INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Ambaflex Manufacturing, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ambaflex Manufacturing Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ambaflex Manufacturing Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ambaflex Manufacturing Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ambaflex Manufacturing, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ambaflex Manufacturing, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of ~~significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.~~
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ambaflex Manufacturing, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of The Schedule of Assets Held for Investments are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other

than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter

The accompanying statement of net assets available for benefits of Ambaflex Manufacturing, Inc. 401(k) Plan as of December 31, 2021 were not audited, reviewed or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on them.

NOTES TO FINANCIAL STATEMENTS

AMBAFLEX MANUFACTURING, INC. 401(k) PLAN

December 31, 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Ambaflex Manufacturing, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan which includes an employees' savings plan established under the provisions of Internal Revenue Code Section 401(k) and covers all employees of Ambaflex Manufacturing, Inc. The Plan covers employees who have completed six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may make salary deferral contributions, as defined in the Plan.

The Company makes discretionary matching contributions of 100% to eligible participants' deferrals up to 3% of the participant's compensation and 50% of the next 2% of participant deferrals, up to a maximum of 4% of participant compensation. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts

Each participant's profit-sharing account is credited with an allocation of (a) the Companies' profit-sharing contribution, (b) Plan earnings and (c) forfeitures of terminated participants' nonvested accounts. Each participant's 401(k) account is credited with an allocation of (a) the participant's salary deferral contribution, (b) the employer matching contribution and (c) Plan earnings. Any forfeitures derived from employer matching contributions can be used to pay plan administrative expenses or reduce employer matching contributions in the current or future plan years. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Participants' Investment Options

Participants must direct their salary deferral contributions and all matching and profit-sharing contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone access to Principal Financial, or by accessing Principal Financial online.

Vesting

Participants are immediately vested in both their salary deferral contributions and employer matching contributions plus actual earnings thereon.

Participant Loans

Participants may borrow from their retirement accounts a minimum of \$1,000, not to exceed the lesser of \$50,000 or 50% of their vested account balance reduced by any outstanding loan liabilities. Loan transactions are treated as a transfer to (from) the participant's investment funds from (to) the participant notes fund. Loan terms vary and are based on the individual loan agreements. The loans are secured by the balance in the participant's account and bear interest at current prevailing interest rates as defined in the plan agreement. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits

In the event of a mandatory distribution greater than \$1,000 that is made in accordance with the provisions of the Plan providing for an automatic distribution to a Participant without the Participant's consent, if the Participant does not elect to have such distribution paid directly to an "eligible retirement plan" specified by the Participant in a direct rollover or to receive the distribution directly, then the Administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator.

A participant may elect to receive either (1) a lump-sum amount equal to the value of his or her account or (2) installment payments over a specified term or (3) partial withdrawal.

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are generally stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. ~~Dividends are recorded on the ex-dividend date.~~

Contributions Receivable

Employer profit-sharing contributions, employer matching contributions and participant salary deferral contributions are recorded as additions to net assets available for benefits during the Plan year for which they are due. Rollovers are recorded as additions to net assets when received.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Plan expenses paid by the Company amounted to \$2,430 for the Plan year ended December 31, 2022.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value Measurements Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
December 31, 2022:				
Registered investment companies	\$ 37,614	\$ -	\$ -	\$ 37,614
Pooled separate accounts	115,267	-	-	115,267
Common/collective trusts	1,884,280	-	-	1,884,280
	\$ 2,037,161	\$ -	\$ -	\$ 2,037,161

FASB ASC 820, Fair Value Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices. The fair values of pooled separate accounts and collective trusts are based on their published net asset values.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Fair Value Measurements

There were no plan investments subject to Level 2 fair value measurements. This category would include the fair value of investments in bank and investment house common/collective investment trusts and general insurance accounts for which quoted market price are not available are reported at the value reported to the Plan by those entities. Funds are invested in financial instruments issued by highly rated companies. These include guaranteed investment contracts (GICs), security backed contracts (synthetic GICs) and cash equivalents.

Level 3 Fair Value Measurements

There were no plan investments subject to Level 3 fair value measurements. This category would include investments that are not actively traded, and significant other observable inputs are not available.

NOTE D - PARTY-IN-INTEREST TRANSACTIONS

Plan investments included pooled separate accounts and common/collective trusts managed by Principal Life Insurance Company (for the period of January 1 to December 31, 2022). This entity provided investment services, recordkeeping, and administrative support to the Plan and the Plan Administrator during those years.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE F - INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Principal Trust Company, the trustee of the Plan, certified the following information included in the 2022 financial statements and supplemental schedules:

- Investments, including fair value, investment transactions, and related information
- Investment income, including net unrealized appreciation (depreciation) in fair value of investments, net realized gains (losses) from sale of securities, and interest and dividend income
- Form 5500, Schedule H, 4(i) – schedule of assets held for investment purposes

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE G - TAX STATUS AND INFORMATION REGARDING DETERMINATION LETTER

Effective February 18, 2022, the Plan sponsor adopted a non-standardized form of a volume submitter plan sponsored by Principal Financial Group. The prototype plan has received an opinion letter as to the volume submitter plan's qualified status.

The volume submitter plan opinion letters have been relied upon by this Plan. The Plan Administrator does not plan to submit an application for determination for its adoption of such volume submitter plans. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

NOTE H - RISK AND UNCERTAINTY

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amount reported in the statements of net assets available for benefits.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500.
