Form 5500 Schedule H, Part III

Accountants Opinion

- Form 990 contained a dollar amount that was added to the liabilities in order to balance. The accountant called the liability an "increase in premium reserve". In the 5500, we saw the need to add an additional value under "other liabilities" to represent (Increase in premium reserve). This value had to be added to the 5500 to balance assets and liabilities across the two forms to ensure the form would validate.
- The accountant that worked with the plan for 20 years recently advised that they would be discontinuing service. The plan conducted a late stage search for a new firm who has been engaged. The accountant's opinion will be attached to the amended form as soon as possible.
