INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Brubacher Excavating, Inc.
Welfare Benefit Plan

Opinion

We have audited the financial statements of the Brubacher Excavating, Inc. Welfare Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended October 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of October 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended October 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter—Supplemental Information Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information noted in the table of contents as of October 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

BRUBACHER EXCAVATING, INC. WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Brubacher Excavating, Inc. Welfare Benefit Plan (the “Plan”) provides only general information about the Plan’s provisions. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan’s provisions, which are available from the Plan administrator.

General

The Plan provides certain health benefits through a self-funded trust account as well as other benefits sponsored by Brubacher Excavating, Inc. and M3Explo, LLC (the “Companies”) for the benefit of its full-time employees, who have worked at least 30 hours per week and have been employed for 60 calendar days.

The Plan is subject to the provisions of the Employee Retirement Security Act of 1974, as amended (“ERISA”).

The Plan was amended effective August 1, 2024 to include the Company’s paid time off (PTO) plan. Full-time and part-time employees are eligible for PTO benefits in accordance with the PTO plan. Temporary and seasonal employees are not eligible for PTO benefits. Employees are required to work at least one day in a new calendar year in order to be eligible for PTO benefits in that year.

Benefits

The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance, short- and long-term disability benefits, accidental death and dismemberment benefits, and PTO benefits. The majority of health benefits are provided through a qualified high deductible health plan (“QHDHP”). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (“COBRA”).

The Plan pays participant medical claims up to a certain amount per individual. Any medical claims in excess of this amount are covered by the Companies’ stop-loss coverage policy. The funds needed to pay medical claims are administered by the Brubacher Excavating, Inc. Health Insurance Trust Fund (the “Trust”).

Insured Benefits

The Plan fully insures vision, dental, short- and long-term disability, and accidental death and dismemberment benefits. The Companies purchase annual insurance contracts for these insured benefits. Premiums for vision, dental, and long-term disability benefits are deducted from the employee’s pay and paid to an insurance company from the general assets of the Companies. Premiums for basic life insurance, short-term disability, and basic accidental death and dismemberment insurance programs are fully funded by the Companies.

BRUBACHER EXCAVATING, INC. WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

Stop-Loss Coverage

The Plan has a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The specified amount based on the insurance contract is \$105,000 per person.

Self-Insured Benefits

Medical and prescription drug benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only ("ASO") arrangements. The claims processor pays claims directly to or for participants and is then reimbursed by the Trust. Despite the Plan's utilization of the third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager ("PBM") to help control drug costs. The PBM paid refunds to the Plan based on the Plan's actual utilization pattern of specific drugs. There is an inherent lag between the periodic capture and calculation of refunds due to the Plan and receipt of such refunds.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Contributions are made by the Companies on behalf of Plan participants on a weekly basis. If at any point during the year contributions are insufficient to pay claims, the Companies are required to make additional contributions to fund claims as deemed necessary by the Plan administrator. The contributions of the Companies are determined by the Plan administrator in order to provide the Plan with assets sufficient to meet benefit obligations. The Companies may elect to collect a certain portion of the contributions from their employees throughout the Plan year via payroll deductions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Companies on a pay as-you-go basis.

Vacation benefits are contributed to the Plan when earned as per the Companies' PTO plan. PTO contributed to the Plan during the year totaled \$373,744 and is included in employer contributions on the statement of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

BRUBACHER EXCAVATING, INC. WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Companies or the Trust are recorded as premiums paid in the accompanying statement of changes in net assets available for benefits.

Medical and prescription drug claim payments are recorded when paid by the third-party claims processor. Amounts due to the third-party claims processor that have yet to be reimbursed by the Plan are recorded as accrued expenses in the accompanying statements of net assets available for benefits. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Vacation benefits are paid out to participants when PTO is used. PTO paid out to participants totaled \$305,024 and is included in vacation benefits paid on the statement of changes in net assets available for benefits.

Stop-Loss

Premiums for stop-loss insurance are paid by the Companies and the Trust and are included in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds totaling \$110,052 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Refunds

Refunds due from the Plan's pharmacy benefit manager and third-party claims processor are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$179,560 and claims refunds totaling \$5,124 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Concentration of Credit Risk

The Plan maintains cash balances at a financial institution. The cash balances are secured by the Federal Deposit Insurance Corporation (FDIC) up to applicable FDIC limits. At times, the Plan's deposits may exceed insured limits.

BRUBACHER EXCAVATING, INC. WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

Administrative Expenses

Administrative expenses consist primarily of administrative fees paid to the third-party claims processor and professional fees. These expenses are paid from the Trust and are included on the statement of changes in net assets available for benefits as administrative expenses.

3. ACCUMULATED PLAN BENEFITS

Plan obligations at October 31, 2024 and 2023 for claims incurred but not reported are estimated based on claims data provided by the Plan's third-party claims processor. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Total of claims incurred but not reported as of October 31, 2024 and 2023, are as follows:

	2024	2023
Amounts currently payable		
Claims incurred but not reported	\$ 417,521	\$ 221,688

The changes in claims incurred and paid for the year ended October 31, 2024, are as follows:

Amounts currently payable		
Balance at beginning of year		\$ 221,688
Claims incurred		2,013,526
Claims paid, net		(1,817,693)
		<hr/>
Balance at end of year		\$ 417,521

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

BRUBACHER EXCAVATING, INC. WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Interest-bearing cash – Valued at cost and classified within Level 1 of the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

Investments at fair value as of October 31, 2024:

	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 537,957	\$ -	\$ -	\$ 537,957
Investments at fair value	\$ 537,957	\$ -	\$ -	\$ 537,957

BRUBACHER EXCAVATING, INC. WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

As described in Notes 1 and 2, the Plan has several arrangements with service providers. During the year ended October 31, 2024, the Plan's interest-bearing cash was held in custody at Link Bank. These transactions are party-in-interest transactions under ERISA.

6. PLAN TERMINATION

Although they have not expressed any intention to do so, the Companies have the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue their contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Companies or be used for purposes other than for the exclusive benefit of the Plan's participants.

7. TAX STATUS

The Trust constitutes a welfare benefit fund, as defined in Internal Revenue Code (IRC) Section 419(e). Any income of the Trust will be included in the Employer's gross income. The Plan administrator believes that the Plan and related Trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISK AND UNCERTAINTIES

The Plan maintains cash balances at a financial institution. The cash balances are secured by the Federal Deposit Insurance Corporation (FDIC) up to applicable FDIC limits. At times, the Plan's deposits may exceed insured limits.

The Plan Sponsor's estimate of benefit obligations is subject to certain assumptions that are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
