Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditors' Report

To the Trustees of
GRM LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of GRM LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 and 2019 Financial Statements and 2020 Supplementary Information

Our report includes a reference to supplementary information which has been restated. The 2020 financial statements and the Statement of Net Assets Available for Benefits as of December 31, 2019 of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their reports dated October 15, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

As described in Note 7, a restatement was made to correct Schedule H Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2020. We audited the adjustments that were applied to restate the supplementary information. In our opinion, such adjustments are appropriate and have been properly applied. However, we were not engaged to audit, review, or apply any procedures to the supplementary information of any period before December 31, 2020, and accordingly, we do not express an opinion or any form of assurance on the supplementary information for those periods taken as a whole. In our opinion, the restated supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The following description of the GRM LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan's provisions.

General

Effective January 1, 2021, the Plan sponsor changed from Grenadier Realty Corp. to Grenadier Realty Management LLC and the name of the Plan was changed to GRM LLC 401(k) Profit Sharing Plan. The Plan is a defined contribution plan covering eligible employees of Grenadier Realty Management LLC, as well as Coney Island Site 4C 18 24 Houses Inc., Buena Vista Associates LP, Roosevelt Island Associates, Fairview Associates, Kennedy Boulevard Associates and Melrose Villa Hermosa HDFC (collectively the "Company"), which constitute related employers. Eligible employees are employees who have completed 500 hours of service or 6-months of service (as defined) and are age 21 or older and can enter the Plan the month following the completion of eligibility requirements.

The Plan allows for transfers of participant accounts to a comparable plan of a related entity when employees transfer to and from the Company.

The Plan is subject to the provisions of ERISA.

Contributions

Each year, participants may contribute up to 100 percent of their annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts and a common collective trust as investment options for participants. Effective January 1, 2005, the Plan adopted and utilized safe harbor provisions in which the Company contributes 3% of compensation to each eligible employee. The Company may also make discretionary profit sharing and/or matching contributions to eligible employees enrolled in the Plan.

Participants' Accounts

Contribution selections are designated by the participants. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings and are charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their 401(k) accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.25 percent, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator, and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to 20 years). Principal and interest is paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution which is a taxable event for the participant.

NOTE 1: PLAN DESCRIPTION (continued)

In response to the COVID-19 pandemic ("COVID-19"), on March 27, 2020, the U.S. Federal Government enacted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The Plan adopted certain provisions of the CARES Act which increased the maximum amount of Plan loans to \$100,000 or 100% of the participant's account balance and allowed loan repayments to be suspended for up to one year without causing the loan to become delinquent and go into default.

Vesting

Participants' contributed funds arising from salary reductions, employer contributions under safe harbor provisions and qualified nonelective employer contributions and the earnings thereon, are fully vested at all times. Vesting in the Company's matching contribution and profit sharing contribution, and earnings thereon, is vested based on years of service. A participant is 20% vested after two years of service and is vested in 20% increments each year thereafter and is 100% vested after six years of service.

Payment of Benefits

On termination of service due to death, disability or retirement, participants (or their beneficiaries in the event of death) may elect to receive an amount equal to the value of the participants' vested interest in their account as a lump sum amount. For termination of service due to other reasons, participants may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeited Accounts

Forfeited non-vested accounts totaled \$32,593, \$10,844 and \$14,409 as of December 31, 2021, 2020 and 2019, respectively. These accounts will be used to reduce future employer contributions. In 2021 and 2020, \$21,749 and \$3,565, respectively, were used to reduce employer contributions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") and under the accrual basis method of accounting.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts, of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

GRM LLC 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Recently Enacted Accounting Pronouncements

Effective for the Plan year ended December 31, 2020, the Plan adopted the guidance issued by the Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2018-13 Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement. This ASU eliminated and modified certain disclosure requirements for fair value as part of its disclosure framework project. This standard was effective for annual periods beginning after December 15, 2019, and was adopted as of January 1, 2020, and did not have a material impact on the Plan's financial statements.

NOTE 3: INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan Sponsor has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information, and the information contained in the supplemental schedule of assets (held at end of year), was certified as complete and accurate by John Hancock and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

	<u>2021</u>	<u>2020</u>	<u>2019</u>
Pooled Separate Accounts	\$8,550,177	\$9,145,927	\$9,963,563
Common Collective Trusts	\$2,924,348	\$4,048,724	\$4,279,469
Appreciation in fair value	\$1,184,469	\$ 870,365	

Notes receivable from participants of \$365,603, \$294,929 and \$24,277 as of December 31, 2021, 2020 and 2019, respectively, and interest income on notes receivable from participants of \$18,897 and \$19,619 for the years ended December 31, 2021 and 2020, have also been certified by John Hancock.

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, “Fair Value Measurements” provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021, 2020 and 2019.

Common Collective Trusts:

Common collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Pooled Separate Accounts:

Pooled separate accounts are valued at the net asset value (“NAV”) of shares of underlying investments held at year end as determined by the issuer of the fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

These investments that are measured at fair value using NAV practical expedient have not been classified in the fair value hierarchy. The NAV amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan holds no investments that meet the criteria to be classified as Level 1, Level 2 or Level 3 as of December 31, 2021, 2020 and 2019.

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

The objectives of various pooled separate accounts and common collective trust account are as follows:

Asset Allocation – Target Date – The Plan invests in the following target date funds from the BlackRock family of funds. They are: BlackRock LifePath Index Retirement Fund, BlackRock LifePath Index 2055, 2050, 2045, 2040, 2035, 2030, 2025, and Vanguard Target Retirement 2060, 2055, 2050, 2045, 2040, 2035, 2030, 2025, 2020, and 2015 Funds. The investment objective of these funds is to provide retirement outcomes based on quantitatively measured risk and to provide capital appreciation and current income consistent with its current asset allocation. The BlackRock LifePath Index Funds are composed of passively managed funds and are managed to help retain potential for growth, and aim to preserve the value of the assets at and after retirement. The funds allocate assets among equity, bond and money market funds based on its investment strategy. Allocations change over time according to a predetermined glide path as the fund approaches its target date, becoming more conservative prior to retirement, as time elapses.

Asset Allocation – Target Risk – The Plan invests in the following target risk funds from the John Hancock Managed Volatility family of funds. They are: JH Managed Volatility Growth Portfolio, JH Managed Volatility Moderate Portfolio, and JH Managed Volatility Conservative Portfolio. The investment objective of these funds is to seek long term growth of capital while seeking to both manage the volatility of return and limit the magnitude of portfolio losses.

Aggressive Growth – The Plan invests in the following aggressive growth funds with various investment objectives. The BlackRock Health Sciences Opportunities Fund, Blue Chip Growth Fund, EuroPacific Growth Fund, Hartford International Opportunities Fund, Janus Henderson Triton Fund, and Thrivent Mid Cap Stock Fund all seek to provide long term growth of capital. The Fidelity Real Estate Index Fund seeks to provide investment results that correspond to the total return of equity REITs and other real estate-related investments. The Harbor Small Cap Value Fund seeks to provide long-term total return. The MFS Mid Cap Growth Fund, Templeton Institutional Foreign Smaller Companies Fund, and Wells Fargo Special Mid Cap Value Fund seek long-term capital appreciation. The Science & Technology Fund seeks to provide long term growth of capital. Current income is incidental to the fund's objective. The TIAA-CREF Small-Cap Blend Index Fund seeks to provide long-term total returns, mainly through capital appreciation. The Vanguard Small Cap Growth Index Fund and Vanguard Small Cap Value Index Fund seek to track the performance of a benchmark index that measures the investment return of small-capitalization growth stocks.

Growth – The Plan invests in the following growth funds with various investment objectives. The 500 Index Fund and Total Stock Market Index Fund seek to achieve the approximate aggregate total return of a broad U.S. domestic equity market index. The DFA US Large Company Fund seeks to approximate the total investment return of the S&P 500 Index. The JPMorgan Equity Income Fund seeks to provide capital appreciation and current income.

Growth & Income – The Plan invests in the following growth and income funds with various investment objectives. The Capital Income Builder seeks a level of current income, a growing stream of income over years and a growth of capital. The Franklin Utilities Fund seeks to provide capital appreciation.

Income – The Plan invests in the following income funds with various investment objectives. The BlackRock High Yield Bond Fund seeks to maximize total return, consistent with income generation and prudent investment management. The Lord Abbett Bond Debenture Fund seeks to provide a high current income and long-term growth of capital.

Common Collective Trust – The primary investment objective of the Reliance MetLife Stable Value Fund is to preserve principal while generating earnings at rates, competitive over time with short-term high quality fixed income investments, while maintaining sufficient liquidity to provide participant-directed withdrawals at their proportionate share of contract value. There is no assurance that the fund will meet these objectives.

Notes to Financial Statements

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6: TAX STATUS

On March 31, 2014, the Internal Revenue Service (“IRS”) stated that the volume submitter adopted by the Plan, as then designed, qualifies under Internal Revenue Code (“IRC”) Section 401(a). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RESTATEMENT

The Supplemental Schedule H Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2020 has been restated to correct the reported status of delinquent contributions from “Contributions Corrected” to “Contributions not Corrected”. The restatement did not affect the financial statements.

During 2020, the Company failed to remit certain employee deferrals and loan repayments to the Plan aggregating \$62,172, as detailed in the supplemental schedule of delinquent participant contributions. These deferrals and loan repayments were remitted during the year ended December 31, 2020. The Company will be evaluating the need to compute the lost earnings on these untimely deposits and make a contribution for lost earnings to the Plan.

In addition, a Supplemental Schedule H Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 has been added to report the 2020 Delinquent Contributions as they still were not fully corrected.

NOTE 8: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan to the custodian for administrative services amounted to \$63,160 and \$73,445 for the years ended December 31, 2021 and 2020, respectively. Investment income received by the Plan is net of fees charged to the investments by the custodian.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10: SUBSEQUENT EVENTS

Effective January 1, 2022 the Plan was amended and restated, as required. The restatement will use the IRS opinion letter dated June 30, 2020 for an approved non-standardized pre-approved profit sharing plan.

The Plan’s management has evaluated subsequent events through June 5, 2025, the date the financial statements were available to be issued.
