Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **PLANTE & MORAN PLLC**

(2) EIN: **33-1498605**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X

Independent Auditor's Report

To the Plan Administrator
Galion Community Hospital Employees'
Retirement Plan

Opinion

We have audited the financial statements of Galion Community Hospital Employees' Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets in liquidation as of August 2, 2024 and the related statement of changes in net assets in liquidation for the period from January 1, 2024 to August 2, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets of the Plan as of August 2, 2024 and the changes in net assets for the period from January 1, 2024 to August 2, 2024 on the liquidation basis of accounting described in Note 3.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

As discussed in Note 3 to the financial statements, the plan sponsor terminated the Plan effective March 6, 2023 and management determined that liquidation was imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis of accounting when presenting the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

To the Plan Administrator
Galion Community Hospital Employees'
Retirement Plan

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of reportable transactions (in liquidation) for the period ended August 2, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator
Galion Community Hospital Employees'
Retirement Plan

Other Matter - Auditor's Report on the 2023 Financial Statements

We performed an audit of the 2023 financial statements of Galion Community Hospital Employees' Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. In our report dated October 7, 2024, we indicated that, in our opinion, (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Galion Community Hospital Employees' Retirement Plan

Notes to in Liquidation Financial Statements

August 2, 2024 and December 31, 2023

Note 1 - Plan Description

The following description of Galion Community Hospital Employees' Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined benefit plan covering all eligible employees of Galion Community Hospital (the "Hospital"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was terminated effective March 6, 2023. Accordingly, the descriptions below are provisions of the Plan prior to termination. See Note 3 for additional information.

Employees become participants in the Plan following completion of one year of service in which they worked at least 1,000 hours and are at least 21 years old. Employees are fully vested for normal retirement benefits after five years of service.

Pension Benefits

Employees are entitled to monthly pension benefits beginning at the participant's normal retirement age (age 65 under the provisions of the Plan). Monthly retirement benefits are computed by multiplying the years of service by a rate specified by the Plan. The specified rate is based on a percentage of average monthly compensation and Social Security income subject to a minimum monthly benefit of \$16 per year of service as of August 2, 2024 and December 31, 2023.

Employees electing to participate in the contributory supplemental pension benefit option of the Plan are eligible for additional monthly retirement benefits. These benefits are determined by application of a benefit ratio to a participant's total contribution for supplemental pension benefits.

Retirement benefits are also provided to employees with 15 years of service who have become fully disabled. Spouses of employees are provided benefits should an employee with 5 years or more of service die. Retirees may elect reduced monthly benefits to provide for continuing benefits to a surviving spouse.

As of January 1, 2010, the Plan was frozen; consequently, additional participants, benefit services, and benefit accruals will no longer continue under the Plan.

Funding and Contributions

Contributions are made by the Hospital in actuarially determined amounts. The Hospital's policy is to make contributions necessary to satisfy ERISA funding standards. The Plan has met the minimum plan-sponsor funding requirements of ERISA for the period ended August 2, 2024 and the year ended December 31, 2023.

Employees who meet the eligibility requirements and elect to participate in the supplemental pension benefit may contribute up to 5 percent of their gross earnings on a pretax basis. Employees electing to participate in the supplemental pension benefit are fully vested in their contributions. Effective January 1, 2010, the plan sponsor froze employee contributions for participants in the Plan. No further employee contributions have been made to the Plan subsequent to this date. The total accumulated contributions and interest for all participants (at various rates) are \$0 and \$475,584 as of August 2, 2024 and December 31, 2023, respectively.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation

The Plan's investments are stated at fair value based on quoted market prices. See Note 7 for additional information.

Administrative Expenses

The Plan reimburses Galion Community Hospital for various administrative expenses that the Hospital pays on the Plan's behalf. There are also administrative expenses absorbed by the Hospital.

Benefit Payments

Benefits are recorded when paid.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments that are attributable, under the Plan's provisions, to the service that employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. The present value of accumulated plan benefits is actuarially determined and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment due to death, disability, or retirement between the valuation date and the expected date of payment.

Actuarial Assumptions

The significant actuarial assumptions used in the valuation of the Plan at December 31, 2023 are summarized as follows:

Actuarial valuation basis	Accrued benefit (union credit)
Valuation interest rate	4.39 percent
Mortality basis	Pri 2012 Total Data Set Mortality MP-2021
Retirement age	After five years of service, it is assumed participants will retire at the following rate:

<u>Attained Age</u>	<u>Rate</u>
55-59	2.00 %
60	10.00 %
61-63	15.00 %
64	40.00 %
65	100.00 %

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Contributions to the Plan and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, demographics, and other actuarial assumptions. Due to the changing nature of these assumptions, it is at least reasonably possible that changes in these assumptions will occur in the near term and, due to the uncertainties inherent in setting assumptions, that the effect of such changes could be material to the financial statements. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including May 27, 2025, which is the date the financial statements were available to be issued.

Note 3 - Termination - Liquidation Basis

Effective March 6, 2023, the plan sponsor elected to terminate the Plan. The Plan adopted the liquidation basis of accounting in fiscal year 2023 and continued reporting under liquidation basis of accounting through 2024. Under the liquidation basis of accounting, assets are recorded at the amount expected to be collected, and liabilities are recorded at amounts expected to be paid during the course of liquidation.

Liquidation of assets occurred through distributions to participants, and the purchase of an annuity contract occurred in May 2024, with full liquidation occurring on August 2, 2024.

In March 2024, the Plan executed an annuity purchase with an insurance company for approximately \$9.5 million to assume the benefit obligation for covered participants.

In July 2024, as part of the termination and per the plan document, excess plan assets of approximately \$1.2 million were reverted back to the plan sponsor, which has been accrued as a liability as of December 31, 2023 under the liquidation basis of accounting.

Full liquidation of assets occurred on August 2, 2024. The Plan's termination was approved by the Internal Revenue Service on April 29, 2025.

Note 4 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 5 - Accumulated Plan Benefits

The actuarial present value of accumulated plan benefits is determined by consulting actuary McCready & Keene, Inc. The most recent calculations of the estimated present value of accumulated plan benefits attributable to participants in the Plan, which was made as of and for the year ended December 31, 2023, are as follows:

Actuarial present value of accumulated plan benefits - Vested benefits:	
Participants currently receiving benefit payments	\$ 9,112,120
Other vested participants	942,001
	<hr/>
Total actuarial present value of accumulated plan benefits	\$ 10,054,121
	<hr/> <hr/>

August 2, 2024 and December 31, 2023

Note 5 - Accumulated Plan Benefits (Continued)

A summary of significant changes in the actuarial present value of accumulated plan benefits during the year ended December 31, 2023 is as follows:

Actuarial present value of accumulated plan benefits - Beginning of year	\$ 23,515,422
Increase (decrease) during the year attributable to:	
Interest due to the decrease in the discount period	736,033
Actuarial gain	(3,052,627)
Benefits paid	(9,923,334)
Changes in assumptions	<u>(1,221,373)</u>
Net decrease	<u>(13,461,301)</u>
Actuarial present value of accumulated plan benefits - End of year	<u>\$ 10,054,121</u>

The assumption change in 2023 of \$(1,221,373) was predominantly the result of a change in the effective interest rate from 3.13 percent to 4.39 percent.

For the period from January 1, 2024 through final liquidation of plan assets on August 2, 2024, the actuarial present value of the accumulated plan benefits increased by \$441,376 from interest due to the decrease in the discount period, decreased by \$9,965,389 from benefits paid to participants and the purchase of the annuity contract, and decreased by an additional \$530,108 from actuarial gains due to the change in the discount rate, which resulted in the Plan having an actuarial present value of accumulated plan benefits of \$0 at August 2, 2024.

Note 6 - Certified Information

Fifth Third Bank (the "Trustee") held the Plan's investments and executed all investment transactions prior to full liquidation of plan assets. The investment balances and related income and losses included in the accompanying financial statements as of and for the year ended December 31, 2023 are based solely on information certified by the Trustee.

Note 7 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value. Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Fair values determined by Level 2 inputs use other inputs that are observable either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The Plan had \$0 and \$11,077,338 invested in money market funds, which are considered Level 1 investments stated at fair value, at August 2, 2024 and December 31, 2023, respectively.
