Report of Independent Auditors

The Veoneer 401(k) Savings & Investment Plan
Retirement Committee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Veoneer 401(k) Employee Savings & Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

The following description of the Veoneer 401(k) Employee Savings & Investment Plan (the Plan) provides only general information about the Plan's provisions. Veoneer US, Inc. (the Company) is the Plan Sponsor. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide eligible employees with an incentive to make systematic savings for retirement from current income through payroll deductions. The Investment and Compensation Committee is responsible for the general administration of the Plan. Empower Trust Company, LLC (Empower Trust) is the trustee (the Trustee) as of December 31, 2022, and Great-West Trust Company, LLC (Great-West) was the trustee as of December 31, 2021. Empower Retirement (Empower) is the recordkeeper for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Substantially all domestic employees of the Company are eligible to participate in the Plan. Employees become eligible participants upon their date of hire, without satisfying any age or service requirements.

Acquisition

On April 1, 2022, the Company was acquired by SSW Investors GP, LLC (SSW), and Veoneer US, Inc. became Veoneer US, LLC. The acquisition did not have an impact on the status of the Plan. On April 4, 2022, the Arriver business was sold to Qualcomm. The participants that were part of the Arriver business transferred to a plan under Qualcomm and are included in the Transfers out line on the Statement of Changes in Net Assets Available for Benefits.

Contributions

Participation in the Plan is voluntary. Participants make contributions to the Plan of any whole percentage up to a maximum of 50% of base pay, not to exceed the limit of the Internal Revenue Code (the Code). Participants can elect to treat their contributions on a before- and/or after-tax basis via Roth contributions. On December 30, 2021, the Company executed an amended and restated Plan Document effective January 1, 2022, which increased the employer match to 6%. The Company now contributes an amount equal to 100% of the participants' compensation contributed to the Plan, not exceeding 6%.

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Employee and employer contributions are allocated among any of the Plan's investment fund options in accordance with participants' elections. Participants may transfer amounts from one investment fund to another.

Unless Empower is otherwise notified, all employees are automatically enrolled into an age appropriate target maturity strategy mutual fund at a contribution rate of 5% of base pay. The initial automatic deferral increases annually in 1% increments to a maximum of 10%, absent an alternate election made by the participant.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions and allocations of plan earnings and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in employee and employer contributions and earnings, if any, thereon.

Participant Loans

Active participants may obtain loans from the Plan subject to certain restrictions of the Code and the Plan's provisions. Loans are required to be a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of the participant account balance. Each loan is secured by the participant's account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The interest rate on loans is the prime rate, as defined, plus 1%. Principal and interest are paid through payroll deductions. If a participant terminates employment with the Company, the entire unpaid balance, including principal and interest, becomes due and payable. If the loan is not repaid, it will automatically be treated as a distribution to the participant after 90 days.

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Benefit Payments

On termination of service, a participant, or their beneficiary, may receive a lump-sum amount equal to the vested value of his or her account, or upon death, disability, or retirement elect to receive annual installments over a ten-year period. In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Administrative Expenses

All administrative and general expenses of the Plan are paid by the participants of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate, amend, modify, or suspend the Plan at any time. In the event the Plan is terminated, the entire value of the investment funds shall be applied for the exclusive benefit of participants, and no part of the funds will revert to the Company. Upon termination of the Plan, the Company will have no obligation to continue making contributions to the Plan.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan's management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

3. Investments

Certain investment information and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants as of December 31, 2022 and 2021, and net depreciation in the fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Empower Trust as of December 31, 2022 and for the year then ended and Great-West as of December 31, 2021.

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measurement in its entirety.

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Following is a description of the valuation techniques and inputs used for each general type of investment measured at fair value by the Plan.

Shares of mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. The fair values of participation units in common collective trust funds and pooled separate accounts are based on NAV provided by the administrator of the fund.

The following tables set forth by level, within the fair value hierarchy, information about the Plan's investments measured at fair value:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 49,103,688	\$ —	\$ —	\$ 49,103,688
Common collective trust funds	53,040,687	—	—	53,040,687
Pooled separate accounts	14,621,496	—	—	14,621,496
	116,765,871			116,765,871
Investments measured at NAV (a)				5,825,003
Total	\$ 116,765,871	\$ —	\$ —	\$ 122,590,874

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 72,101,206	\$ —	\$ —	\$ 72,101,206
Common collective trust funds	63,538,175	—	—	63,538,175
Pooled separate accounts	12,307,580	—	—	12,307,580
Total	\$ 147,946,961	\$ —	\$ —	\$ 147,946,961

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presents in the statement of net assets available for benefits.

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

There are no future commitments or redemption restrictions associated with the common and collective trust funds nor the large cap growth JP Morgan investment pooled separate account that is measured at NAV.

5. Income Tax Status

The underlying pre-approved plan has received an opinion letter from the IRS, dated June 30, 2020, stating that the written form of the underlying pre-approved plan document is qualified under Section 401 of the Code. Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the Code and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Subsequent Events

The Company has evaluated subsequent events that have occurred through June 27, 2024, the date the financial statements were available to be issued.

Veoneer 401(k) Employee Savings & Investment Plan

Notes to Financial Statements (continued)

7. Subsequent Events (continued)

As part of the Consolidated Appropriations Act (CAA) of 2023, which was signed into law on December 29, 2022, the Setting Every Community Up for Retirement Enhancement Act of 2022 (SECURE 2.0 Act) includes provisions that: (a) prohibit pre-tax, catch-up contributions for certain highly paid participants, (b) increase the age for required minimum distributions to 73, for participants who attain age 73 on or after January 1, 2023, and to 75, for participants who attain age 75 on or after January 1, 2033, (c) expand opportunities for in-service distributions, including the reduction of substantiation obligations in connection with hardship withdrawals, and (d) expand the IRS self-correction program and increase flexibility with respect to recovery of overpayments. The Plan will be amended to incorporate the applicable provisions of the SECURE 2.0 Act, within the timeframe required by law.

On June 3, 2023, the Company was acquired by Magna International, Inc. (Magna), with the exception of the Safety Systems business, which was retained by SSW. All participants in the Plan, with the exception of participants related to the retained Safety Systems business, will continue to remain in the Plan under Magna. The participants in the Safety Systems business have been moved to a new plan with the plan sponsor being Veoneer US Safety Systems, LLC.

On March 1, 2024, Veoneer US Safety Systems, LLC and the new plan were acquired by American Industrial Partners Capital Fund VIII (AIP). There have been no changes in the Veoneer US Safety Systems plan from its creation in June 2023 through the acquisition by AIP.
