## Independent Auditors' Report

Board of Trustees  
Teamsters Local 610 Prescripticare Trust Fund  
St. Louis, MO

### Opinion

We have audited the accompanying financial statements of Teamsters Local 610 Prescripticare Trust Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of August 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of August 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Report on Additional Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The additional Schedules of Administrative Expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the additional information is fairly stated in all material respects in relation to the financial statements as a whole.

**Notes to Financial Statements**  
**August 31, 2024 and 2023**

**1. Description of the Plan**

The following description of Teamsters Local 610 Prescripticare Trust Fund (the "Plan") provides only general information. Participants of the Plan should refer to the Plan document and the summary plan description for a more complete description of the Plan's provisions.

**General**

The Plan is a multiemployer defined benefit health and welfare plan. The Plan was established effective September 1, 1976 and is maintained pursuant to a collective bargaining agreement ("CBA") between the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helper of America ("IBT"), which represents the participating employers (the "Employers"), and the Teamsters Local Union No. 610 (the "Union") to provide reimbursements for covered prescription drugs to eligible participants and beneficiaries. To be eligible, an employee must be working for an Employer who is subject to the CBA or for an Employer subject to a trustee approved participation agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration of the Plan is the responsibility of the Board of Trustees (the "Trustees") and is governed by a joint board consisting of equal representation from the Employers and the Union.

**Eligibility**

All full time employees of the Employers are eligible for coverage on the seventh month after the Employer has submitted six months of continuous contributions on their behalf. The Plan also provides coverage to retirees if both of the following conditions are met: 1) if they were an active participant in the Plan for at least ten consecutive years and had a minimum of one hundred twenty months of contributions made on their behalf prior to retiring and 2) the last contributing employer for the retiree has made at least sixty consecutive months of contributions to the Plan immediately preceding their retirement. The Plan also provides a continuation of health coverage under the Consolidated Omnibus Budget and Reconciliation Act ("COBRA") to eligible employees and dependents upon termination of employment.

**Contributions**

The Employers are required to make monthly contributions to the Plan as required by the applicable provisions of their respective CBAs for their eligible employees. Employee contributions are permitted to provide COBRA benefits, and these participants pay the full cost of such benefits.

**Teamsters Local 610 Prescripticare Trust Fund**  
**Notes to Financial Statements**  
**August 31, 2024 and 2023**

**Benefits**

The Plan provides reimbursements for covered prescription drugs to eligible participants and beneficiaries. The Plan provides similar benefits during disability or upon termination of employment through COBRA. Retirees have the same benefits as active participants.

The claims for active participants are self-funded and administered by the Plan. Claims for retirees are self-funded and are administered by a pharmacy benefit manager ("PBM"), Elixir Crafted Rx Solutions. The claims for these benefits are processed by the Plan's third-party claims processors under administrative services only ("ASO") arrangements. The claims processors pay claims directly to or on behalf of the participants. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan. The PBM periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, claims incurred but not reported ("IBNR"), claims payable, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Teamsters Local 610 Prescriptive Trust Fund**  
**Notes to Financial Statements**  
**August 31, 2024 and 2023**

**Fair Value Measurements**

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

**Rebates**

Prescription refunds due from the Plan's PBM are recorded when earned. Refunds due at year-end are recorded as a receivable on the statements of net assets available for benefits. Pharmacy rebates totaling \$2,119 and \$2,524 for the years ended August 31, 2024 and 2023, respectively, have been netted against prescription claims paid in the accompanying statements of changes in net assets available for benefits.

**Furniture and Equipment**

Furniture and equipment is stated at cost. Major additions and improvements are capitalized, while maintenance and repairs are expensed as incurred. When assets are sold or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts. Any gain or loss arising from such disposition is included as additions or deductions in the year of disposition.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

The estimated lives for computing depreciation on furniture and equipment are:

<u>Classification</u>	<u>Years</u>
Furniture and equipment	5

**Payment of Benefits**

Claim payments are recorded when paid by the Plan.

**Plan Benefit Obligations**

Benefit obligations include health claims currently payable and health claims incurred but not yet reported. Claims paid by the claims processor prior to the year-end that are not reimbursed by the Plan as of year-end are recorded as claims payable and included in claims payable and claims incurred but not reported on the statements of benefit obligations. Claims incurred but not yet reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan Administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

**Teamsters Local 610 Prescripticare Trust Fund**  
**Notes to Financial Statements**  
**August 31, 2024 and 2023**

**Administrative Expenses**

The Plan permits the payment of Plan expenses from Plan assets.

**Subsequent Events**

The Plan has evaluated subsequent events through May 15, 2025, the date on which the financial statements were available to be issued.

**3. Change in Accounting Principle**

Effective September 1, 2023, the Plan adopted ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended. FASB ASC 326 replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. CECL requires an estimate of future credit losses for the remaining estimated lives of financial assets based on relevant information about historical experience, current conditions, and reasonable and supportable financial forecasts that affect the collectibility of the reported amounts. The measurement of expected credit losses under CECL is applicable to financial assets measured at amortized cost. Such assets are presented at the net amount expected to be collected over their remaining contractual lives using an allowance for credit losses. The adoption of FASB ASC 326 resulted in no change in the allowance for credit losses.

**4. Fair Value Measurements**

The framework for measuring fair value establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets.

Level 2            Inputs to the valuation methodology to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The instruments' fair value measurement levels within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

**Teamsters Local 610 Prescripticare Trust Fund**  
**Notes to Financial Statements**  
**August 31, 2024 and 2023**

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 investments consist of interest-bearing cash and mutual funds. Interest-bearing cash is valued at cost plus accrued interest which approximates fair value. Mutual funds are recorded at the closing price recorded by the funds. These are open ended mutual funds and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 investments consist of corporate bonds and notes. Corporate bonds and notes are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value of investments is measured as of August 31, as follows:

	2024			
	Total	Fair Value Measurements		
		Level 1	Level 2	Level 3
Interest-bearing cash	\$ 106,485	\$ 106,485	\$ -	\$ -
Mutual funds	322,964	322,964	-	-
Corporate bonds and notes	326,551	-	326,551	-
Total assets in fair value hierarchy	<u>\$ 756,000</u>	<u>\$ 429,449</u>	<u>\$ 326,551</u>	<u>\$ -</u>

  

	2023			
	Total	Fair Value Measurements		
		Level 1	Level 2	Level 3
Interest-bearing cash	\$ 80,753	\$ 80,753	\$ -	\$ -
Mutual funds	273,278	273,278	-	-

Total assets in fair value hierarchy	<u>\$ 738,246</u>	<u>\$ 354,031</u>	<u>\$ 384,215</u>	<u>\$ -</u>

**5. Related Party Transactions**

The Plan has common membership with the Union. The Plan received Employer contributions from the Union totaling \$8,970 and \$14,723 for the years ended August 31, 2024 and 2023, respectively.

**Teamsters Local 610 Prescripticare Trust Fund**  
**Notes to Financial Statements**  
**August 31, 2024 and 2023**

**6. Property and Equipment**

Property and equipment at August 31, is as follows:

	2024	2023
Furniture and Equipment	\$ 2,431	\$ 2,431
Less: Accumulated depreciation	(2,109)	(1,833)
	\$ 322	\$ 598

Depreciation expense for each of the years ended August 31, 2024 and 2023 totaled \$276 and \$382, respectively.

**7. Plan Termination**

Although they have not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, any assets remaining shall be used solely for purposes of providing benefits and defraying the reasonable cost of administering the Plan. No assets shall revert to the Employers.

**8. Tax Status of Plan**

The Internal Revenue Service has determined and informed the Trustees that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. Management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

In accordance with GAAP, management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. Management has analyzed the tax positions taken by the Plan and has concluded that as of August 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require the recognition of a liability or disclosure in the financial statements. Management believes the Plan is no longer subject to income tax examinations prior to 2021. The Plan is also subject to routine audits by the Department of Labor generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

**Teamsters Local 610 Prescripticare Trust Fund**  
**Notes to Financial Statements**  
**August 31, 2024 and 2023**

**9. Risks and Uncertainties**

**Investments**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

**Concentrations**

Contributions are collected from various Employers whose employees participate in the Plan. For the years ended August 31, 2024 and 2023, contributions from the Plan's two largest employers were approximately 91 percent of total contributions.

**10. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at August 31, to Form 5500:

	2024	2023
