## INDEPENDENT AUDITORS' REPORT

Plan Sponsor  
IWX 401(k) Plan  
Springfield, Missouri

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the IWX 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 5, 2024, and December 31, 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of IWX 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 5, 2024, and December 31, 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the IWX 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter**

As described in Note 5 of the financial statements, the governing body of the IWX 401(k) Plan approved a plan of merger effective August 5, 2024.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the IWX 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified in the audit.

## IWX 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

-----  
Years Ended August 5, 2024 and December 31, 2023

#### **NOTE 1: DESCRIPTION OF PLAN**

The following description of the IWX 401(k) Plan (Plan) provides only general information. Participants should refer to the plan document and Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

**General** – The Plan is a defined contribution plan covering all employees of Indiana Western Express, Inc. (Company), who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** – Each year, participants may contribute up to 75 percent of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has the discretion to match 100 percent of the first 6 percent of base compensation that a participant voluntarily contributes to the Plan. For 2024 and 2023, the Company elected not to make a matching contribution.

**Participant accounts** – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** – Participants are immediately vested in the individual contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of continuous service. A participant also becomes 100 percent vested upon death or disability.

**Notes receivable from participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

### NOTES TO FINANCIAL STATEMENTS

-----  
Years Ended August 5, 2024 and December 31, 2023

#### **NOTE 1: DESCRIPTION OF PLAN – CONTINUED**

***Payment of benefits*** – On termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of his or her account. If a participant ceases to be an employee of the Company and his or her account balance is less than \$1,000, the entire vested account balance may be payable to the participant or his or her beneficiaries in a single lump-sum payment. Balances greater than \$1,000 but less than \$5,000 may be rolled over to an individual retirement account, as designated by the Plan, absent an election by the participant. Participant balances in excess of \$5,000 may remain in the Plan until such time the participant elects to receive a distribution. A participant may elect to receive a lump-sum amount, systematic withdrawals (installments), or an annuity equal to the vested value of his or her account.

***Investment options*** – Investment account options available include various funds. Each participant has the option of directing the Company’s contribution to any of the separate investment accounts and may change the allocation quarterly.

***Forfeited accounts*** – Participants who terminate their employment and are less than 100 percent vested in their account will forfeit the non-vested portion. At August 5, 2024, and December 31, 2023, forfeited non-vested accounts totaled \$0 both years. Forfeitures are retained in the Plan and used to reduce future Plan administration fees or employer contributions.

#### **NOTE 2: SUMMARY OF ACCOUNTING POLICIES**

***Basis of accounting*** – The financial statements of the plan are prepared on the accrual basis of accounting.

***Use of estimates*** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment valuation and income recognition*** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan’s gains and losses on investments bought and sold as well as held during the year.

## IWX 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

-----  
Years Ended August 5, 2024 and December 31, 2023

#### **NOTE 2: SUMMARY OF ACCOUNTING POLICIES – CONTINUED**

*Notes receivable from participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is reported on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

*Payment of benefits* – Benefit payments to participants are recorded upon distribution.

*Expenses* – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

*Subsequent events* – The Plan has evaluated subsequent events through June 13, 2025 which is the date the financial statements were available to be issued.

#### **NOTE 3: CERTIFIED INFORMATION**

The plan administrator has elected the method of compliance permitted by 29 CFR 2530.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of assets available for benefits as of August 5, 2024, and December 31, 2023, and the related investment activity reflected in the statements of changes in assets available for benefits for the years ended August 5, 2024, and December 31, 2023.

#### **NOTE 4: PARTY-IN INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons. Certain plan investments are shares of investments managed by Nationwide Life Insurance Company, the custodian of the Plan and, therefore, these transactions qualify as party-in interest transactions.

The Plan incurs expenses related to general administration and record keeping. The plan sponsor pays a portion of these expenses and certain accounting and auditing fees relating to the Plan.

## IWX 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

-----  
Years Ended August 5, 2024 and December 31, 2023

#### **NOTE 5: PLAN MERGER**

Effective August 5, 2024, the Plan was merged into the Western Flyer Express LLC Retirement Savings Plan (the “Surviving Plan”). As a result of the merger, all assets and liabilities of the Plan were transferred to the Surviving Plan at their fair value on the date of merger. The merger was completed in accordance with the terms of the respective plan documents and applicable regulatory guidance. The purpose of the merger was to streamline plan administration and align benefit offerings.

#### **NOTE 6: TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the issuance of the opinion letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of August 5, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

#### **NOTE 7: SEPARATED PARTICIPANTS**

At August 5, 2024, and December 31, 2023, \$0 and \$1,193,858, respectively of the net assets available for benefits are for those participants who have separated from active service with the Plan Sponsor.

#### **NOTE 8: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants’ account balances and the amounts reported in the statement of net assets available for benefits.

#### NOTE 9: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820, Fair Value Measurements, establishes a framework for measuring fair value and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1    Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2    Inputs to the valuation methodology include:
- Quoted prices for similar assets and liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3    Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 5, 2024.

*General accounts:*

Valued by the daily crediting of interest which is subject to minimum contractual guarantees. The observable inputs used in determining the value include the contract value, credited rate and contractual minimum rates, MVA formula, and the contract surrender charge schedule, if applicable.

NOTES TO FINANCIAL STATEMENTS

-----  
Years Ended August 5, 2024 and December 31, 2023

**NOTE 9: FAIR VALUE MEASUREMENTS - CONTINUED**

*Separate accounts:*

Valued at the reported unit value held by the plan at year end, which is derived from the market value of the underlying investments. Net asset value of separate accounts is not publicly disclosed.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 5, 2024, and December 31, 2023:

	<b>Assets at Fair Value as of August 5, 2024</b>			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	-	-	-
Investments at fair value	\$ -	-	-	-

  

	<b>Assets at Fair Value as of December 31, 2023</b>			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	6,439,943	-	6,439,943
Investments at fair value	\$ -	6,439,943	-	6,439,943

**NOTE 10: GROUP ANNUITY CONTRACT WITH NATIONWIDE**

In 2023, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Nationwide Life Insurance Company (Nationwide) totaling \$235,901. Nationwide maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that this guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract permits the insurance company to terminate the contract with 90 days notice.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**IWX 401(K) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

-----  
**Years Ended August 5, 2024 and December 31, 2023**

**NOTE 10: GROUP ANNUITY CONTRACT WITH NATIONWIDE - CONTINUED**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable or occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.
