INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Plumbers and Steamfitters Local 486
Severance and Annuity 401(k) Plan

Opinion

We have audited the accompanying financial statements of the Plumbers and Steamfitters Local 486 Severance and Annuity 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plumbers and Steamfitters Local 486 Severance and Annuity 401(k) Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plumbers and Steamfitters Local 486 Severance and Annuity 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plumbers and Steamfitters Local 486 Severance and Annuity 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PLUMBERS AND STEAMFITTERS LOCAL 486 SEVERANCE AND ANNUITY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Plumbers and Steamfitters Local 486 Severance and Annuity 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General - The Plan was established in 1980. Effective January 1, 2002, the Plumbers & Steamfitters Local 486 401(k) Plan merged into the Plumbers and Steamfitters Local 486 Severance and Annuity Plan and the Plan was renamed the Plumbers & Steamfitters Local 486 Severance and Annuity 401(k) Plan. The Plan is a defined contribution plan that provides supplemental retirement and other special benefits to participants and their beneficiaries. The operation and administration of the Plan is the joint responsibility of the Board of Trustees (the Trustees), divided equally between employer trustees and union trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan was established pursuant to the collective bargaining agreement with Local Union 486 of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada, AFL-CIO (Local Union 486), whereby participating employers contribute money on the employees' behalf, based on hours worked. Journeymen and 2nd to 5th year apprentices are eligible to participate in the Plan. The contributions are deposited into an individual's account, where they will be ultimately distributed in accordance with the Plan provisions upon the participant's termination.

The Plan has a 401(k) feature that was established to provide benefits to eligible participants through a tax-deferred compensation arrangement. Accordingly, participant contributions and the investment income derived from such contributions are not considered taxable income until received as a distribution from the Plan.

Participant Accounts - The value of an individual participant's account is determined on a daily basis considering each day of the Plan year as the valuation date for an individual participant's account. At the close of each business day, the individual participant account balances are adjusted for the amount of employer and employee contributions, if any, investment earnings/losses, loan transactions and an allocation of administrative expenses.

Vesting - All participants are 100% vested upon entering the Plan.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Investment Options - Upon enrollment into the Plan, a participant may direct any portion of their individual account balance into various investment options offered by the Plan.

The Plan currently offers various pooled separate accounts, collective trusts, and mutual funds as investment options for participants. Participants may change their options daily. Participants who fail to direct their individual account balance will automatically be invested in a target date fund which is appropriate for their age group as determined by the trustees or, if their age is unknown, a money market fund.

Unallocated Amounts - Participant accounts are credited with contributions from the employers. If a participant's account is credited with more employer contributions than the amount allowable by law, they are considered to be a highly-compensated participant, and the amount over-credited to their account is forfeited and sent to the Plan; these amounts are included in an unallocated account until they can be properly allocated by the Plan. As of December 31, 2023 and 2022, the Plan had a total of \$787,052 and \$567,827, respectively, in unallocated accounts.

Notes Receivable from Participants - After five years of participation in the Plan, a participant may borrow not more than the lesser of: \$50,000 or 40% of the amount credited to their respective account reduced by any outstanding loans from the Plan on the date the loan is made. (Only one loan is permissible at any time unless the loan is for either medical self-payments or educational expenses, as described in the Plan document.) Loans must be paid back within 5 years. Repayments are required on at least a quarterly basis beginning with the quarter the participant receives the loan. Failure to remit timely payments may result in a default, in which case the outstanding principal and interest balance would be considered a taxable distribution to the participant.

Contributions - Contributions to the Plan are provided by the employers in the amount specified by the current collective bargaining agreement between the union and the employers. Eligible Plan participants may also defer current wages at the rate determined by the collective bargaining agreement between the employers and the Local Union 486 up to 100% of compensation and not to exceed the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Empower Fee Credits - Empower, the Plan's investment manager, collects a fee based on the market value of the Plan's investments for the services they provide. The Plan and Empower have agreed on a maximum amount of fees the investment manager will collect. If the amount of fees exceeds this amount, the additional fees will be credited to an ERISA Budget Account (EBA) for the Plan. If the Plan needs funds to cover expenses, the Plan Administrator will request that funds be withdrawn from the EBA and sent to the Plan. The fee credits received by the Plan from the EBA are included in net appreciation (depreciation) in fair value of investments on the statements of changes in net assets available for benefits. At the end of each year, any amounts still in the EBA will be credited to the participants' accounts as income.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Benefits Paid to Participants - Upon separation from the Plan due to retirement, death, disability, or termination of employment for a period of 12 or more consecutive months and permanent withdrawal from employment within the jurisdiction of the Union, benefits are automatically payable according to methods laid out in the Plan document.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting. Under this basis, revenues are recognized when earned and expenses are recognized when incurred.

Use of Estimates - The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are reported on a trade-date basis. Interest income is reported on the accrual basis. Dividends are reported on the ex-dividend dates. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. See Note 6 for more detail.

New Accounting Pronouncement Adopted - During the year ended December 31, 2023, the Plan adopted the provisions of Accounting Standards Update (ASU) 2016-13, *Financial Instruments – Credit Losses* (Topic 326). This ASU replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The ASU requires nonprofit entities to immediately recognize the estimated expected credit losses over the life of a financial instrument, including trade receivables and contributions receivable. The estimate of expected credit losses considers not only historical information, but also current and future economic conditions and events.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Plan adopted the ASU effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in additional disclosures.

Employers' Contributions Receivable - Employers' contributions receivable represents amounts due under the terms of collective bargaining agreements. Employer contributions are recorded in the period in which the hours giving rise to the contributions are worked.

Reclassifications - Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported net assets or changes in net assets.

NOTE 3. TAX STATUS

The Plan obtained its latest determination letter dated November 18, 2015, in which the Internal Revenue Service (IRS) states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PLAN TERMINATION

The Trustees, as Sponsor, shall have the right to terminate, suspend, withdraw, amend, or modify the Plan, in whole or in part, at any time.

In the event of termination of the agreement and declaration of trust, the balance of the net assets available for benefits is to be used to provide for the payment of any and all obligations of the Plan. Such payments shall be for the exclusive benefit of the members, their families, dependents or beneficiaries, and the administrative expenses of the Plan.

NOTE 5. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include other significant observable inputs including:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Assets at Fair Value as of December 31, 2023			
	Total	Level 1	Level 2	Level 3
Mutual funds	<u>\$ 255,595,288</u>	<u>\$255,595,288</u>	<u>\$ -</u>	<u>\$ -</u>
Total assets in the fair value hierarchy	255,595,288	<u>\$255,595,288</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV*	<u>92,591,310</u>			
Investments at fair value	<u>\$ 348,186,598</u>			

*In accordance with Accounting Standards Codification, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	<u>\$ 208,506,302</u>	<u>\$208,506,302</u>	<u>\$ -</u>	<u>\$ -</u>
Total assets in the fair value hierarchy	208,506,302	<u>\$208,506,302</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV*	<u>88,904,110</u>			
Investments at fair value	<u>\$ 297,410,412</u>			

*In accordance with Accounting Standards Codification, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Mutual funds: Traded in active markets on national and international securities exchanges and are valued at closing prices on the last business day of each period.

Authoritative guidance on fair value measurements permits the Plan to measure the fair value of an investment in an investment entity that does not have a readily determinable fair value based upon the net asset value (NAV) per share of the investment. The fair value of the investments measured at NAV is based on the market value of the underlying assets, less any liabilities, divided by the number of outstanding shares or units. This guidance does not apply if it is probable that the investment will be sold at a value different than NAV.

The Plan's investment in these investment entities is subject to the terms of the respective agreements. Income or loss from investments in these investment entities is net of the Plan's proportionate share of fees and expenses incurred or charged by these investment entities.

The Plan's risk of loss in these entities is limited to its investment. The Plan may increase or decrease its level of investment in these entities at its discretion. The Plan typically has the ability to redeem its investment from these entities on a daily basis, but longer lock-up periods can apply.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize the Plan's investments in certain entities that calculate NAV per share as fair value measurements as of December 31, 2023 and 2022 by investing strategy:

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 92,591,310	None	Daily	1 Day

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 88,904,110	None	Daily	1 Day

The pooled separate account investments are comprised of direct investments in eleven different funds, none of which are direct filing entities (DFE's). They are valued based on the net asset value per share, without further adjustment. The price per unit is calculated based on the fair value of the underlying investments. The SIA-CAA MM S&P 500 Index Fund (Northern Trust) seeks to approximate as closely as practicable the capitalization-weighted total rate of return of that portion of the U.S. market for publicly-traded common stocks composed of larger-capitalized companies. It does this by investing in the equity securities of companies included within the S&P 500 Index.

The SIA-ED Core Bond Fund seeks to achieve a high total rate of return consistent with prudent investment risk and the preservation of capital by investing primarily in a diversified portfolio of investment grade fixed income securities.

The SIA-FQ Short Duration Bond Fund seeks to achieve a high total rate of return primarily from current income while minimizing fluctuations in capital values by investing primarily in a diversified portfolio of short-term investment grade fixed income securities.

The SIA-KY Fundamental Value Fund seeks to provide long-term total return by investing primarily in equity securities of issuers that the fund's subadvisors believe are undervalued.

The SIA-MM EuroPacific Growth Fund (American) seeks to provide long-term growth of capital by investing primarily in common stocks of issuers in Europe and the Pacific Basin that the investment advisor believes have the potential for growth.

The SIA-ND Global Fund seeks to provide long-term capital appreciation by investing primarily in common stocks of companies in the U.S. and foreign countries, with a current emphasis on investing in developed markets.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The SIA-RK Mid Cap Value Fund (CRM) seeks to provide long-term capital appreciation by investing in equity and equity-related securities of U.S. and non-U.S. companies with market capitalizations at the time of initial purchase within the range of those in the Russell Midcap Value Index that are publicly traded on a U.S. securities market.

The SIA-RV Small Cap Index Fund (Northern) seeks to provide investment results approximating the aggregate price and dividend performance of the securities included in the Russell 2000 Index.

The SIA-UH Mid Cap Growth Fund seeks to provide growth of capital over the long-term by investing primarily in equity securities of mid-capitalization companies that the fund's subadvisors believe offer the potential for long-term growth.

The SIA-UY Small Company Value Fund seeks to achieve long-term growth of capital by investing primarily in equity securities that the subadvisors consider to be undervalued.

The MassMutual Holding Account seeks to retain value by investing in relatively nonvolatile securities.

The Stable Return Fund seeks to provide investors with a moderate level of stable income without principal volatility.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan is related to the Plumbers and Steamfitters Local Union No. 486 Joint Administration Fund (the Joint Fund) and the Plumbers and Steamfitters Local 486 Medical Fund (Medical Fund) through common Board of Trustees membership. The Plan's transactions with the Joint Fund consist of the transfer to the Plan of employer contributions received by the Joint Fund throughout the year. During the years ended December 31, 2023 and 2022, contributions of \$15,847,520 and \$13,420,170, respectively, were transferred from the Joint Fund to the Plan. As of December 31, 2023 and 2022, the Joint Fund owed the Plan \$235,508 and \$408,527, respectively, for contributions received during the Plan year and not transferred. The Plan also pays the Joint Fund for certain common administrative expenses. During the years ended December 31, 2023 and 2022, the Plan paid the Joint Fund \$-0- for both years, for common administrative expenses. The amounts payable to the Joint Fund for reimbursement of administrative expenses was \$-0- as of December 31, 2023 and 2022. As of December 31, 2022, the Medical Fund owed the Plan \$55,873 in contributions.

The Plan also pays certain investment and administrative fees directly to service providers. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

NOTE 7. RISKS AND SIGNIFICANT UNCERTAINTIES

The Plan invests in various investment securities. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of such investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE 8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through May 29, 2025, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
