loan. Loans bear interest at prime plus one percent.

Amports 401(k) Plan
Notes to Financial Statements

1. Description of Plan (Continued):

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum distribution or annual installments equal to the value of the participant's vested interest in his or her account, in accordance with Plan provisions. Participants may make withdrawals from their accounts by reason of financial hardship under guidelines set forth in the Plan.

Administrative Expenses

In accordance with Plan provisions, the Company or the Plan may pay administrative expenses of the Plan. Administrative expenses paid by the Plan for trustee, recordkeeping and investment advisory services are allocated to participants proportionally based on the value of their account balances. Administrative expenses recorded in the Plan pertaining to loan transaction fees are deducted directly from the applicable participant's account.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are included in administrative fees.

2. Summary of Accounting Policies:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value which represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date as described in Note 3.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Realized gains and losses on the sales of securities are reported on the average cost method.

2. **Summary of Accounting Policies (Continued):**

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are treated as a distribution to the participant based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

3. **Fair Value Measurements:**

The Financial Accounting Standards Board, Accounting Standards Codification Topic 820 ("ASC 820"), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Money market: The money market fund invests in a variety of money market instruments with short-term liquidity. The composition of securities is structured to maintain a value of \$1 per share and are classified as Level 1 since it is in active markets.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

3. Fair Value Measurements (Continued):

The following table sets forth, by level within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2023 and 2022:

<i>December 31,</i>	Level	2023	2022
Money market	1	\$ 1,156,814	\$ 1,248,992
Mutual funds	1	22,403,768	18,767,186
		<u>\$ 23,560,582</u>	<u>\$ 20,016,178</u>

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Information Certified by the Plan's Trustee:

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee, has certified that the following investments included in the statement of changes in net assets available for benefits at December 31, 2023 and 2022 and the interest and dividends and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2023, are complete and accurate.

<i>December 31,</i>	2023	2022
Money market	\$ 1,156,814	\$ 1,248,992
Mutual funds	22,403,768	18,767,186
<i>Year ended December 31,</i>	2023	
Interest and dividend income	\$ 778,850	
Net appreciation in fair value of investments	2,645,316	

5. Tax Status:

The Company received an opinion letter from the IRS, dated April 9, 2014, which states the individually designed plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan has been amended since receiving the letter of determination. The Company and Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management evaluated the Plan's tax positions and concluded that as of December 31, 2023, the Plan had taken no uncertain tax positions that require recognition of a liability (or asset) in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2020.

6. Party-In-Interest Transactions:

Gallagher Benefit Services, Inc. (“Gallagher”) provide consulting and investment advisory services to the Plan and are considered to be parties-in-interest to the Plan. The Plan paid \$33,969 to Gallagher during the 2023 Plan year for advisory services which is included in administrative expenses.

ADP, LLC (“ADP”) provides recordkeeping services to the Plan and is considered a party in-interest to the Plan. The Plan paid \$41,114 to ADP during the 2023 Plan year which is included in administrative expenses.

Reliance Trust Company is the trustee and custodian of the Plan, therefore, transactions involving managed investments qualify as party-in-interest transactions.

Included in the Plan assets are notes receivable from participants. At December 31, 2023 and 2022, notes receivable from participants amounted to \$674,115 and \$713,319, respectively. For the year ended December 31, 2023, interest income related to notes receivable from participants amounted to \$31,977. These transactions qualify as party-in-interest transactions permitted under provisions of ERISA.

7. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100 percent vested in their accounts.

8. Reconciliation of Financial Statements to the Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:

<i>December 31,</i>	2023	2022
Net assets available for benefits per the financial statements	\$ 24,269,849	\$ 20,729,497
Deemed distributions of participant loans	-	(14,175)
Net assets available for benefits per Form 5500	<u>\$ 24,269,849</u>	<u>\$ 20,715,322</u>

The following is a reconciliation of the decrease in Plan assets per the financial statements to the Form 5500 for the year ended December 31, 2023:

<i>Year ended December 31,</i>	2023
Net increase in assets per the financial statements	\$ 3,540,352
Change in deemed distributions of participant loans	14,175
Total increase per Form 5500	<u>\$ 3,554,527</u>

9. Non-Exempt Transactions:

The Company determined that during the Plan year 2023, it failed to remit certain employee deferrals to the Plan within the appropriate time period. The late remittances were \$12,482 in aggregate and are pending corrections of lost earnings. Late or delinquent deferrals and loan repayments constitute prohibited transactions as defined by ERISA and are included in the accompanying Schedule H, Line 4a – Schedule of Delinquent Participant Contributions.

10. Subsequent Events:

The Securing a Strong Retirement Act (“SECURE 2.0 Act”) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later. The Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly.

Management has evaluated subsequent events through May 1, 2025, the date the financial statements were available to be filed and has determined that, except as disclosed above, there were no material events requiring recognition or disclosure
