INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
CyberOptics Corporation Retirement Savings Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CyberOptics Corporation Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of July 8, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period January 1, 2024 through July 8, 2024 and the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CyberOptics Corporation Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Fidelity Management Trust Company, as of July 8, 2024 and December 31, 2023 and for the period January 1, 2024 through July 8, 2024 and the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant

Meaden & Moore, Ltd.

(A Meaden & Moore Affiliate Company)

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Audit of the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Delinquent Contributions for the period January 1, 2024 through July 8, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

CyberOptics Corporation Retirement Savings Plan

1 Description of Plan

The following description of CyberOptics Corporation Retirement Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan, which began September 1, 1991, is a defined contribution plan covering all employees of CyberOptics Corporation (“Company”) who meet the hour and age requirements. It has been amended and restated throughout the years to comply with tax legislation. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective January 1, 2024, certain Plan provisions were changed.

Effective July 8, 2024, pursuant to approval by the Administrative Committee for Nordson Corporation’s Salaried and Hourly Employees’ Retirement and Pension Plans, the Plan was merged into the Nordson Employees’ Savings Trust Plan, sponsored by Nordson Corporation.

Eligibility:

Prior to January 1, 2024, all employees of the Company age twenty-one and older were eligible to participate in the Plan upon their date of hire. Effective January 1, 2024, the age requirement provision to participate was removed. The Plan excludes employees covered by a collective bargaining agreement, nonresident aliens, leased and fixed term employees.

Contributions:

Employee Contributions - Participants may elect to contribute a percentage of their compensation as either pre-tax 401(k) deferral or after-tax Roth contributions, subject to certain limitations. Effective January 1, 2024, participants can also elect after-tax contributions, subject to certain limitations. The Plan allows for automatic enrollment at 6% of eligible compensation, unless otherwise elected. Prior to January 1, 2024, the automatic enrollment rate was 4%.

Employer Contributions – The Plan allows for a discretionary matching contribution. In addition, the Company may make profit sharing contributions to the Plan at the discretion of its Board of Directors. No profit-sharing contributions have been made since the inception of the Plan. Effective January 1, 2024, the Plan added a non-elective employer contribution of 3% of each eligible participant’s compensation, if employed on the last day of the Plan year end.

Employee contributions and employer matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Rollover contributions from other plans are also accepted, provided certain specified conditions are met.

1 Description of Plan, Continued

Contributions, Continued:

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code, as defined in the Plan agreement.

Participants may direct the investment of contributions into various investment options offered under the Plan.

Participants' Accounts:

Each participant's account is credited with the participant's elective contributions, employer matching contributions, Company's profit-sharing contributions, and allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account.

Vesting:

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participants are 100% vested in elective deferrals and rollover contributions, plus actual earnings thereon. Company contributions are subject to a graded vesting schedule as follows:

Before January 1, 2024:

<u>Years of Service</u>	<u>Vested %</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

After January 1, 2024:

<u>Years of Service</u>	<u>Vested %</u>
Less than 1	0%
1	33%
2	66%
3+	100%

Forfeitures:

Forfeited nonvested amounts are used to reduce administrative expenses or to reduce future matching contributions. Forfeited nonvested amounts amounted to \$7,348 at December 31, 2023.

Notes Receivable from Participants:

Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are repaid over a period not to exceed 5 years with exceptions for the purchase of a primary residence. Loans are valued at unpaid principal plus accrued but unpaid interest. No allowance for credit losses has been recorded as of July 8, 2024 and December 31, 2023. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

The loans are secured by the balance in the participant's account and bear interest at a reasonable rate, established by the Plan Administrator based on the prevailing interest rates in the market. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits:

Upon termination of service, death, disability, or retirement, a participant may elect to receive the value of the vested interest in their account in the form of a lump sum or installments. The Plan allows for distributions to active employees for hardship purposes and after reaching age 59 ½, subject to Plan provisions.

If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Company may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Benefit payments to participants are recorded when paid.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Valuation of Investments and Income Recognition:

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as held during the year.

2 Summary of Significant Accounting Policies, Continued

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Fees:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment advisory fees and Plan administration fees are asset-based and allocated to participant accounts and are included in administrative expenses. Investment-related expenses, including any revenue sharing credits, are included in net appreciation in fair value of investments.

Risks and Uncertainties:

The Plan invests in various investment securities, which are exposed to varying degrees of risk, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Plan Benefits.

Subsequent Events:

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through May 14, 2025, which is the date the financial statements were available to be issued.

3 Tax Status

The Plan adopted a pre-approved defined contribution plan. On June 30, 2020 the Internal Revenue Service issued an opinion letter stating the form of the pre-approved plan used by the Plan is acceptable under Section 401 of the IRC. The Plan has not received a determination letter specific to the Plan itself. However, the Plan Administrator believes that the Plan and underlying trust are currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue code. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

3 Tax Status, Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of July 8, 2024, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- * Quoted prices for similar assets or liabilities in active markets
- * Quoted prices for identical or similar assets or liabilities in inactive markets
- * Inputs other than quoted prices that are observable for the asset or liability
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

4 Fair Value Measurements, Continued

Collective Trust Funds: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. The underlying funds objectives include providing guaranteed returns and consistent returns, as well as competitive levels of income to provide capital preservation. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Due to the merger of the Plan's assets into the Nordson Employees' Savings Trust Plan effective July 8, 2024, the Plan has no assets as of July 8, 2024.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as December 31, 2023:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 25,716,368	\$ -	\$ -	\$ 25,716,368
Collective Trust Funds	-	1,952,512	-	1,952,512
Investments at Fair Value	\$ 25,716,368	\$ 1,952,512	\$ -	\$ 27,668,880

5 Certification of Investment Information

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan.

	2024	2023
Investments, at fair value	\$ -	\$ 27,668,880
Notes receivable from participants	\$ -	\$ 130,033
Interest and dividends	\$ 125,767	\$ 632,216
Interest income from notes receivable	\$ 6,107	\$ 6,928
Net appreciation	\$ 3,359,675	\$ 4,035,796

6 Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and collective trust funds managed by the Trustee and, therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the funds for the investment management services. In addition, the Plan has arrangements with various service providers, and these arrangements qualify as party-in-interest transactions.

7 Prohibited Transactions

During the period of January 1, 2024 through July 8, 2024, employee withholdings in the amount of \$200 were not remitted by the Company to the Plan within the required timeframe, as defined by ERISA. These transactions constitute prohibited transactions. The Company has remitted contributions to the Plan and followed the appropriate correction guidelines.
