Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: SIKICH CPA, LLC

(2) EIN: 54-1172176

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X

INDEPENDENT AUDITOR'S REPORT

To the Retirement Plans Committee and Management of
Crestline Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Crestline Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits - in liquidation as of September 5, 2024 and December 31, 2023, and the related statements of changes in net assets available for benefits - in liquidation for the period ended September 5, 2024 and the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended September 5, 2024, and as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As described in Note 6 to the financial statements, the Board of Directors of Superior Fabrication Company, LLC formally approved the termination of the Plan effective December 31, 2023 and liquidation was deemed imminent. The Plan used the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of reportable transactions for the period ended September 5, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRESTLINE PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

September 5, 2024 and December 31, 2023, in Liquidation

1. DESCRIPTION OF PLAN

The following description of Crestline Pension Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a noncontributory defined benefit pension plan sponsored and administered by Superior Fabrication Company, LLC (the Company), a company related to Creative Engineered Polymer Products through common ownership. On September 20, 2006, Creative Engineered Polymer Products filed for bankruptcy and all plant employees were terminated as of November 1, 2006. On July 31, 2007, the Plan was frozen for both participation and benefit accrual. Also during 2007, the Plan was transferred to the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2009, the Creative Engineered Polymer Products Pension Plan for Bargaining Unit Employees - Canton, a separate noncontributory defined benefit pension plan of Creative Engineered Polymer Products, was merged into this Plan.

Effective December 31, 2023, the Plan was amended to terminate the Plan. See Note 6.

The following provisions were in effect prior to the termination of the Plan.

Eligibility

To be eligible to participate in the Plan, a person must have been employed by (or had seniority status with) Creative Engineered Polymer Products at its Crestline or Canton, Ohio plants. The person must have been a member of the bargaining unit represented by Local Union No. 563L1 of the United Steel Workers of America and a participant in the Plan as it existed at December 31, 1975 (Crestline) or have been a member of the bargaining unit represented by Local Union No. 761 of the United Rubber, Cork, Linoleum and Plastics Workers of America or have been a skilled tool shop employee and have been a participant in the Plan as it existed at December 31, 1984 (Canton), or have completed one year's uninterrupted employment with at least 1,000 hours since that date (Crestline and Canton) until the Plan was frozen.

Funding

The Company made contributions to the Plan in amounts determined by actuarial computations in order to fully provide benefits for the participants when they meet their retirement age. All contributions required to fulfill the minimum funding requirements of ERISA were made on a timely basis during the period ended September 5, 2024 and the year ended December 31, 2023.

CRESTLINE PENSION PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

1. DESCRIPTION OF PLAN (Continued)

Pension Benefits and Vesting

The annual pension benefit payable at a participant's normal retirement date is based on a fixed benefit multiplied by the years of credited service as follows:

Crestline:

<u>Date of Retirement</u>	<u>Amount Per Year of Credited Service</u>
Prior to February 25, 2002	\$ 90 - \$222
February 25, 2002 - March 31, 2003	228
April 1, 2003 - March 31, 2004	234
April 1, 2004 - March 31, 2005	240
On and after April 1, 2005	246

As of November 1, 2006, all employees of Creative Engineered Polymer Products - Crestline became fully vested in the Plan and continued to accrue credited service through July 2007.

Canton:

<u>Date of Retirement</u>	<u>Amount Per Year of Credited Service</u>
Prior to January 1, 2001	\$ 84 - \$180
January 1, 2001 - December 31, 2001	192
January 1, 2002 - December 31, 2002	204
January 1, 2003 - December 31, 2003	216
On and after January 1, 2004	240

As of November 1, 2006, all employees of Creative Engineered Polymer Products - Canton became fully vested in the Plan and continued to accrue credited service through July 2007.

The normal retirement date was the first day of the month following the participant's 65th birthday. All pension benefits payable under the terms of the Plan commence the first day of the month following actual retirement and were made under one of the optional forms of payment as defined in the plan document.

As defined in the Plan, other plan benefits available include early retirement benefits, disability pension benefits, deferred vested benefits and pre-retirement death benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Associated with the termination of the Plan, as discussed in Note 6, the Plan has prepared its financial statements on the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured to reflect the amount of expected consideration from liquidation and liabilities are measured in accordance with accounting principles generally accepted in the United States of America (US GAAP) that otherwise applies to such liabilities.

Use of Estimates

The preparation of financial statements is in conformity with US GAAP and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plans Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. The Plan pays certain investment advisory and plan administration fees from plan assets. Certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting and Regulatory Pronouncements

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the period ended September 5, 2024 prior to the final distribution of assets, and plan year ended December 31, 2023. The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the period ended September 5, 2024 and plan year ended December 31, 2023.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets,
- b. Quoted prices for identical or similar assets or liabilities in inactive markets,
- c. Inputs other than quoted prices that are observable for the asset or liability,
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023. There were no investments as of September 5, 2024.

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Description	Assets at Fair Value as of			Total
	December 31, 2023			
	Level 1	Level 2	Level 3	
Mutual fund	\$ 5,374,820	\$ -	\$ -	\$ 5,374,820
TOTAL INVESTMENTS AT FAIR VALUE	<u>\$ 5,374,820</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,374,820</u>

4. CERTIFICATION OF FINANCIAL INFORMATION

The financial data included in the accompanying financial statements as of and for the period ended September 5, 2024 and as of and for the year ended December 31, 2023, and supplemental schedule of reportable transactions for the period ended September 5, 2024, has been certified as complete and accurate by PNC Bank, National Association, a qualified institution. The following certified information was obtained by management and agreed to or derived from information certified as complete and accurate; and has not been audited by the independent auditors for the Plan: investments at fair value, accrued income, dividends, and net appreciation (depreciation) in fair value of investments.

5. ACCUMULATED PLAN BENEFITS

Accumulated plan benefits are those estimated future periodic payments, including lump sum distributions, which are attributable under the Plan's provisions to the service rendered by participants to the valuation date. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits payable under all circumstances (i.e., retirement, death, disability, and termination of employment) are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. As the plan is terminated, no valuation was performed as of January 1, 2024.

As all Plan benefits were paid in 2024, the accumulated plan benefits as of January 1, 2024, are based substantially on the subsequent distributions from the Plan. These distributions include the monthly annuities prior to the settlement of the Plan as well as the distributions arising from lump sum payments for participants and the annuity payment purchases for participants who elected or were already enrolled for annuity payments. See Note 6.

6. PLAN TERMINATION

Pursuant to the Plan's amendment to terminate, the Plan has implemented a plan for the liquidation of Plan assets. The net assets of the Plan were allocated, as prescribed by ERISA and its related regulations, generally to provide benefits in the order indicated:

- a) Annuity benefits that former employees or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under plan provisions in effect at any time during the three years preceding plan termination.
- b) Other vested benefits insured by PBGC up to the applicable limitation.
- c) All other vested benefits (that is, vested benefits not insured by PBGC).
- d) All nonvested benefits.

6. PLAN TERMINATION (Continued)

The actuarial present value of accumulated plan benefits was adjusted to the participants' total benefit liabilities due to the Plan's termination, which converted the actuarial present value of accumulated plan benefits to the liquidation basis. This was calculated by the actuary, to complete Form 6088 filed with the Plan's application to terminate on December 18, 2023.

The Plan's amendment to terminate designates a special lump sum annuity starting window which governs the method of liquidating plan assets. The timing and duration of such special lump sum annuity starting window established by the Plan and ran from February 14, 2024, through April 1, 2024. Payments to participants during the special lump sum window were \$805,428.

On April 23, 2024, the Plan purchased a group annuity contract that transferred the benefit obligations of 126 participants and beneficiaries (Transferred Participants). Transferred Participants included those receiving monthly annuity payments prior to the special lump sum window and those who did not elect to receive a lump sum payment. As part of the purchase of the group annuity contract, the Plan's benefit obligations and related annuity administration services for Transferred Participants were irrevocably assumed and guaranteed by the insurance company effective as of June 1, 2024. The Plan paid \$4,999,660 to the insurance company in connection with this contract. There will be no change to pension benefits for Transferred Participants.

In August 2024 the final administrative tasks were completed and the remaining Plan assets of \$45,596 were liquidated and transferred to the PBGC.

7. TAX STATUS

The IRS has determined and informed the Company by letter dated February 27, 2013, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

The Company filed an Application for Determination for Terminating Plan with the IRS and is not aware of any matters that would jeopardize the Plan's tax status and ability to obtain approval for Plan termination.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits - in liquidation per the financial statements to net assets per the Form 5500 as of September 5, 2024 and December 31, 2023:

	2024	2023
Net assets available for benefits - in liquidation per the financial statements	\$ -	\$ 5,919,568
Less contributions receivable	-	(640,000)
Add accrued expenses	-	119,363
NET ASSETS PER THE FORM 5500	\$ -	\$ 5,398,931

The following is a reconciliation of net decrease (increase) in net assets available for benefits - in liquidation per the financial statements to net loss per the Form 5500 for the period ended September 5, 2024 and the year ended December 31, 2023:

	2024	2023
Net (decrease) increase in net assets available for benefits - in liquidation per the financial statements	\$ (5,919,568)	\$ 498,691
Add (less) contributions receivable	640,000	(640,000)
(Less) add accrued expenses	(119,363)	119,363
NET LOSS PER THE FORM 5500	\$ (5,398,931)	\$ (21,946)
