AUTHORIZATION FOR REPRESENTATIVE TO ACT ON MY BEHALF

The Department of Labor, Internal Revenue Service, and the Pension Benefit Guaranty Corporation jointly developed the Form 5500 Series so employee benefit plans could utilize the Form 5500 Series forms to satisfy annual reporting requirements under Title I and Title IV of ERISA and under the Internal Revenue Code.

The Department has responded to requests from the regulated community for a change in the electronic signature requirements by permitting plan administrators to authorize plan service providers that manage the plan's annual filing process to electronically submit the Form 5500 for the plan.

The plan administrator must manually sign a paper copy of the completed Form 5500, and the service provider must include a PDF copy of the manually signed Form 5500. The service provider also must inform the plan administrator that, by electing to use this option, the image of the plan administrator's manual signature will be included with the rest of the annual return/report posted by the Labor Department on the Internet for public disclosure.

A statement for service providers that use this electronic signature option is in the IFILE application. The statement provides that, by signing the electronic filing, the service provider is attesting: (1) that the service provider has been authorized in writing by the plan administrator/plan sponsor to electronically submit the return/report; (2) that a copy of the specific written authorization will be kept in the service provider's records; (3) that, in addition to any other required schedules or attachments, the electronic filing includes a true and correct PDF copy of the completed Form 5500 (without schedules or attachments) return/report bearing the manual signature of the plan administrator/employer under penalty of perjury; (4) that the service provider advised the plan administrator/plan sponsor that by selecting this electronic signature option, the image of the plan administrator's/plan sponsor's manual signature will be included with the rest of the return/report posted by the Department of Labor on the Internet for public disclosure; and (5) that the service provider will communicate to the plan administrator/employer any inquiries and information received from EFAST2, DOL, IRS or PBGC regarding the return/report.

This additional e-signature option does not allow a service provider to affix the plan administrator's PIN to the electronic filing because, as described above, EFAST2 prohibits individuals from sharing his or her PIN with the person preparing and transmitting the Form 5500. If the plan administrator is electronically signing the filing, the person authorized to sign as the plan administrator must personally affix his or her own electronic signer credentials.

Under the e-signature option, the name of the service provider who affixed his or her own signer credentials will not appear as the "plan administrator" in the signature area on the image of the Form 5500 posted by the Labor Department on the Internet for public disclosure.
