## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator, Participants and Beneficiaries  
of the MedCentris 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements***

We have performed an audit of the financial statements of MedCentris 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

### ***Other Matters***

#### ***2022 Supplemental Schedules Required by ERISA***

The supplemental schedule of schedule of assets (held at year end) and delinquent participant transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### *Auditors' Report on the 2021 Financial Statements*

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 7, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## MEDCENTRIS 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

#### 1. Description of Plan

The following description of the MedCentris 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of MedCentris (the Company) who are age eighteen or older and have completed at least 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodian and recordkeeper of the Plan is Nationwide Trust Company, FSB (Nationwide).

Contributions: Participants may contribute pre-tax or Roth deferrals of eligible compensation, as defined by the Plan, up to the maximum amount allowed by IRS limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributes safe harbor matching contributions equal to 100% of salary deferrals that do not exceed 3% of eligible compensation plus 50% of salary deferrals between 3% and 5% of eligible compensation. Additional profit-sharing amounts may be contributed at the option of the Company. There were no such profit-sharing contributions during 2022. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and the Company's safe harbor contributions, as well as allocations of the Company's profit-sharing contributions, if applicable, and Plan earnings. Participants are charged with an allocation of administrative expenses that are charged to the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in the safe harbor employer portion of their accounts plus actual earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
0 - 1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. In-service distributions are allowed for participants who reach age 59 and ½ during the Plan year. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeitures: Forfeited nonvested accounts may be used to reduce future Company contributions and pay Plan expenses. During the year ended December 31, 2022, forfeitures of approximately \$6,980 were used to reduce employer contributions. Forfeited nonvested accounts available at December 31, 2022 and 2021 were approximately \$4 and \$6,964, respectively.

## MEDCENTRIS 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

#### 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Plan Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participants are allocated a portion of the Plan's expenses. Investment-related expenses are included in net depreciation of fair value of investments.

#### 3. Fair Value Measurements

The FASB's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## MEDCENTRIS 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

#### 3. Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. The funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money market fund:* Valued at one dollar per share held by the Plan at year end. Money market funds held by the Plan are mutual funds invested in highly liquid, near-term instruments and are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The money market funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021:

#### ***Assets at Fair Value as of December 31, 2022***

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 4	\$ -	\$ -	\$ 4
Mutual funds	3,092,541	-	-	3,092,541
Total assets at fair value	\$ 3,092,545	\$ -	\$ -	\$ 3,092,545

#### ***Assets at Fair Value as of December 31, 2021***

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 6,964	\$ -	\$ -	\$ 6,964
Mutual funds	2,886,406	-	-	2,886,406
Total assets at fair value	\$ 2,893,370	\$ -	\$ -	\$ 2,893,370

## MEDCENTRIS 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

#### **4. Investment Contract with Insurance Company**

The Plan entered into a fully benefit-responsive investment contract with Nationwide Life Insurance Company (Nationwide). Nationwide maintains the contributions in a general deposit account, which is credited with the earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The annuity fixed contract (fixed select option) issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract crediting rate is reset quarterly. At December 31, 2022 and 2021, the crediting interest rate was 0.97% and 0.63%, respectively.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed annuity contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an unsecured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without consent of the issuer.

#### **5. Tax Status**

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA sponsored by Pentegra Services Inc. On June 30, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

## MEDCENTRIS 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

#### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become be 100% vested in employer contributions.

#### 7. Related Party and Party in Interest Transactions

Certain investments are managed by Nationwide. Nationwide is the Plan custodian and, therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan to Nationwide were \$821 for the year ended December 31, 2022. The Plan also pays recordkeeper fees. As a service provider to the Plan, these transactions qualify as party-in-interest transactions. Fees by the Plan to this service provider were \$4,105 for the year ended December 31, 2022.

#### 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk, as well as risks related to the strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2022 may not necessarily be indicative of amounts that could be realized in a current market exchange.

#### 9. Investment Certification

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U. S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Nationwide Trust Company, FSB, the custodian of the Plan, has certified to the completeness and accuracy of all investments and related investment activity in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

#### 10. Mutual Fund Fees

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

#### 11. Reconciliation of Financial Statements to Form 5500

The Form 5500 is prepared on the cash basis of accounting. The following is a reconciliation of the financial statements to the Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 3,142,906	2,928,018
Less: Employer match receivable	(13,660)	(11,184)
Less: Participant contributions receivable	<u>(22,678)</u>	<u>(17,328)</u>
Net assets available for benefits per the Form 5500	<u>\$ 3,106,568</u>	<u>2,899,506</u>
Net change in assets per the 2022 financial statements	\$ 214,888	
Less: Employer match receivable at December 31, 2022	(13,660)	
Less: Participant contribution receivable at December 31, 2022	(22,678)	
Plus: Employer match receivable at December 31, 2021	11,184	
Plus: Participant contribution receivable at December 31, 2021	<u>17,328</u>	
Net change in assets per the 2022 Form 5500	<u>\$ 207,062</u>	

#### 12. Timeliness of Filing

The Plan sponsor did not file with the DOL the Form 5500 Annual Report for the year ended December 31, 2022 by the required filing date deadline. The Plan sponsor is in the process of correcting the issues giving rise to the late filing. Penalties could result from the corrective action. Management does not believe that the results of this process will have a material effect on the Plan's financial statements.

#### 13. Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, January 30, 2025, and determined that there were no matters which required additional disclosure in the financial statements. No other subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
