INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Participants
The Muncy Bank & Trust Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Muncy Bank & Trust Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of October 31, 2024, and December 31, 2023; the related statement of changes in net assets available for benefits (in liquidation) for the ten months ended October 31, 2024; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of October 31, 2024, and December 31, 2023, and for the ten months ended October 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Opinion (Continued)**

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis

As discussed in Note 5 to the financial statements, the Board of Directors of Muncy Bank Financial, Inc., the holding company for the Plan sponsor, voted on October 17, 2023, to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan presented the financial statements on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

THE MUNCY BANK & TRUST COMPANY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (IN LIQUIDATION)
OCTOBER 31, 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Muncy Bank & Trust Company 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General: The Plan is a self-directed, defined contribution salary deferral 401(k) plan, in which employees of The Muncy Bank & Trust Company, (the “Company”) will become eligible to participate upon reaching 18 years of age and the completion of six months of service, with the entry date for elective deferrals being the first day of each calendar month. The Plan includes a 401(k) before-tax savings feature, which permits participants to defer compensation under Section 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management is responsible for oversight of the Plan, which determines the Plan’s valuation policies, utilizing information provided by investment advisors, custodians, and insurance companies.

Merger and Plan Termination: Muncy Bank Financial, Inc., the holding company for the Bank, entered into an agreement and plan of merger dated April 17, 2023, with CCFNB Bancorp, Inc. (the “Merger”). In connection with the Merger, CCFNB changed its name to Muncy Columbia Financial Corporation. The Merger closed on November 11, 2023. At the effective time of the merger, Muncy Bank Financial, Inc. shareholders received a fixed exchange ratio of 0.9259 shares of Muncy Columbia Financial Corporation common stock for each Muncy Bank Financial, Inc. they owned. On October 17, 2023, the Board approved the termination of the Plan. The effective date of the plan termination was November 10, 2023. Additional details are included in Note 5.

Contributions: Plan participants may contribute a portion of their annual eligible compensation to the Plan. The Plan allows participants to contribute a percentage of their wages, up to the maximum allowed by law. Participants may change their deferral at any time. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Company makes a safe harbor matching contribution of an amount equal to 100 percent of the participant’s matched employee contributions that are not in excess of 6 percent of the participant’s compensation. Participants become eligible for the matching contribution upon the completion of six months of service, with the entry date being the first day of each calendar month. Additionally, a profit-sharing contribution may be made at the end of the plan year based on management or the board discretion. There were no profit-sharing contributions for the ten months ended October 31, 2024. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts: Each participant’s account is credited with the participant’s own contribution, an allocation of the Company’s contribution, and an allocation of the investment earnings or loss for the funds in which the participant chooses to invest. Allocations are based on participant earnings, deferrals, and account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the balance of the participant’s vested account.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately 100 percent vested in their employee deferral contributions and the employer matching contributions and any investment earnings or loss on such contributions. Any employer profit sharing contributions made by the Company to the Plan on behalf of the participants are fully vested after completion of six years of service, with prorated vesting percentages prior to then. A year of service is defined as 1,000 hours of service during the Plan year. Effective November 10, 2023, participants became 100 percent vested in employer profit sharing contributions as a result of the plan termination.

Forfeitures: Forfeitures of employer matching contributions are used to offset future employer matching contributions and to pay Plan expenses. As of October 31, 2024 and December 31, 2023, there were no unallocated forfeitures.

Payments of Benefits: Distributions pursuant to the Plan termination will be paid at the participants' election by a single cash payment either (i) directly to the participant, subject to mandatory federal and state tax withholdings, or (ii) as a direct rollover by the Plan's trustee into another eligible retirement account or an IRA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: Due to the decision to terminate the Plan during 2023, the Plan's financial statements as of October 31, 2024 and December 31, 2023, and for the ten months ended October 31, 2024, have been prepared on the liquidation basis of accounting, in accordance with GAAP.

The financial statements of the Plan have been prepared on a liquidation basis, in accordance with accounting principles generally accepted in the United States of America (US GAAP). This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable value of assets is reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value, and liabilities are stated at their anticipated settlement amounts.

Use of Estimates: The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable at October 31, 2024 or December 31, 2023.

Reclassification of Comparative Amounts Certain comparative amounts for the prior year have been reclassified to conform to current-year classifications. Such reclassifications had no effect on net assets or the changes in assets for the period.

NOTE 3 – INCOME TAX STATUS

The Plan adopted a Volume Submitter Plan Document, and the plan is not a prototype. The Plan received a determination letter from the IRS, dated June 30, 2020, that the Plan is acceptable under section 401 of the IRC. The Plan was designed and is being operated in compliance with the applicable requirements of the IRC; therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 4 – INVESTMENTS

The Plan Administrator has obtained certification from the trustee, Hand Benefits and Trust Company, that information provided to the Plan Administrator by the trustee related to the Plan's investments is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements related to the investments.

The trustee also certified to the completeness and accuracy of \$688 of net appreciation in fair value of investments (including investments bought, sold, as well as held during the year) and \$12,967 of interest and dividends related to the aforementioned investments for the ten months ended October 31, 2024.

NOTE 5 – PLAN TERMINATION

On October 17, 2023, the Board approved the termination of the Plan. As a result, management determined that liquidation was imminent. The effective date of the plan termination was November 10, 2023. Participants became 100% vested in their accounts upon termination of the Plan.

NOTE 5 – PLAN TERMINATION (Continued)

In October 2023, a Notice of Plan Termination was distributed to Plan participants. The Notice of Plan Termination provided Plan participants or beneficiaries with their available options to receive their vested account balances. As a result of the resolution to terminate the Plan, each participant with an account balance under the Plan had the option to receive his or her account balance distributed in a single cash payment either (i) directly to the participant, subject to mandatory federal and state tax withholdings, or (ii) as a direct rollover by the Plan's trustee into another eligible retirement account or an IRA. In the event the participant did not provide an election by February 9, 2024, the vested account balance was rolled over directly to an IRA on behalf of the participant established by the Plan Sponsor, or if the balance was less than \$200 paid as a direct taxable distribution to the participant.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. During the ten months ended October 31, 2024, certain expenses of maintaining the Plan were paid by the Plan, which amounted to \$5,704. Certain other fees related to accounting and administrative expenses of the Plan were paid on the Plan's behalf by the Company and amounted to \$15,658 for the ten months ended October 31, 2024.

In addition, at December 31, 2023, the Plan held 33,055 shares of Muncy Columbia Financial Corporation common stock with an estimated fair value of \$1,173,452. Dividends paid on Muncy Columbia Financial Corporation common stock were \$11,646 for the ten months ended October 31, 2024.

NOTE 7 – FAIR VALUE MEASUREMENTS

The following disclosures show the hierarchal disclosure framework associated with the level of pricing observations utilized in measuring assets and liabilities at fair value. The three broad levels defined by U.S. generally accepted accounting principles are as follows:

- Level I: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level II: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 7 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodology at October 31, 2024 or December 31, 2023. There were no investments held by the Plan at October 31, 2024.

Mutual Funds

Mutual funds are valued at the daily closing price, as reported by the Fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and include bonds, equities, and balanced funds.

Common Stock

Common stock includes employer stock valued at the daily closing price.

Common/Collective Funds

The common/collective funds, are valued at the NAV of shares held by the Plan at year-end, adjusted for any cash held for liquidity purposes and any fees imposed by the fund and are, therefore, excluded from the fair value hierarchy. The net asset value per unit is determined by dividing the net assets by the number of units outstanding on the day of valuation. In accordance with the terms of the Plan of Trust, the net asset value of the fund is determined daily. Units are issued and redeemed daily, at the daily net asset value. Also, the net investment income and realized and unrealized gains on investments are not distributed.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient are not required to be categorized in the fair value hierarchy tables. The total fair value of these investments is included in the tables below, to permit reconciliation of the fair value hierarchy to amounts presented in the Statement of Net Assets Available for Benefits.

NOTE 7 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth, by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023:

	December 31, 2023			
	Level I	Level II	Level III	Total
Mutual funds	\$ 4,035,873	\$ -	\$ -	\$ 4,035,873
Common stock	1,173,452	-	-	1,173,452
Cash equivalents	127,007	-	-	127,007
Common/collective funds measured using NAV (a)	-	-	-	297,645
Total assets at fair value	\$ 5,336,332	\$ -	\$ -	\$ 5,633,977

(a) Investments that were measured at net asset value per share (or its equivalent as a practical expedient) have not been classified in the fair value hierarchy. These amounts are being presented in the tables above to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023:

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Common/collective funds	\$ 297,645	N/A	Daily	(a)

(a) Participants may redeem units of the Fund for general purposes daily and without any restrictions on the timing of the redemption. There are no unfunded commitments associated with these investments. Participants may make withdrawals from the Fund for other purposes with, generally, only 12 months’ advance written notice to the trustee.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, including mutual funds, common/collective funds, participant directed brokerage accounts, and insurance contracts. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
