Plan Administrator and Management of
Houston SPCA

We are pleased to present the results of our audit of the 2023 financial statements of the 403(b) Thrift Plan of Houston SPCA (the Plan).

This report to the Plan Administrator and Management summarizes our audit, the report issued and various analyses and observations related to the Plan's accounting and reporting. The document also contains the communications required by our professional standards.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). We considered the Plan's current and emerging business needs, along with an assessment of risks that could materially affect the financial statements, and aligned our audit procedures accordingly. We conducted the audit with the objectivity and independence that you, the Plan Administrator and Management, expect. We received the full support and assistance of the Plan's personnel.

We encourage you to provide any feedback you believe is appropriate to ensure that we do not overlook a single detail as it relates to the quality of our services.

This report is intended solely for the information and use of the Plan Administrator, Management, and others within the Plan, and should not be used by anyone other than these specified parties.

We appreciate this opportunity to work with you. If you have any questions or comments, please contact me at 832-333-7509 or jortiz@cricpa.com.

Required Communications

As discussed with the Plan Administrator and Management during our planning process, our audit plan represented an approach responsive to the assessment of risk for the Plan. Specifically, we planned and performed our audit to:

- Perform ERISA Section 103(a)(3)(C) audit, as deemed permissible by the Plan Administrator and permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, in accordance with U.S. generally accepted auditing standards, in order to express an opinion on the Plan's financial statements for the year ended December 31, 2023;
- Communicate directly with the Plan Administrator and Management regarding the results of our procedures;
- Address with the Plan Administrator, and Management any accounting and financial reporting issues;
- Anticipate and respond to concerns of the Plan Administrator and Management; and
- Other audit-related projects as they arise and upon request.

Required Communications

We have audited the financial statements of the Plan for the year ended December 31, 2023, and have issued our report thereon dated October 3, 2024. Professional standards require that we provide you with the following information related to our audit:

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Auditor's responsibility under Generally Accepted Auditing Standards	As stated in our engagement letter dated July 22, 2024, and as described below, we conduct our audit in accordance with GAAS. You have determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information described in Note 3), by a qualifying institution, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the internal control of the Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Client's responsibility	Management, with oversight from those charged with governance, is responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the Plan's financial statements of net assets available for benefits and statement of changes in net assets available for benefits in conformity with the applicable framework. Management is responsible for the design and implementation of programs and controls to prevent and detect fraud. Management is responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. Management is responsible for overseeing nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.
Planned scope and timing of the audit	Our initial audit plan was not significantly altered during our fieldwork.
Management judgments and accounting estimates <i>The process used by management in forming particularly sensitive accounting estimates and the basis for the auditor's conclusion regarding the reasonableness of those estimates.</i>	Please see the following section titled "Accounting Policies, Judgments and Sensitive Estimates and CRI Comments on Quality."
Potential effect on the financial statements of any significant risks and exposures <i>Major risks and exposures facing the Plan and how they are disclosed.</i>	No such risks or exposures were noted that had an effect on the financial statements.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Significant accounting policies, including critical accounting policies and alternative treatments within generally accepted accounting principles and the auditor's judgment about the quality of accounting principles <i>The initial selection of and changes in significant accounting policies or their application; methods used to account for significant unusual transactions; and effect of significant policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</i> <i>The auditor should also discuss the auditor's judgment about the quality, not just the acceptability, of the Plan's accounting policies as applied in its financial reporting. The discussion should include such matters as consistency of accounting policies and their application, and clarity and completeness of the financial statements, including disclosures. Critical accounting policies and practices applied by the Plan in its financial statements and our assessment of management's disclosures regarding such policies and practices (including any significant modifications to such disclosures proposed by us but rejected by management), the reasons why certain policies and practices are or are not considered critical, and how current and anticipated future events impact those determinations;</i> <i>Alternative treatments within GAAP for accounting policies and practices related to material items, including recognition, measurement, presentation and disclosure alternatives, that have been discussed with client management during the current audit period, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditor; Furthermore, if the accounting policy selected by management is not the policy preferred by us, discuss the reasons why management selected that policy, the policy preferred by us, and the reason we preferred the other policy.</i>	Significant accounting policies are described in Note 2 to the Plan's financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the Plan's financial statements in the proper period. Certain Plan financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the Plan's financial statements was: The disclosure of fair value measurements of investments in Note 4 to the financial statements. The Plan's financial statement disclosures are neutral, consistent, and clear.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Significant difficulties encountered in the audit <i>Any significant difficulties, for example, unreasonable logistical constraints or lack of cooperation by management.</i>	We encountered no significant difficulties in dealing with management in performing and completing our audit.
Disagreements with management <i>Disagreements, whether or not subsequently resolved, about matters significant to the financial accounting, reporting, or auditing matter, that could be significant to the financial statements or the auditor's report. This does not include those that came about based on incomplete facts or preliminary information.</i>	We are pleased to report that no such disagreements arose during the course of our audit.
Other findings or issues <i>Matters significant to oversight of the financial reporting practices by those charged with governance including any circumstances that could affect the form or content of the report. For example, an entity's failure to obtain the necessary type of audit, such as one under Government Auditing Standards, in addition to GAAS.</i>	None.
Matters arising from the audit that were discussed with, or the subject of correspondence with, management <i>Business conditions that might affect risk or discussions regarding accounting practices or application of auditing standards.</i>	None.
Corrected and uncorrected misstatements <i>All significant audit adjustments arising from the audit, whether or not recorded by the Plan, that could individually or in the aggregate have a significant effect on the financial statements. We should also inform the Committee about uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented, that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Any internal control deficiencies that could have prevented the misstatements.</i>	See "Summary of Audit Adjustments" section.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Major issues discussed with management prior to retention <i>Any major accounting, auditing or reporting issues discussed with management in connection with our initial or recurring retention.</i>	Discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
Consultations with other accountants <i>When management has consulted with other accountants about significant accounting or auditing matters.</i>	To our knowledge, there were no such consultations with other accountants.
Written representations <i>A description of the written representations the auditor requested (or a copy of the representation letter).</i>	See "Management Representation Letter" section.
Internal control deficiencies and Reportable Findings <i>Any significant deficiencies or material weaknesses in the design or operation of internal control that came to the auditor's attention during the audit.</i> <i>A reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations (2) a finding that in our professional judgement is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.</i>	See "Internal Control & Reportable Findings" section.
Fraud and illegal acts <i>Fraud involving senior management, the Plan Administrator or those responsible for internal controls, or causing a material misstatement of the financial statements, where the auditor determines there is evidence that such fraud may exist. Any illegal acts coming to the auditor's attention involving senior management and any other illegal acts, unless clearly inconsequential.</i>	We are unaware of any fraud or illegal acts involving management or causing material misstatement of the Plan's financial statements.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Parties in interest and prohibited transactions <i>Any parties in interest in the plan, prohibited transactions as defined by ERISA, and other reportable transactions.</i>	No prohibited transactions were noted. Transactions with parties-in-interest were properly disclosed in the notes to the Plan's financial statements.
Form 5500 Procedures <i>The external auditor's requirement to obtain and read a substantially complete draft of the Form 5500 prior to dating of the auditor's report. The purpose is to identify any material inconsistencies between the draft 5500 and the Plan's financial statements.</i>	We identified no material Form 5500 inconsistencies in performing and completing our audit except as disclosed in the financial statements.
Other information in documents containing audited financial statements <i>The external auditor's responsibility for information in a document containing audited financial statements, as well as any procedures performed and the results.</i>	Our responsibility related to documents (including annual reports, websites, etc.) containing the financial statements is to read the other information to consider whether: • Such information is materially inconsistent with the financial statements; and • We believe such information represents a material misstatement of fact. We have not been provided any such items to date and are unaware of any other documents that contain the audited financial statements. The Form 5500 will be considered upon completion by the third party administrator to determine if there are any exceptions noted related to the considerations above.
Significant unusual accounting transactions <i>Auditor communication with governance to include auditor's views on policies and practices management used, as well as the auditor's understanding of the business purpose.</i>	No significant unusual accounting transactions were noted during the year.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
ERISA Required Supplementary Information in relation to the financial statements as a whole <i>The auditor's responsibility for supplementary information accompanying the financial statements, as well as any procedures performed and the results.</i>	Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accounting Policies, Judgments and Sensitive Estimates & CRI Comments on Quality

We are required to communicate our judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. Accounting estimates are an integral part of the Plan's financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Plan's financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The Committee may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	AUDITOR'S CONCLUSIONS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Investments	The Plan follows the provisions of Accounting Standards Codification (ASC) 820, <i>Fair Value Measurements</i> , when reporting investments.	X	The Plan relies on valuations from the qualified institution for 100% of the asset values. The allocation between Levels 1-3 under ASC 820 is based on management's review of the underlying investments.	Based on the ERISA Section 103(a)(3)(C) procedures we performed with respect to the Plan's investments, we noted that it appears the Plan accounts for investments in accordance with GAAP and all applicable standards and guidelines of ERISA.

Summary of Audit Adjustments

During the course of our audit, we accumulate differences between amounts recorded by the Plan and amounts that we believe are required to be recorded under GAAP reporting guidelines. Those adjustments are either recorded (corrected) by the Plan or passed (uncorrected). Uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even if, in the auditor's judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

There were no adjustments, either corrected or uncorrected, as a result of our audit procedures.

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in net assets or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Plan's operating environment that has been identified as playing a significant role in the Plan's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference involves concealment of an unlawful transaction.
- Whether the difference involves concealment of a prohibited transaction, or transaction with a party in interest, as defined by ERISA.
