INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Fashion Institute of Design and Merchandising 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Fashion Institute of Design and Merchandising 401(k) Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The liquidation basis financial statements comprise the statements of net assets available for plan benefits as of March 31, 2024 and December 31, 2023, the statement of changes in net assets available for plan benefits for the three months ended March 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fashion Institute of Design and Merchandising 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Fashion Institute of Design and Merchandising 401(k) Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from John Hancock Life Insurance Company (John Hancock), the trustee of the Fashion Institute of Design and Merchandising 401(k) Plan as of March 31, 2024 and December 31, 2023 and for the three months ended March 31, 2024, stating that the certified investment information as described in Note 9 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by John Hancock agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fashion Institute of Design and Merchandising 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 6 to the financial statements, the governing body of the Fashion Institute of Design and Merchandising 401(k) Plan approved a plan of liquidation on October 16, 2023, and management determined that liquidation is imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Fashion Institute of Design and Merchandising 401(k) Plan; and determining whether the Fashion Institute of Design and Merchandising 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Fashion Institute of Design and Merchandising 401(k) Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fashion Institute of Design and Merchandising 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fashion Institute of Design and Merchandising 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

FASHION INSTITUTE OF DESIGN AND MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)

MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Fashion Institute of Design & Merchandising (FIDM) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees (with the exception of temporary and on-call employees) who have completed one month of service and are over the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is a trustee prototype plan. The Plan was adopted under the provisions of Internal Revenue Code (IRC) Section 401(a), with a cash or deferred arrangement qualified under IRC Section 401(k). Pursuant to the requirements of IRC Section 401(a)(27), the Plan is also a profit sharing plan.

Plan Termination: In 2023, the Board of Administration approved freezing the Plan effective December 22, 2023 and terminating the Plan. The Board determined that liquidation was imminent and proposed February 29, 2023 as the termination date. The written notice of the proposed termination of the Plan was sent to the participants on December 19, 2023. The Plan was fully liquidated on March 28, 2024.

Contributions: The Plan allows participants to contribute up to 20% of their annual income on a pretax basis up to the maximum amount allowed by law for the plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may direct the investment of their contributions into various investments options offered by the Plan. The Plan currently offers 41 mutual funds, which are in a group annuity contract, and 3 guaranteed interest accounts as investment options for participants. FIDM currently does not make contributions to the Plan.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or annual installments over a ten-year period. Upon termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Vesting: Participants are immediately and fully vested in their voluntary contributions plus their rollover accounts. If the employer decides to make contributions, the following are the vesting percentages:

Counted Years	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participant Accounts: Each participant's account is credited with the participant's contribution and the Plan's earnings (losses). Allocations are based on participants' earnings (losses) on account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the fair market value of the participant's account. Monthly, employees have the opportunity to change their salary deferral percentage and daily have the opportunity to change the investments in which their deferrals are held. Earnings or losses of the Trust Fund are allocated to accounts of employees who are participants and former participants at the end of the trading day based on each participant's and former participant's investments at that time.

Administrative Expenses: Any fees related to the administration of the Plan or associated with the investment of the Plan's assets may be paid by the Plan or the Plan Sponsor. If the Plan Sponsor does not pay the Plan's fees, such fees will generally be allocated to the accounts of participants, either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan.

FASHION INSTITUTE OF DESIGN AND MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)

MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). In 2023, the Board adopted a resolution to terminate the Plan. As a result, the Plan's financial statements as of March 31, 2024 and December 31, 2023 have been prepared on the liquidation basis in accordance with US GAAP. This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets is reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of March 31, 2024 and December 31, 2023 would be fair value. There were no material changes to the 2024 and 2023 financial statements as a result of the change under the liquidation basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Benefit Payments: Benefits are recorded when paid.

Fair Value Measurements: The Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three-tier fair value hierarchy includes the following categories:

- *Level 1* – Asset fair values are based on quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- *Level 2* – Assets other than identical assets included within Level 1 that are observable for valuing the asset, either directly or indirectly.
- *Level 3* – Inputs that fair value cannot be determined by using observable measures, such as market prices or models. Level 3 assets are typically very liquid, and fair values can only be calculated using estimates or risk-adjusted value ranges.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at March 31, 2024 and December 31, 2023.

- *Guaranteed Investment Contracts* – Valued at the fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations, considering the creditworthiness of the issuer (see Notes 3 and 4). Guaranteed investment contracts are classified as Level 3 measurements.
- *Pooled Separate Accounts (PSAs)* – Valued at the net asset value (NAV) provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient should not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. While PSAs are not reported on exchanges or other public means, these investments are similar to mutual funds. NAV is the basis for current transactions being published because it is available via investor online reporting. PSAs are classified as Level 1 measurements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Plan's financial instruments and other accounts that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Subsequent Events: The Plan has evaluated subsequent events through March 11, 2025, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan had no investments as of March 31, 2024 due to the termination of the Plan. The following sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

2023	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Guaranteed interest account (unallocated)	\$ 130,669	\$ -	\$ -	\$ 130,669
Pooled separate accounts	23,830,164	23,830,164	-	-
	<u>\$ 23,960,833</u>	<u>\$ 23,830,164</u>	<u>\$ -</u>	<u>\$ 130,669</u>

The following reconciles the beginning and ending balances of the fair value measurements using the significant unobservable inputs (Level 3) of the insurance company guaranteed interest account contract:

	2024	2023
Balance, beginning of year	\$ 130,669	\$ 162,994
Realized/unrealized gains (losses)	(4,015)	431
Purchases, sales, issuances and settlements, net	(126,654)	(21,299)
Transfers in and out, net	-	(11,457)
Balance, end of year	<u>\$ -</u>	<u>\$ 130,669</u>

Gains and losses included in changes in net assets available for plan benefits for the three months ended March 31, 2024 are reported under net appreciation in fair value of pooled separate accounts.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the three months ended March 31, 2024 and year ended December 31, 2023, there were transfers into or out of Level 3 as shown above.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Guaranteed Investment Contract: The Plan has a guaranteed interest account investment option offered under the John Hancock group annuity contract. This investment is held in the John Hancock general account.

Guaranteed interest accounts guarantee the return of principal plus compound interest earned over a three-year term, less any applicable contract or participant-level recordkeeping charges, provided that all contributions remain in the account until the end of the guarantee period.

FASHION INSTITUTE OF DESIGN AND MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)

MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Interest rates are established on the first day of each calendar month and apply to any regular ongoing contributions made to the guaranteed account in that month. At the end of each reporting year, a composite rate of interest is determined for each participant account, depending on the amount contributed and the rate in effect on the day it is allocated under the participant account. The composite rate is the effective annual rate earned by all contributions to the guaranteed account during the reporting year for each participant. Contributions continue to earn the calculated composite interest rate for the duration of the guarantee term.

At the end of the guarantee period, contributions and interest earned from a guaranteed account may be invested into any of the investment options available under the group annuity contract. However, if written instructions are not received at least 30 days before the maturity date specifying the participant's choice of investment options for the maturing amount, it will be automatically reinvested in a guaranteed account with the same terms at the current new rate.

NOTE 5 – RELATED PARTIES AND PARTIES-IN-INTEREST

The Plan invests in certain accounts managed by the trustee. Administrative expenses paid to the trustee are included in the accompanying financial statements.

Certain employees and officers of the Plan Sponsor, who may be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 – PLAN TERMINATION

The Plan Sponsor's Board of Directors elected to terminate the Plan effective December 31, 2023. Assets were fully liquidated from the Plan effective March 28, 2024.

NOTE 7 – TAX STATUS OF THE PLAN

The Plan had adopted the ASCENSUS LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan. The Internal Revenue Service (IRS) informed ASCENSUS by a letter, dated June 30, 2020, that its Volume Submitter Plan was designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No uncertain positions have been identified that would require the recognition of a tax liability or disclosure in the financial statements as of March 31, 2024 and December 31, 2023.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)

MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 8 – RISKS AND UNCERTAINTIES (CONTINUED)

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of March 31, 2024 and December 31, 2023, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of cash and investments.

NOTE 9 – TRUSTEE CERTIFICATION

The investment balances and related investment information included in the financial statements and accompanying notes were derived from statements certified by the trustee of the Plan as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Fashion Institute of Design and Merchandising 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Fashion Institute of Design and Merchandising 401(k) Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The liquidation basis financial statements comprise the statements of net assets available for plan benefits as of March 31, 2024 and December 31, 2023, the statement of changes in net assets available for plan benefits for the three months ended March 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fashion Institute of Design and Merchandising 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Fashion Institute of Design and Merchandising 401(k) Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from John Hancock Life Insurance Company (John Hancock), the trustee of the Fashion Institute of Design and Merchandising 401(k) Plan as of March 31, 2024 and December 31, 2023 and for the three months ended March 31, 2024, stating that the certified investment information as described in Note 9 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by John Hancock agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fashion Institute of Design and Merchandising 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 6 to the financial statements, the governing body of the Fashion Institute of Design and Merchandising 401(k) Plan approved a plan of liquidation on October 16, 2023, and management determined that liquidation is imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Fashion Institute of Design and Merchandising 401(k) Plan; and determining whether the Fashion Institute of Design and Merchandising 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Fashion Institute of Design and Merchandising 401(k) Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fashion Institute of Design and Merchandising 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fashion Institute of Design and Merchandising 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

FASHION INSTITUTE OF DESIGN AND MERCHANDISING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)
MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Fashion Institute of Design & Merchandising (FIDM) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees (with the exception of temporary and on-call employees) who have completed one month of service and are over the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is a trustee prototype plan. The Plan was adopted under the provisions of Internal Revenue Code (IRC) Section 401(a), with a cash or deferred arrangement qualified under IRC Section 401(k). Pursuant to the requirements of IRC Section 401(a)(27), the Plan is also a profit sharing plan.

Plan Termination: In 2023, the Board of Administration approved freezing the Plan effective December 22, 2023 and terminating the Plan. The Board determined that liquidation was imminent and proposed February 29, 2023 as the termination date. The written notice of the proposed termination of the Plan was sent to the participants on December 19, 2023. The Plan was fully liquidated on March 28, 2024.

Contributions: The Plan allows participants to contribute up to 20% of their annual income on a pretax basis up to the maximum amount allowed by law for the plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may direct the investment of their contributions into various investments options offered by the Plan. The Plan currently offers 41 mutual funds, which are in a group annuity contract, and 3 guaranteed interest accounts as investment options for participants. FIDM currently does not make contributions to the Plan.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or annual installments over a ten-year period. Upon termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Vesting: Participants are immediately and fully vested in their voluntary contributions plus their rollover accounts. If the employer decides to make contributions, the following are the vesting percentages:

Counted Years	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participant Accounts: Each participant's account is credited with the participant's contribution and the Plan's earnings (losses). Allocations are based on participants' earnings (losses) on account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the fair market value of the participant's account. Monthly, employees have the opportunity to change their salary deferral percentage and daily have the opportunity to change the investments in which their deferrals are held. Earnings or losses of the Trust Fund are allocated to accounts of employees who are participants and former participants at the end of the trading day based on each participant's and former participant's investments at that time.

Administrative Expenses: Any fees related to the administration of the Plan or associated with the investment of the Plan's assets may be paid by the Plan or the Plan Sponsor. If the Plan Sponsor does not pay the Plan's fees, such fees will generally be allocated to the accounts of participants, either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan.

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)
MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). In 2023, the Board adopted a resolution to terminate the Plan. As a result, the Plan's financial statements as of March 31, 2024 and December 31, 2023 have been prepared on the liquidation basis in accordance with US GAAP. This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets is reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of March 31, 2024 and December 31, 2023 would be fair value. There were no material changes to the 2024 and 2023 financial statements as a result of the change under the liquidation basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Benefit Payments: Benefits are recorded when paid.

Fair Value Measurements: The Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three-tier fair value hierarchy includes the following categories:

- *Level 1* – Asset fair values are based on quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- *Level 2* – Assets other than identical assets included within Level 1 that are observable for valuing the asset, either directly or indirectly.
- *Level 3* – Inputs that fair value cannot be determined by using observable measures, such as market prices or models. Level 3 assets are typically very liquid, and fair values can only be calculated using estimates or risk-adjusted value ranges.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at March 31, 2024 and December 31, 2023.

- *Guaranteed Investment Contracts* – Valued at the fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations, considering the creditworthiness of the issuer (see Notes 3 and 4). Guaranteed investment contracts are classified as Level 3 measurements.
- *Pooled Separate Accounts (PSAs)* – Valued at the net asset value (NAV) provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient should not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. While PSAs are not reported on exchanges or other public means, these investments are similar to mutual funds. NAV is the basis for current transactions being published because it is available via investor online reporting. PSAs are classified as Level 1 measurements.

FASHION INSTITUTE OF DESIGN AND MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)

MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Plan's financial instruments and other accounts that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Subsequent Events: The Plan has evaluated subsequent events through March 11, 2025, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan had no investments as of March 31, 2024 due to the termination of the Plan. The following sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

2023	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Guaranteed interest account (unallocated)	\$ 130,669	\$ -	\$ -	\$ 130,669
Pooled separate accounts	23,830,164	23,830,164	-	-
	<u>\$ 23,960,833</u>	<u>\$ 23,830,164</u>	<u>\$ -</u>	<u>\$ 130,669</u>

The following reconciles the beginning and ending balances of the fair value measurements using the significant unobservable inputs (Level 3) of the insurance company guaranteed interest account contract:

	2024	2023
Balance, beginning of year	\$ 130,669	\$ 162,994
Realized/unrealized gains (losses)	(4,015)	431
Purchases, sales, issuances and settlements, net	(126,654)	(21,299)
Transfers in and out, net	-	(11,457)
Balance, end of year	<u>\$ -</u>	<u>\$ 130,669</u>

Gains and losses included in changes in net assets available for plan benefits for the three months ended March 31, 2024 are reported under net appreciation in fair value of pooled separate accounts.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the three months ended March 31, 2024 and year ended December 31, 2023, there were transfers into or out of Level 3 as shown above.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Guaranteed Investment Contract: The Plan has a guaranteed interest account investment option offered under the John Hancock group annuity contract. This investment is held in the John Hancock general account.

Guaranteed interest accounts guarantee the return of principal plus compound interest earned over a three-year term, less any applicable contract or participant-level recordkeeping charges, provided that all contributions remain in the account until the end of the guarantee period.

FASHION INSTITUTE OF DESIGN AND MERCHANDISING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)
MARCH 31, 2024 AND DECEMBER 31, 2023

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Interest rates are established on the first day of each calendar month and apply to any regular ongoing contributions made to the guaranteed account in that month. At the end of each reporting year, a composite rate of interest is determined for each participant account, depending on the amount contributed and the rate in effect on the day it is allocated under the participant account. The composite rate is the effective annual rate earned by all contributions to the guaranteed account during the reporting year for each participant. Contributions continue to earn the calculated composite interest rate for the duration of the guarantee term.

At the end of the guarantee period, contributions and interest earned from a guaranteed account may be invested into any of the investment options available under the group annuity contract. However, if written instructions are not received at least 30 days before the maturity date specifying the participant's choice of investment options for the maturing amount, it will be automatically reinvested in a guaranteed account with the same terms at the current new rate.

NOTE 5 – RELATED PARTIES AND PARTIES-IN-INTEREST

The Plan invests in certain accounts managed by the trustee. Administrative expenses paid to the trustee are included in the accompanying financial statements.

Certain employees and officers of the Plan Sponsor, who may be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 – PLAN TERMINATION

The Plan Sponsor's Board of Directors elected to terminate the Plan effective December 31, 2023. Assets were fully liquidated from the Plan effective March 28, 2024.

NOTE 7 – TAX STATUS OF THE PLAN

The Plan had adopted the ASCENSUS LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan. The Internal Revenue Service (IRS) informed ASCENSUS by a letter, dated June 30, 2020, that its Volume Submitter Plan was designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No uncertain positions have been identified that would require the recognition of a tax liability or disclosure in the financial statements as of March 31, 2024 and December 31, 2023.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)
MARCH 31, 2024 AND DECEMBER 31, 2023

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of March 31, 2024 and December 31, 2023, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of cash and investments.

NOTE 9 – TRUSTEE CERTIFICATION

The investment balances and related investment information included in the financial statements and accompanying notes were derived from statements certified by the trustee of the Plan as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
