## **INDEPENDENT AUDITOR'S REPORT**

The Board of Trustees  
Roofers Local 49 Welfare Fund

### **Opinion**

We have audited the accompanying financial statements of the Roofers Local 49 Welfare Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and the benefit obligations as of July 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in the benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of July 31, 2024 and 2023, and the changes in net assets available for benefits and of changes in the benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Board of Trustees' Responsibility for the Financial Statements**

The Board of Trustees is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

The Board of Trustees is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date when the financial statements are available to be issued.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) Schedule of Assets, Liabilities and Fund Balance Net of Benefit Obligations, (2) Schedule of Changes in Fund Balance Net of Benefit Obligations, (3) Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), and (4) Schedule H, Line 4(j) – Schedule of Reportable Transactions are presented for the purpose of additional analysis and are not a required part of the financial statements. Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) and Schedule H, Line 4(j) – Schedule of Reportable Transactions are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. All supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules required by ERISA, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content of the supplemental schedules required by ERISA are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **INDEPENDENT AUDITOR'S REPORT**

The Board of Trustees  
Roofers Local 49 Welfare Fund

### **Opinion**

We have audited the accompanying financial statements of the Roofers Local 49 Welfare Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and the benefit obligations as of July 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in the benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of July 31, 2024 and 2023, and the changes in net assets available for benefits and of changes in the benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Board of Trustees' Responsibility for the Financial Statements**

The Board of Trustees is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

The Board of Trustees is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date when the financial statements are available to be issued.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) Schedule of Assets, Liabilities and Fund Balance Net of Benefit Obligations, (2) Schedule of Changes in Fund Balance Net of Benefit Obligations, (3) Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), and (4) Schedule H, Line 4(j) – Schedule of Reportable Transactions are presented for the purpose of additional analysis and are not a required part of the financial statements. Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) and Schedule H, Line 4(j) – Schedule of Reportable Transactions are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. All supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules required by ERISA, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content of the supplemental schedules required by ERISA are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### NOTES TO FINANCIAL STATEMENTS YEARS ENDED JULY 31, 2024 AND 2023

#### 1. DESCRIPTION OF THE PLAN

The following description of the Roofers Local 49 Welfare Fund (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan’s Benefit Booklet and Plan Document for a more complete description of the Plan’s provisions.

**General** – The Plan was created under an agreement between the United States, Tile and Composition Roofers, Damp & Waterproof Workers Association, Local Number 49 (the “Union”), and the Roofing Contractors Association, Inc. The Plan covers employees who work under the terms of a collective bargaining agreement with the Union and non-collective bargaining employees who work under the terms of participant agreements with the Plan. The Plan also provides for self-payment by former employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Benefits** – The Plan provides health benefits (hospital, medical, surgical, and major medical), dental, vision, short-term disability, life insurance, and accidental death and dismemberment benefits to active employees reported under the collective bargaining agreements. An employee is eligible for benefits on the first day of the second month following the month initial eligibility requirements are satisfied. Initial eligibility is established by accumulating at least 490 credited hours of employment. A vacation savings plan is also provided.

**Plan Termination** – The Plan may be terminated only by action of a majority of the Employer Trustees and a majority of the Union Trustees, subject to the provisions of ERISA. Upon termination, the assets then remaining shall be subject to the applicable provisions of the Plan then in effect and shall be used until exhausted to pay benefits to participants and to pay administrative expenses incurred unless some other disposition is required by applicable law.

**Contributions** – Employers make contributions to the Plan based on a specified dollar amount per hour worked pursuant to a collective bargaining agreement. The contribution rate per hour is determined annually by the Board of Trustees of the Plan. An employee may make contributions in order to maintain eligibility for benefits for months in which the minimum accumulated hours requirements is not fulfilled.

**Stop Loss Coverage** – The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

**Plan Amendments** – From time to time, the Board of Trustees approves various benefit modifications. Participants should refer to the Plan’s Benefit Booklet and Plan Document for a more complete description of benefits.

NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED JULY 31, 2024 AND 2023

---

### 2. SUMMARY OF ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan.

***Basis of Accounting*** – The accompanying financial statements have been prepared using the accrual basis of accounting.

***Use of Estimates*** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Board of Trustees to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition*** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Benefit Obligations*** – The liabilities for insurance premiums are those payments made in August and September following the Plan year end which relate to eligibility that was earned based on work performed during the Plan year. The liability for accumulated eligibility credits represents the estimated cost of future benefits that will be provided based on the hours that participants have accumulated in their hour banks. These accumulated hours provide eligibility for benefits beginning with October following the Plan year end, up to a maximum of six months or until the hours in the bank are depleted, if shorter. The liability for claims incurred but not paid includes claims paid in August and September following the Plan year end which relate to eligibility that was earned based on work performed during the Plan year and the estimated amount of claims that were incurred prior to October 1st following the Plan year end that will be paid after the last day of September following the Plan year end.

***Postretirement Benefit Obligations*** – The nature and provisions of the Plan are such that benefits are not provided to retirees. Therefore, there is no requirement under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 965, to recognize a liability for postretirement benefit obligations.

***Postemployment Benefits*** – Postemployment benefits during the period prior to retirement are not provided except as allowed by COBRA.

***Contributions Receivable*** – Contributions receivable represents the amount that employers are obligated to contribute under the terms of their collective bargaining agreements and participation agreements for work that employees performed during the year ended July 31<sup>st</sup>. Those receivables typically are collected within 20 days, and the Plan's Board of Trustees consider all employer contributions receivable to be fully collectable. Accordingly, there is no allowance for expected credit losses.

### **NOTES TO FINANCIAL STATEMENTS YEARS ENDED JULY 31, 2024 AND 2023**

---

#### **3. MEDICARE PART D**

Drug benefits are not provided to Medicare eligible retirees, and therefore the Plan is not eligible for the subsidy under the Medicare Prescription Drug Improvement and Modernization Act of 2003.

#### **4. INCOME TAX STATUS**

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code ("IRC") and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust is required to operate in conformity with the IRC to maintain its tax exempt status. The Plan's Board of Trustees believes that the Trust, as amended, continues to qualify and operate in accordance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's Board of Trustees to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan's Board of Trustees has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan's Board of Trustees believes it is no longer subject to income tax examinations for years prior to July 31, 2021.

#### **5. RISKS, UNCERTAINTIES, AND CONCENTRATIONS**

Investment securities, in general, may be exposed to various risks, including but not limited to interest rate, credit, overall market volatility, political and foreign exchange risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such change could materially affect the amounts reported in the financial statements.

The Plan maintains checking account balances at various financial institutions that, from time to time, may exceed the limits insured by the Federal Deposit Insurance Corporation.

Contributions received from two significant employers for the years ended July 31, 2024 and 2023 represented approximately 40% and 41% of total contributions in each year, respectively.

#### **6. RECENTLY ADOPTED ACCOUNTING GUIDANCE**

In June 2016, the FASB issued guidance (FASB ASC 326) Allowance for Credit Losses. The Plan adopted the standard effective August 1, 2023. The impact of the adoption was not considered material to the financial statements.

#### 7. INVESTMENTS

The Plan's investments are in the custody of a bank trust department. During the years ended July 31, 2024 and 2023, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in fair market value as follows:

	<u>2024</u>	<u>2023</u>
U.S. government securities	\$ 153,474	\$ (166,049)
Corporate bonds	111,225	(45,562)
Foreign bonds	46,282	(15,024)
Mutual fund	<u>371,070</u>	<u>182,866</u>
Net appreciation (depreciation) in fair value	<u>\$ 682,051</u>	<u>\$ (43,769)</u>

#### 8. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2            Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

#### 8. FAIR VALUE MEASUREMENTS - Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2024 and 2023.

*Money market fund:* Valued at the net asset value of shares held by the Plan at year end. The investment trades dollar for dollar, therefore fair value does not differ significantly from cost.

*Mutual fund:* Valued at the daily closing price as reported by the fund. The mutual fund held by the Plan is an open-end mutual fund that is registered with the U.S. Securities and Exchange Commission. The fund is required to publish its daily net asset value and to transact at that price. The mutual fund held by the Plan is actively traded.

*U.S. government securities:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Corporate and foreign bonds:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, the bond is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks or a broker quote if available.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, with the fair value hierarchy, the Plan's assets at fair value as of July 31, 2024 and 2023:

	July 31, 2024			
	Level 1	Level 2	Level 3	Total
U.S. government securities	\$ 6,332,758	\$ -	\$ -	\$ 6,332,758

#### 9. CONTRIBUTION VERIFICATION PROGRAM

The Plan has a regular on-going program to verify the accuracy of contributions submitted by participating employers. This may result in additional contributions owed to the Trust along with associated interest and liquidated damages. These amounts are recognized in the period they are received.

#### 10. ACCUMULATED ELIGIBILITY CREDITS

Bargaining unit employees who work for most employers in excess of 130 hours in a month will be permitted to accumulate hours in excess of 130 in a reserve account up to a maximum of 540 hours. If, in any month, an employee works less than 90 hours required to maintain eligibility, a transfer of a sufficient number of hours may be made from the reserve account to bring the total hours to the required 90.

There is a liability to pay benefits in the future for each month of coverage that participants have accumulated in their banks. The estimated amount for this liability was \$2,240,000 and \$2,340,000 at July 31, 2024 and 2023, respectively.

#### 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

## ROOFERS LOCAL 49 WELFARE FUND

### NOTES TO FINANCIAL STATEMENTS YEARS ENDED JULY 31, 2024 AND 2023

---

#### 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 - Continued

The following is a reconciliation of the cost of benefits paid to or on behalf of participants per the financial statements to the Form 5500 for the year ended July 31, 2024:

Cost of benefits paid per the financial statements	\$ 9,856,751
Add amounts payable at July 31, 2024	4,330,942
Less amounts payable at July 31, 2023	<u>(4,236,237)</u>
Benefit payments and payment to provide benefits per Form 5500	<u>\$ 9,951,456</u>

Amounts currently payable to or for participants and dependents are recorded on the Form 5500 in the year in which eligibility for those benefits is earned.

#### 12. VACATION SAVINGS ACCOUNTS

Effective July 1, 2017 the Plan adopted a vacation savings account provision, whereby employers withhold and contribute a dollar amount per hour to the Plan for each eligible employee pursuant to their collective bargaining agreement. The amount contributed is a deduction from the employees' after tax wages.

The Plan maintains a record by employee of all contributions received, and once each year between December 1<sup>st</sup> and December 15<sup>th</sup>, the moneys accumulated will be distributed to employees. The amount distributed will be those contributions received that are attributed to work performed between September 1 of any year through August 31 of the following year.

If the Plan is unable to make a benefit distribution to an employee for any reason or an employee fails to cash a benefit check, that amount will be paid to the employee at the next distribution date. If the payment is not made at the next distribution date for any reason, the amount may be distributed when the employee, or other person entitled to such payment, makes written application to the Board of Trustees within two years after September 30 of the year in which that amount was initially distributable. If the account is not withdrawn in that two-year period or the employee does not cash the check during that period, the amount will be forfeited.

The following is a reconciliation of the net assets attributed to saving accounts:

	<u>2024</u>	<u>2023</u>
Balance at beginning of year	\$ 1,194,196	\$ 1,035,146
Contributions	1,348,366	1,222,307
Benefits	<u>(1,227,016)</u>	<u>(1,063,257)</u>
Balance at end of year	<u>\$ 1,315,546</u>	<u>\$ 1,194,196</u>

#### 13. SUBSEQUENT EVENTS

The Board of Trustees of the Plan has evaluated events and transactions occurring after July 31, 2024 through May 15, 2025, the date the financial statements were available for issuance, for potential recognition or disclosure in the financial statements and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
