INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and Participants of
Northstrat Inc. 401(k) & Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audit of the accompanying financial statements of Northstrat Inc. 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Northstrat Inc. 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2024 and 2023, and for the year ended September 30, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Northstrat Inc. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northstrat Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amount and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northstrat Inc. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northstrat Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Northstrat Inc. 401(k) & Profit Sharing Plan
Notes to Financial Statements

NOTE A – DESCRIPTION OF PLAN

The following description of Northstrat Inc. 401(k) & Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General. The Plan, originally effective January 1, 2007, and restated April 22, 2021, is a defined contribution plan covering all employees of Northstrat Inc. (The Company), excluding certain classes of employees as set forth in the plan document. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of Plan Assets. The Plan is administered under a service agreement with Fidelity Management Trust Company (the Trustee).

Contributions. During the year, the Company contributes to the Plan 25% of the participant’s salary. Additional amounts may be contributed at the option of the Company’s board of directors. Participants may contribute up to \$23,000 (\$30,500 with catch-up contribution) of their annual compensation. Participants who have attained age 50 before end of the Plan are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Additional profit sharing amounts may be contributed at the option of the Company’s board of directors. Contributions are subject to certain statutory limitations.

Participant Accounts. Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting. Participants are immediately vested in their voluntary contributions and the Company contributions portion of their accounts plus actual earnings thereon.

Notes receivable from participant. Participants may borrow from their accounts up to \$50,000 or one-half the present value of the participants’ vested interest in their accounts. Loan transactions are treated as transfers between the investment funds and the participant loan fund. The loans are collateralized by the balance in the participant’s account and bear a reasonable rate of interest as determined by the Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years or up to 10 years for loan related to the purchase of a Participant’s primary resident.

Pursuant to the CARES Act, effective January 1, 2020, the Plan was amended to provide higher limits on the amount of new loans participants may request and temporary relief from loan repayment on existing loans.

Northstrat Inc. 401(k) & Profit Sharing Plan
Notes to Financial Statements

NOTE A – DESCRIPTION OF PLAN (Continued)

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant’s vested interest in his or her account in either a lump-sum amount, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Pursuant to the “Coronavirus Aid, Relief, and Economic Security (CARES) Act,” effective January 1, 2020, the Plan was amended to provide relief from the 10% percent withdrawal penalty for participants under the age of 59.5 years for coronavirus-related distributions, as defined in the law, of up to \$100,000 per participant.

Plan Termination. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties. The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants’ account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Investment Valuation and Income Recognition. The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s committee determines the Plan’s valuation policies utilizing the information provided by the investment advisors and custodians. See Note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (Continued)

Administrative Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net realized and unrealized appreciation in fair value of investments.

Payment of Benefits. Benefits are recorded when paid.

Notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2024 and 2023.

Excess Contribution Payable. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributes the excess contributions to the applicable participants prior to March 15 of the following year.

NOTE C – TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2021, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audit for any tax period in progress.

NOTE D – CERTIFICATION BY FIDELITY MANAGEMENT TRUST COMPANY

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Trustee has certified that the following items in the accompanying financial statements are completed and accurate: fair value of investment balances at September 30, 2024 and 2023, interest and dividends and net appreciation in fair value of mutual funds and participant loans for the year ended September 30, 2024, carrying amount of notes receivable from participants and all related financial information provided in the notes and supplemental schedule.

NOTE D – CERTIFICATION BY FIDELITY MANAGEMENT TRUST COMPANY (Continued)

The Plan's independent public accountants did not perform auditing procedures with respect to the above information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTION

Certain Plan investments are shares of mutual funds managed by the Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee, as defined by the Plan, therefore, these transactions qualify as party-in-interests transactions. Fees paid by the Plan for the investment management services amounted to \$195,363 and \$146,587 (direct fees) and varying percentages for indirect fee for the year ended September 30, 2024 and 2023.

Fidelity Management Trust Company (FMTC) provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (MSA) between the Company and FMTC. FMTC receives revenue from mutual fund service providers for services FMTC provides to the funds. This revenue is used to offset certain amounts owed to FMTC for its administrative service to the Plan.

NOTE F – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 and Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 input for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net assets values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net assets value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

The fair value of corporate bonds and U.S. government securities are valued using a market approach on yields currently available on comparable securities on issuers with similar credit ratings.

NOTE F – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of September 30, 2024 and 2023:

	Fair Value	Fair Value Measurements at the End of the Reporting Period Using	
		Quoted Prices In Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)
		Fair Value	Fair Value
<u>September 30, 2024</u>			
Mutual Funds	\$ 47,707,320	\$ 47,707,320	\$ 0
Self-directed Brokerage Accounts	<u>6,079,034</u>	<u>6,079,034</u>	<u>0</u>
Total Assets at Fair Value	<u>\$ 53,786,354</u>	<u>\$ 53,786,354</u>	<u>\$ 0</u>
 <u>September 30, 2023</u>			
Mutual Funds	\$ 33,026,367	\$ 33,026,367	\$ 0
Self-directed Brokerage Accounts	<u>4,518,765</u>	<u>4,518,765</u>	<u>0</u>
Total Assets at Fair Value	<u>\$ 37,545,132</u>	<u>\$ 37,545,132</u>	<u>\$ 0</u>

Gains and losses included in changes in net assets available for benefits for the year ended September 30, 2024, is reported in net appreciation in fair value of investments.

The Plan’s policy is to recognize transfers between Levels 1 and 2 and into and out of Level as of the date of the event or change in circumstances that caused the transfer. For the year ended September 30, 2024 and 2023, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

NOTE G – SUBSEQUENT EVENT

Management has adopted ASC 855, subsequent events (formerly SFAS No. 165) effective for interim and annual periods ending after June 15, 2009. Management has evaluated events occurring after the Statements of Net Assets Available for Plan Benefits through June 9, 2025, and determined that no material transactions have occurred that would impair the financial position or results of operations as of September 30, 2024 and 2023.
