### **Independent Auditor's Report**

To the Trustees  
Affiliated SuperValu Retail Outlets' Welfare Plan

#### ***Opinion***

We have audited the financial statements of Affiliated SuperValu Retail Outlets' Welfare Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of August 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the fiscal years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of Affiliated SuperValu Retail Outlets' Welfare Plan as of August 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the fiscal years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Affiliated SuperValu Retail Outlets' Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Affiliated SuperValu Retail Outlets' Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

**Independent Auditor's Report**

*(continued)*

***Responsibilities of Management for the Financial Statements (continued)***

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Affiliated SuperValu Retail Outlets' Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Affiliated SuperValu Retail Outlets' Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Independent Auditor's Report**

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of August 31, 2024 was presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**AFFILIATED SUPERVALU RETAIL OUTLETS' WELFARE PLAN**  
**Notes to the Financial Statements**  
**August 31, 2024 and 2023**

**NOTE 1 – PLAN DESCRIPTION**

The following description of the Affiliated SuperValu Retail Outlets' Welfare Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan administrator. The administrator of the Plan is the Plan Sponsor, i.e., the Board of Trustees.

**General**

The Plan is a multiple employer defined benefit health and welfare plan. The Plan and related Trust were established in September 1997. Contributions to the Trust as well as specific eligibility requirements are set forth in each participating employer's participation agreement, copies of which may be obtained from the Plan administrator. The Plan was established to provide welfare benefit coverage, through insurance contracts and the Trust, for the participating employers' eligible employees and their eligible spouses and dependents, as defined. Former employees and their eligible spouses and dependents are eligible for continued coverage for the number of months specified under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), if they elect so. The Trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, as amended, as a Voluntary Employees' Benefit Association (VEBA). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Sponsor is the Board of Trustees that have been appointed under the Trust. The Board of Trustees appointed a third-party-administrator to act as both the Trust administrator and claims processor.

**Benefits**

The Plan provides group term life and accidental death and dismemberment (AD&D) benefits, short-term disability, dental and vision benefits, to all eligible participants and their covered spouses and dependents, as defined in each respective participating employers' participation agreement. Short-term disability, dental and vision benefits are processed by the claim's processor, but the ultimate responsibility for the payments to participants and providers is retained by the Plan. The Plan provides continuation of certain benefits upon termination of employment through COBRA.

**Insured Benefits**

The Plan offers fully insured group term life insurance benefits (basic, supplemental, and dependent), AD&D, dental and vision benefits. The Plan purchases annual insurance contracts for these insured benefits based on the participating employers' coverage options selected. Premiums for group term life, AD&D, dental and vision benefits are paid to the insurance companies from assets of the VEBA Trust, which are funded by the participating employers, based on premiums charged by the respective insurance carriers.

**Self-Funded Benefits**

The Plan also offers self-funded (dental, vision and short-term disability). The claims for self-funded benefits are processed by the Plan's third-party claims processor under an administrative service only arrangement. The claims processor pays claims directly to, or on behalf of participants through the VEBA Trust. As of September 1, 2023 the Plan no longer offers self-funded dental benefits, all dental benefits are now fully insured.

**NOTE 1 – PLAN DESCRIPTION (continued)**

Contributions

The Plan requires participating employers to make contributions to the Trust that are sufficient to cover the costs of the benefits provided. The amount is determined annually based upon premiums charged by insurance providers and the Trust administrator for self-funded benefits. The Trust administrator bases annual contribution payments on past claims paid, surplus funds and rates charged by insurance carriers for like coverage. Employee contributions are only required if former employees elect to continue coverage under COBRA. Any deficiency of the Plan's net assets over benefit obligations would be funded at the direction of the Trustees. The Trustees would have multiple options at their discretion, including assessments on the participating employers, retroactive rate adjustments and or prospective rate adjustments.

Other

The Plan's Board of Trustees, as the Plan Sponsor, has the right under the Plan to modify the benefits provided to participating employers. Each participating employer may terminate its participation, at any time, upon providing proper notification to the Plan administrator as defined in the participation agreements. Participating employers are responsible for all liabilities incurred until their effective date of termination.

Funding Policy

The Plan includes benefits that are fully insured as well as self-funded. Contributions funded by the various participating employers, pursuant to the Plan agreement, are invested in assets held in the VEBA Trust fund (Fund). The Trust invests the Fund's money as set forth in the Plan's investment policy.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that may affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, claims incurred but not reported, claims payable, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets during the reported period. Actual results could differ from those estimates.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Cash

The Plan's cash consists of demand deposits in non-interest bearing accounts at financial institutions. Excluded from the definition of cash are such amounts that have been designated by the Plan administrator as investments.

Investment

The Plan's investment consists of a money market fund and are reported at fair value, using net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis.

Premiums Received in Advance

Premiums received in advance are insurance premiums paid by the VEBA Trust on or before August 31<sup>st</sup> for the following year's September coverage.

Payment of Benefits

Claim payments for self-funded benefits are recorded when paid by the third-party claim's processor. Claims submitted for reimbursement beyond 12 months after year-end are not eligible for reimbursement. Insurance premiums paid by the VEBA Trust are recorded as insurance premiums paid in the accompanying statements of changes in net assets available for benefits.

Insurance Contracts

Insurance carriers provide coverage for group term life, AD&D, and certain dental and vision benefits. Under the terms of the contracts with each respective carrier, the insurer has received premium payments and has a legal obligation to make all benefit payments. As such, these insurance contracts are excluded from the Plan assets and claims payable under these insurance policies are excluded from benefit obligations at year-end as the liability for payment remains with the insurance providers. It is the present intention of the Plan Sponsors to continue insurance coverage for these benefits. The Plan Sponsor is not permitted to deduct amounts for future benefits (beyond one year).

Administrative Expenses

Administrative, audit and claims processing expenses are paid out of the Plan's Trust fund.

**NOTE 3 – POSTEMPLOYMENT OBLIGATIONS**

Postemployment obligations consist solely of coverage provided by the Plan under COBRA. Participants contribute 102 percent of the expected cost of the obligation, as estimated by the claim's processor. Postemployment self-funded benefit obligations, if any, are included in claims payable at year-end.

**NOTE 4 – PLAN ADMINISTRATION**

The Plan utilizes the services of a third-party Trust administrator and claims processor to oversee the operations of the Plan. These services include the collection of contributions, payment of insurance premiums and processing of benefit claims for self-funded benefits. The Trust administrator receives a fee for the performance of these services based upon eligible contributions, as defined in each participating employers' participation agreement.

**NOTE 5 – TAX STATUS**

The VEBA Trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The Plan Sponsor has obtained a favorable tax exemption letter, dated March 9, 1999, in which the Internal Revenue Service (IRS) stated that the Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes the Trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP prescribes rules for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the Plan's tax returns. Management has determined that the Plan does not have any uncertain tax positions and associated unrecognized tax benefits that materially impact the financial statements or related disclosures.

Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Plan's tax returns will not be challenged by taxing authorities and that the Plan will not be subject to additional tax, penalties, and interest as a result of such a challenge. Generally, the Plan's federal and state tax returns remain open for income tax examination for three years from the date of filing. See Note 12 for additional information.

**NOTE 6 – CONCENTRATIONS**

The Plan maintains its cash in a bank deposit account at a financial institution located in Southwestern Pennsylvania. The bank deposit account is insured by the Federal Deposit Insurance Corporation and at times, the Plan's cash balances may exceed insured limits. The Plan has not experienced any losses in such accounts.

**NOTE 7 – PLAN TERMINATION**

Although they have not expressed any intention to do so, the Board of Trustees have the right under the Plan to modify the benefits provided to, and contributions required from participating employers and participants, and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for, or on account of the participants. No assets of the Plan may revert to the participating employers or be used for purposes other than for the exclusive benefit of the Plan's participants.

**August 31, 2024 and 2023**

**NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan pays a fee to the third-party Trust administrator and claims processor for overseeing the operations of the Plan, as described in Note 4, based on terms agreed to by the Trustees and contained in the participation agreements, which are considered party-in-interest transactions under ERISA. Certain Plan assets were invested in a common trust fund managed by the Trust administrator. Both Trustees are participating employers in the Plan and as such, the Trust provides benefits to the Trustees. These benefits are at terms and rates comparable to those of other participating employers electing the same types of coverage. These benefits are considered party-in-interest transactions and are permitted under Department of Labor Rules and Regulations. These transactions are exempt from the prohibited transaction rules under ERISA.

**NOTE 9 – RISKS AND UNCERTAINTIES**

Benefit obligations is reported based on certain assumptions pertaining to claims incurred but not reported, interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**NOTE 10 – CLAIMS PAYABLE**

Amounts due to participants that have not been paid by the Trust at fiscal year-end are recorded as claims payable in the accompanying statements of plan benefit obligations. Claims payables are based on actual claims paid through May of the following year. Claims submitted for reimbursement beyond 12 months after year-end are not eligible for reimbursement.

**NOTE 11 – CLAIMS INCURRED BUT NOT REPORTED**

Benefit obligations at August 31<sup>st</sup> for claims incurred but not reported are estimated based on past claim experience. These amounts are paid by the Trust only if claims are submitted and approved for payment. The Plan administrator has determined there were no incurred but not reported amounts due at August 31, 2024 and 2023.

**NOTE 12 – INTERNAL REVENUE SERVICE NOTICES**

The Trust received a notice from the IRS dated February 8, 2023, asking the Trust to file its annual Form 990 electronically in accordance with the Taxpayer First Act, which requires tax-exempt organizations to file all information returns and related forms on or after July 1, 2020 electronically. The notice stated the Trust had ten days to electronically remit its August 31, 2021 annual Form 990 to avoid penalties. The Trust electronically remitted its August 31, 2021 annual Form 990 on February 23, 2023.

The IRS sent a second notice dated April 24, 2023 stating, that because the Trust hasn't filed its annual information return electronically for three consecutive years, its tax-exempt status was automatically revoked by law, effective January 15, 2023.

**NOTE 12 – INTERNAL REVENUE SERVICE NOTICES (continued)**

The Trust administrator spoke to the IRS on April 24, 2023 asking them to reinstate the Trust's tax-exempt status and provided an explanation regarding the three Form 990s in question. On October 5, 2023 the Trust received another notice from the IRS stating it had erroneously placed them on the auto-revocation list. The notice stated they could disregard the notice received on April 24, 2023 where its tax-exempt status was revoked, and that the Trust would be removed from the auto-revocation list during the next monthly update. Management has confirmed the Trust has been removed from the auto-revocation list.
