(1) Name: **YSR CPA GROUP P.C.**

(2) EIN: **82-1853384**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Howard Energy Tax Deferred Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Howard Energy Tax Deferred Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Howard Energy Tax Deferred Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Howard Energy Tax Deferred Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Howard Energy Tax Deferred Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Howard Energy Tax Deferred Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Howard Energy Tax Deferred Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOWARD ENERGY TAX DEFERRED SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Howard Energy Tax Deferred Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan's date of inception was January 1, 1987. The Plan is a defined contribution plan covering all eligible employees of the Howard Energy Co., Inc. and other participating employers (collectively, "Company"). Eligible employees have completed three months of service and are 21 years of age or older. It is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated January 1, 2014.

Contributions

Employee Contributions:

The Plan provides for an automatic election to have elective deferral contributions. The automatic elective deferral contributions are pre-tax elective deferral contributions and 4% of compensation. The automatic elective deferral contribution is automatically increased on or after each first day of the Plan year by 1% up to a maximum automatic elective deferral contribution of 10%. Participants may affirmatively elect a different percentage up to an annual maximum as determined by the Internal Revenue Code or elect not to make elective deferral contributions. Participants direct the investment of their contributions and their share of the Company's matching contributions into various investment options offered by the Plan.

Matching Contributions:

The Company matches each participant's contribution in an amount equal to 50% of the elective deferral contributions up to 4% of the participant's eligible compensation. Participants are eligible for a matching contribution if employed on December 31 of the Plan year. The Company may also elect to make discretionary contributions to the Plan at any time. No discretionary contributions were made during the years ended December 31, 2024 and 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, Plan earnings and charged with an allocation of administrative expenses. Allocations are made by the Plan Administrator in a manner which recognizes each participant's account balance, investment selection and timing of contributions and withdrawals. The benefit a participant is entitled to is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions and their share of the Company's matching contributions into any of a variety of investment options held by Principal Financial Group.

Vesting

Participants are fully vested in their contributions, safe harbor employer contributions, rollover contributions match or discretionary contributions and all earnings thereon.

Forfeitures

Forfeitures may be used to pay administrative expenses or to reduce Employer Contributions (other than Elective Deferral Contributions).

See accompanying independent auditors' report.

HOWARD ENERGY TAX DEFERRED SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2024 and 2023

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

A participant may borrow from their account up to a maximum of the lesser of (i) 50% of their vested account balance or (ii) \$50,000 less the highest outstanding loan balance, if any, during the prior year. Participant loans are secured by the participant's vested account balance and bear interest at prevailing rates on the date of the loan. At any given time, the number of outstanding loans is limited to one. A participant may have no more than two loans approved in any 12-month period. Interest rate was 7% on an outstanding loan as of December 31, 2024. There was a balance of \$50,415 and \$2,277 for the years ended December 31, 2024 and 2023, respectively.

Payment of Benefits

The Plan allows for participants to make withdrawals from the Plan upon reaching age of 59 1/2 or in the case of serious financial hardship, as approved by the administrator. Additionally, the value of participants' contributions and the value of all vested Company contributions are payable to participants or their designated beneficiaries upon death, disability, retirement or upon termination of employment with the Company. If the participant is an active employee at the time of his/her death or disability, the account balance will automatically become 100% vested. At the participant's election, payment may be made in cash as a single lump sum or in installments.

On termination of service due to death, disability or retirement, or for termination of service due to other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or may elect to direct or partially direct transfer to an individual retirement account (IRA), an individual retirement annuity, or another qualified plan.

Administrative Expenses

Certain contract administration fees and Plan expenses are deducted from participant accounts or investment income. The remainder of any Plan expenses are paid by the Company.

Allowance for Credit Losses

No allowance for credit losses has been provided since management has determined that the expected credit loss is not material at the statement of net assets available for benefits date.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), except for benefits paid to participants, which are recorded when paid.

Managements' Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, as well as disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

See accompanying independent auditors' report.

HOWARD ENERGY TAX DEFERRED SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2024 and 2023

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See note 4 for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan's administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE 3. INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY AND TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Principal Life Insurance Company, and Principal Life Insurance Company on behalf of Principal Global Investors Trust Company, Trustee of the Principal Stable Value Fund, have certified as being complete and accurate the investments on the statement of net assets available for benefits as of and for the years ended December 31, 2024 and 2023, and the investment activity reflected in the statement of changes in net assets available for benefits and the investment information included in the supplemental schedule for the year ended December 31, 2024.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC 820), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and is measured according to a hierarchy that includes: "Level 1" inputs, such as quoted prices in an active market for identical assets or liabilities; "Level 2" inputs, which are observable inputs for similar assets; or "Level 3" inputs, which are unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There has been no changes in the methodologies used at December 31, 2024 and 2023 for mutual funds.

Mutual funds: Share Prices/Net Asset Values (NAVs) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC). Mutual funds are reported as a level 1 asset.

See accompanying independent auditors' report.

HOWARD ENERGY TAX DEFERRED SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

Pooled separate accounts: pooled separate account ("PSA") invests in a single mutual fund. The fair value of the mutual fund is a publicly quoted pricing input used in determining the net asset value ("NAV") of the pooled separate account, which is not publicly quoted but is available to current investors via the Employer website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. This investment has a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with GAAP for investment companies. The fair value of the underlying mutual fund is based on third-party pricing vendors and utilize observable market information. Because it is valued similarly to mutual funds, PSAs are reported as a level 1 asset. PSAs typically can be redeemed on a daily basis. Unfunded commitments typically are found in private equity funds and therefore are not applicable to PSAs.

Principal Stable Value Fund: stable value collective investment trust ("CIT") is valued at the NAV of shares held which is based on the value of the underlying assets of the trust. Investments held by a CIT are required to be reported at fair value, however, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plans. The NAV of the CIT is not publicly quoted but is available to current investors via the Employer website or when plan participants access their account values. The NAV is the basis for current transactions and the CIT can be redeemed at NAV as of the measurement date. This investment has a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with GAAP for investment companies. Because it is valued similarly to mutual funds, the CIT is reported as a level 1 asset.

As of December 31, 2024 and 2023, the Plan's investments in common/collective trusts have no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments may result in a different fair value measurement as of the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2024 and 2023

NOTE 5. TRANSACTIONS WITH RELATED PARTIES AND PARTIES-IN-INTEREST

As of December 31, 2024 and 2023, the Company was the Plan Sponsor, and Principal Financial Group was the custodian and record-keeper as defined in the Plan document and, therefore, these transactions qualify as allowable party-in-interest transactions. Participant loans also qualify as exempt party-in-interest transactions.

Additionally, the Plan Sponsor is a party-in-interest to the Plan; however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

NOTE 6. ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7. TAX STATUS

The Plan obtained its latest determination letter on December 29, 2010, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate certain tax positions taken by the plan and recognize a tax liability (asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax period in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2020.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

The Plan invests through mutual funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

For the Years Ended December 31, 2024 and 2023

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10. SUBSEQUENT EVENTS

The Plan was amended effective on January 24, 2025. The Plan changed its name to Intelliguard Health 401(k) Plan. The Plan changed Trustees from Principal Financial Group to Empower Trust Company, LLC.

The Plan has evaluated subsequent events through May 27, 2025, the date which the financial statements were available to be issued.
