## Independent Auditor's Report

Board of Directors  
Kendall Hunt Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kendall Hunt Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended August 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of August 31, 2024 and 2023, and for the year ended August 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule H, line 4i—schedule of assets (held at end of year) as of August 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## Kendall Hunt Retirement Plan

### Notes to Financial Statements

#### Note 1. Plan Description

The following description of the Kendall Hunt Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan which covers substantially all employees of Kendall Hunt Publishing Company and adopting employers (the Company) which are allowed to participate the first day of the month following the date of hire, as defined, and are age 21 or older. On August 11, 2022, the Plan was amended in accordance with pension-related provisions of the Further Consolidated Appropriations Act (FCAA), the Setting Every Community Up for Retirement Enhancement Act (SECURE) and the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Participants may contribute from 1% up to the maximum allowed by the Internal Revenue Service (IRS) of their annual pretax compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution or benefit plans (rollovers). Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company makes a matching contribution, at the time of each participant's contribution, equal to 50% of the first 10% of employee deferrals contributed to the Plan. In addition, the Company, at its discretion, may contribute a certain percentage of its current income after income taxes, reduced by any forfeitures during the Plan year as a profit sharing contribution, as authorized by resolution of the Company's Board of Directors. Participants who are active participants on August 31 are eligible to receive a portion of the Company's discretionary profit sharing contribution. This contribution was approximately 6.3% of total participant compensation for 2024.

**Participant accounts:** Each participant's account is credited with the participant's contribution, the Company's matching contributions, as well as allocations of the Company's discretionary profit sharing contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances, compensation or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant loans are not permitted by the Plan.

**Vesting:** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of credited service. A participant reaches 20% vesting after two years of service and vests an additional 20% for each year of service thereafter being fully vested after six years of service. Participants who attain retirement age, as defined, or terminate employment due to death or disability are 100% vested in their accounts.

**Investment options:** Upon enrollment in the Plan, a participant may direct contributions to their account in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time with the limitation of once per 30-day period for each investment.

**Payment of benefits:** On termination of service due to death, disability, or retirement, a participant or participant beneficiary may elect to receive an amount equal to the value of the participant's vested interest in their account either in a lump-sum amount or through other defined-payment options. Benefits are payable in a single lump sum if less than \$5,000. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution or under minimum distribution rules. Hardship withdrawals are permitted under the terms of the Plan.

#### Note 1. Plan Description (Continued)

**Forfeitures:** At August 31, 2024 and 2023, forfeited nonvested accounts totaled \$0. Forfeited nonvested accounts are used to reduce Company contributions. Also, during the year ended August 31, 2024, the Company's match was reduced by \$245,059 from forfeited nonvested accounts.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Accounting estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment custodian and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits:** Benefits are recorded when paid.

**Administrative expenses:** Professional fees and certain administrative expenses incurred by the Plan are paid by the Company. Recordkeeping, administrative and compliance service fees are paid by the Plan.

**Subsequent events:** Plan management has evaluated subsequent events through June 12, 2025, the date the financial statements were available to be issued.

#### **Note 3. Information Certified and Provided by Mid Atlantic Trust Company, DBA American Trust Company, the Custodian and Dubuque Bank & Trust Company, the Trustee**

The following is a summary of the Plan's asset information as of August 31, 2024 and 2023, and income information for the year ended August 31, 2024, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the Custodian and the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the Custodian and the Trustee that the information provided to the Plan Administrator by the Custodian and the Trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets and income:

The following was certified by Mid Atlantic Trust Company, DBA American Trust Company:

	2024	2023
Registered investment companies	\$ 75,421,156	\$ -
Net appreciation in fair value of investments	\$ 10,188,664	
Interest and dividends	\$ 1,592,349	

The following was certified by Dubuque Bank & Trust Company:

	2024	2023
Registered investment companies	\$ -	\$ 64,706,729

#### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

---

#### Note 4. Fair Value Measurements (Continued)

- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at August 31, 2024 and 2023.

**Registered investment companies:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a reoccurring basis as of August 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 75,421,156	\$ -	\$ -	\$ 75,421,156

  

	2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 64,706,729	\$ -	\$ -	\$ 64,706,729

**Changes in fair value levels:** To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended August 31, 2024, there were no transfers in or out of Level 3. There were no purchases of Level 3 investments during the year ended August 31, 2024.

#### Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company's contributions and earnings thereon.

#### Note 6. Party-in-Interest Transactions

Mid Atlantic Trust Company, DBA American Trust Company is the Custodian as defined by the Plan. July Business Services LLC performs administrative and recordkeeping services for the Plan. Dubuque & Bank and Trust Company performs trustee services for the Plan. Therefore, these transactions qualify as party-in-interest transactions. The administrative expenses paid to Dubuque Bank & Trust Company and July Business Services LLC were \$130,783 and \$24, respectively, for the year ended August 31, 2024.

Certain employees of the Company provide administrative services to the Plan. These employees are not paid by the Plan for their services. Certain other administrative expenses are paid by the Company on behalf of the Plan.

#### Note 7. Tax Status

The Plan has adopted a nonstandardized form of a prototype plan sponsored by Dubuque Bank & Trust Company. The prototype plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Company believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state or local tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at August 31, 2024 and 2023:

#### Note 8. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended August 31, 2024:

Change in net assets available for benefits per the financial statements	\$ 11,025,300
Net appreciation in fair value of investments	(118,470)
Interest and dividends	(126,557)
Company contributions	244,281
Change in net assets available for benefits per Form 5500	<u>\$ 11,024,554</u>

#### Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
