Plan Administrator
Companion Protect LLC 401(k) Profit Sharing Plan and Trust
Overland Park, Kansas

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Companion Protect LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2023 and delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 And 2022

1. Description Of The Plan

The following description of the Companion Protect LLC 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information only. Plan participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that provides retirement benefits for eligible employees of Companion Protect, LLC (the Plan Sponsor or Employer), and was originally established effective January 1, 2015. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

All employees are eligible to become a participant in the Plan unless such employee is a nonresident alien or covered by a collective bargaining agreement. Employees who have reached the age of 21 and have completed one month of service for the Employer are eligible to make 401(k) salary deferrals and receive Employer safe harbor matching contributions. Employees must complete one year of service to receive the nonelective profit sharing contribution. Employees can begin participation immediately following completion of the service conditions.

Contributions

Each year, participants may contribute a dollar amount or percentage of their eligible compensation, as defined in the Plan Document, not to exceed certain Internal Revenue Service (IRS) limitations. Salary deferral contributions can be made as either pre-tax or Roth (after-tax) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution and defined benefit plans (rollover).

The Employer contribution consists of a safe harbor matching contribution and a nonelective profit sharing contribution. The Employer safe harbor matching contribution matches 100% of participant contributions up to 3% of compensation plus 50% of participant contributions that exceed 3% of compensation, but do not exceed 5% of compensation. The Employer did not make a nonelective profit sharing contribution during the years ended December 31, 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's salary deferrals and Roth contributions, rollover contributions, the Employer's contribution and an allocation of the Plan's earnings (losses) and are charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined by the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in salary deferrals and Roth contributions, rollover contributions, and Employer safe harbor matching contributions, plus actual earnings thereon. Participants vest in the Employer profit sharing contributions 20% each year after year two, becoming 100% vested after six years. Participants also become 100% vested upon death or becoming disabled.

Forfeited Accounts

Forfeitures may be used to reduce Employer contributions. During 2023 or 2022, no forfeitures were used to reduce Employer contributions. At December 31, 2023 or 2022, there were no forfeited nonvested accounts.

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. Loans are for a period not exceeding five years unless used to acquire a personal residence and bear interest at a reasonable fixed rate of interest based on prevailing market rates. Loans are secured by participants' vested account balances. The loans are repaid in semi-monthly payments, through payroll withholdings, including principal and interest at rates ranging from 4.25% to 9.50%. The final installments are due on various dates through November 2028. Participants may only have one outstanding loan at a time.

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements *(Continued)*

Payment Of Benefits

Upon termination of service due to death, disability, retirement or other termination of employment, a participant's benefit can be distributed in a lump sum, or in substantially equal monthly, quarterly, semi-annual, annual or other installments over a period not to exceed certain life expectancies, as defined. Certain distributions of accounts less than \$1,000 are limited to a lump sum form of distribution. In-service withdrawals are allowed for any reason upon reaching age 59½ or normal retirement age.

Administrative Expenses

The Plan pays certain expenses, including third party administrator fees. All other expenses are paid by the Employer.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions Receivable And Credit Loss Policy

As of January 1, 2023, the Plan adopted Accounting Standards Codification Topic 326, *Financial Instruments – Credit Losses*, using a modified-retrospective approach. The standard replaces the previous incurred loss model and requires entities to record an estimate of expected losses on financial assets for the remaining estimated life of the asset. This estimate must include consideration of historical experience, current conditions and reasonable and supportable forecasts. The standard applies to the Plan's Employer contributions receivable and Employer QNEC receivable. The adoption did not have a material impact on these financial statements.

The Plan Sponsor has concluded that no allowance for current expected credit losses was necessary at December 31, 2023 and no allowance for doubtful accounts was necessary at December 31, 2022.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Financial Information

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and schedule of assets held that were prepared by or derived from information certified by Ascensus Trust Company, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Ascensus Trust Company that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and schedule of assets held related to the following assets as of December 31:

	<u>2023</u>	<u>2022</u>
Common/collective trust	\$ 105,287	\$ 61,204
Mutual funds	3,836,567	2,923,314
Notes receivable from participants	32,331	9,672

Ascensus Trust Company also certified to the completeness and accuracy related the following investment income (loss) and interest income on notes receivable from participants for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Interest and dividend income	\$ 71,910	\$ 53,059
Net change in fair value of investments	538,515	(616,441)
Interest income on notes receivable from participants	918	406

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements *(Continued)*

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust

Valued at the NAV of units of the individual fund. The NAV, as provided by the trustee of the invested fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The common/collective trust held by the Plan is redeemable daily, has no unfunded capital commitments, and files an annual report on Form 5500 as a direct filing entity.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements *(Continued)*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,836,567	\$ —	\$ —	\$ 3,836,567
Total assets in the fair value heirarchy	\$ 3,836,567	\$ —	\$ —	3,836,567
Common/collective trust measured at net asset value {a}				105,287
Total Assets At Fair Value				\$ 3,941,854

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,923,314	\$ —	\$ —	\$ 2,923,314
Total assets in the fair value heirarchy	\$ 2,923,314	\$ —	\$ —	2,923,314
Common/collective trust measured at net asset value {a}				61,204
Total Assets At Fair Value				\$ 2,984,518

{a} Certain investments that are measured at fair value using the net asset value per share/unit (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

5. Plan Termination

The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements *(Continued)*

6. Income Tax Status

Effective April 15, 2021, the Plan was restated and adopted a non-standardized pre-approved plan document sponsored by Ascensus LLC, which received a favorable opinion letter dated June 30, 2020, in which the IRS stated that the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

During 2023, the Plan Sponsor identified certain operational failures with respect to the Plan, specifically related to the Plan's definition of compensation and the calculation of employee contributions to the Plan. The Plan Sponsor plans to correct the operational failures under the IRS Employee Plans Compliance Resolution System. The Plan Sponsor has accrued the necessary corrections as of December 31, 2023 and 2022, and the amounts due to the Plan have been reflected as an Employer QNEC receivable in the statement of net assets available for benefits. The Plan Sponsor believes that the Plan has been designed to comply with the requirement of the IRC and has indicated that it will continue to take the necessary steps to bring the Plan's operations into compliance with the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Transactions With Parties In Interest

Plan investments are managed by an affiliate of Plan's recordkeeper, The Vanguard Group, Inc. (Vanguard). Vanguard has retained Ascensus, Inc. as a subcontractor to provide certain services under the record-keeping agreement on behalf of Vanguard, and, therefore, these transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules of ERISA.

COMPANION PROTECT LLC 401(K) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements *(Continued)*

Certain employees have outstanding loans with the Plan as of December 31, 2023 and 2022. These loans are considered party in interest transactions allowable under ERISA.

8. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

9. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2023	2022
Net assets available for benefits per the financial statements	\$ 4,157,758	\$ 3,183,240
