WESTERN TEAMSTERS WELFARE TRUST

FINANCIAL STATEMENTS

AUGUST 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Western Teamsters Welfare Trust
2323 Eastlake Avenue East
Seattle, Washington 98102

Members of the Board:

Opinion

We have audited the accompanying financial statements of Western Teamsters Welfare Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of August 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of August 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

WESTERN TEAMSTERS WELFARE TRUST

NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Western Teamsters Welfare Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

The Plan is a multiemployer benefit plan designed to provide health and welfare benefits to eligible participants, which include active and casual employees of participating employers and eligible retirees. The Plan is funded by employer contributions in accordance with applicable collective bargaining agreements, and retirees' monthly self-payments in amounts determined by the Board of Trustees. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

For eligible participants who are active employees, the Plan provides medical, dental, vision, drug, and mental health benefits to participants and their covered dependents. It also provides life and accidental death and dismemberment insurance for eligible participants, term life insurance for covered dependents and time loss benefits for eligible non-California employees.

For eligible participants who are casual employees, the Plan provides medical, vision, drug, and mental health benefits to participants and their covered dependents. It also provides life and accidental death and dismemberment insurance for eligible participants and term life insurance for covered dependents.

The Plan also provides medical and drug benefits to eligible retirees and their covered dependents.

The Plan was established August 16, 1962. The Board of Trustees are bonded in accordance with the law and serve without compensation from the Plan; they may be reimbursed for reasonable expenses incurred in the performance of their duties as trustees.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Cash and Cash Equivalents

Cash and cash equivalents include checking and a short-term sweep money market account. The Plan places its cash with a financial institution deemed to be creditworthy. Cash balances may at times exceed the federally insured deposit limit of \$250,000 per bank. Short term sweep money market funds are not federally insured deposits.

WESTERN TEAMSTERS WELFARE TRUST
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for months worked during the year. Employer contributions receivable are estimated based on contributions received subsequent to the end of the year. Contributions received as a result of payroll examinations are recorded when collected. No allowance is necessary for uncollectible accounts.

Active participants whose coverage is interrupted due to an employer delinquency may elect to continue coverage for up to six months by making self-payments at the regular employer contribution rate. In addition, participants may continue coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) in specific instances where coverage under the Plan would otherwise terminate.

Eligible retirees (and their spouses, if applicable) must make monthly self-payments to participate in the Plan. The Board of Trustees establishes self-payment rates on an annual basis.

E. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation and depreciation includes gains and losses on investments bought and sold as well as held during the year.

F. Benefit Obligations

Benefit obligations (except postretirement benefit obligations) were estimated based on premiums and claims experience and other Plan data. Postretirement benefit obligations are actuarially determined by the Plan's actuary.

Premiums payable, claims payable and claims incurred but not reported are estimates of the cost of premiums and claims incurred by participants under the terms of the Plan through August 31. Estimated claims incurred but not reported is calculated by the Plan's consultant, Milliman. Future eligibility is an estimate of the cost to the Plan for benefits earned based on work in July and August which provide eligibility for September and October.

The plan of benefits for casual employees requires fifteen shifts of at least four hours each to maintain coverage, as discussed in Note 4 below. If a casual employee is employed in excess of thirty shifts during any month, the excess is credited to his "Bank of Shifts". The maximum number of shifts that may be accumulated in a participant's bank at any time is ninety shifts (six months of coverage). All shifts in a participant's bank will be cancelled if he/she fails to be covered as a casual employee of the Plan for a period of twelve consecutive months. The obligation for "Continuation of Benefits" on the statements of benefit obligations is an estimate of the Plan's liability for future benefits based on the number of shifts accumulated in the bank as of August 31, 2024 and 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Benefits

Benefits are reported when paid.

H. Tax-Exempt Status

No provision for federal or state income tax is made. The Plan has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9) and the state of California under Revenue and Taxation Code Section 23701i.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. Funding

The Plan is financed by employer and retiree contributions and from participants electing COBRA coverage. Employer contributions are made in accordance with provisions of collective bargaining agreements. Contribution rates are set by the Board of Trustees based on information provided by the Plan consultant.

J. Postretirement Benefits

Accounting principles generally accepted in the United States of America require that multiemployer welfare benefit plans adopt Statement of Position ASC 965 *Accounting and Reporting by Health and Welfare Benefit Plans* (ASC 965). ASC 965 requires that defined benefit health and welfare plans report postretirement benefit obligations for retired participants including their beneficiaries and covered dependents, active and terminated participants who are fully eligible to receive postretirement benefits, and active participants not yet fully eligible for postretirement benefits.

The Plan does not have an obligation under prevailing law, collective bargaining agreements or its written plan documents to provide postretirement welfare benefits on a lifetime basis or to arrange for the funding of such benefits. To the contrary, the written terms of the Trust's benefit plans have consistently advised participants that benefits under the Retirees Plan are provided only on a month-to-month basis to the extent that such moneys are currently available and that such benefits are not guaranteed to continue indefinitely. Additionally, the governing Trust Agreement and the written terms of the Trust's benefit plans expressly recognize the Board of Trustees' right to modify retiree benefits or to terminate the Retirees Plan at any time.

K. Risks and Uncertainties

Estimates for claims incurred but not reported, future eligibility and postretirement benefit obligations are based on certain assumptions pertaining to interest rates, participant demographics and other assumptions which are subject to change. Due to the uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimate and assumption in the near term would be material to the financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

K. Risks and Uncertainties (Continued)

Plan investments are exposed to various risks including interest rate, market and credit risk. Due to the level of risk associated with investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term could be material to the financial statements.

NOTE 3 - PRIORITIES UPON TERMINATION

In the event of termination, Plan assets are to be used first for the payment of expenses and benefit payments incurred up to the date of termination and expenses incident to such termination. Any remaining assets will be distributed in such a manner as determined by the Board of Trustees to further the purpose of the Plan, including but not limited to purchase of existing insurance benefits on a pro-rata basis or transfer of such funds to a successor trust having the same or similar purposes. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of participants.

NOTE 4 - Eligibility

Employees are eligible for benefits under the Active Regular Employees Plan if they are an active regular employee of an employer who is party to a Teamsters Union Collective Bargaining Agreement and who is making the required contributions on their behalf to the Plan for the purpose of providing health and welfare benefits. Employees may also be eligible if they are employed by a local of the Teamsters Union and the local union is making contributions for them and the other staff employees as allowed in a written agreement with the Board of Trustees.

1. Active Regular Employees

Participants and their eligible dependents will become covered under the Active Regular Employees Plan on the first day of the calendar month following the second calendar month in which they complete the required hours of work as an active regular employee (currently 100 hours) for any participating employer who has made the required contributions for these Plan benefits. Catastrophic needs medical coverage is provided for active regular employees who work at least 60, but less than 100, hours in a month.

2. Casual Employees

Participants and their eligible dependents will become covered under the Casual Employees Plan on the first day of the second calendar month following a month of employment for any participating employer who has made the required contributions for these Plan benefits for at least 15 shifts, of four (4) hours each, of casual employment, subject to the Plan's deferment of coverage provisions.

3. Retirees

To be eligible to participate in the Retirees Plan, participants must meet the following requirements:

NOTE 4 - GENERAL INFORMATION (Continued)

1. Retirement after employment with a contributing employer,

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. Following is a description of the valuation methodologies used for assets measured at fair value.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Mutual funds are valued at closing market prices (Level 1). Fair values of government debt securities are generally determined using a market based model in which consideration is given to yield or price of comparable securities, coupon rate, maturity, credit quality and dealer prices (Level 2).

The following tables set forth by level the Plan's fair value measurements at August 31:

	2024			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 99,611,559	\$ -	\$ -	\$ 99,611,559

Investments Measured at Net Asset Value ^A				<u>62,408,791</u>
				<u>\$ 170,426,098</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) are not classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of their fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at net asset value (NAV) per share or its equivalent:

The common/collective trust is a direct filing entity.

NOTE 7 - ENHANCED RETIREE PRE-FUNDING PROGRAM

The Board of Trustees instituted a method of "pre-funding" retiree benefits with a portion of participating employers' contributions made on behalf of active and casual employees. Effective with August 2003 work hours, \$43.25 of monthly contributions paid on behalf of each active and casual employee will be allocated to retiree reserves. Effective with August 2004 work hours, \$69.20 of monthly contributions is allocated to retiree reserves.

WESTERN TEAMSTERS WELFARE TRUST
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2024 AND 2023

NOTE 8 - POSTRETIREMENT BENEFIT OBLIGATIONS

The amount reported as the postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed under terms of the plan to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with participating employers. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Plan's participating employers and from existing plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money through discounts for interest and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The following are significant assumptions used in the valuations as of August 31, 2024 (2023):

Discount Rate:	4.85% (5.10%) Per Annum
Actuarial Cost Method:	Projected Unit Credit
Mortality:	Pri-2012 Total Dataset Headcount-Weighted Employee Tables projected generationally using scale MP-2021 from 2012
Marital Status:	50% - Husbands assumed to be two years older than wives
Health Care Inflation:	Medical inflation assumption is based on the Getzen Model
Administrative Expenses:	Included in Per Capita Claims Costs

Decreasing the discount rate from 5.10% to 4.85% per annum and the change in long-term rate of medical inflation resulted in a net increase to the postretirement benefit obligations by approximately \$2,900,000.

The health care cost-trend rate assumption has a significant effect on the amounts reported. If the assumed rates increased by one percentage point in each year, that would decrease the obligation as of August 31, 2024 and 2023 by \$8,522,433 and \$12,305,179, respectively.

The foregoing assumptions are based on the presumption that the Plan will continue and that retiree benefits continued to be provided at current benefit levels. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

NOTE 9 - MEDICARE SUBSIDY

The Medicare Prescription Drug, Improvement and Modernization Act of 2003 (the Act) includes a prescription drug benefit under Medicare as well as a federal subsidy to sponsors of retiree health care benefit plans providing a benefit that is at least actuarially equivalent to Medicare Part D. Under

WESTERN TEAMSTERS WELFARE TRUST

NOTE 9 - MEDICARE SUBSIDY (Continued)

the Act, for multiemployer plans, any Medicare subsidy is received directly by the Plan and not the individual employers participating in the Plan. The gross subsidies received were approximately \$38,900 and \$238,000 for the years ended August 31, 2024 and 2023, respectively, and have been included in reimbursements and other income in the accompanying statements of changes in net assets available for benefits.

Members of the Board:

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of August 31, 2024 and reportable transactions for the year ended August 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
