## **Independent Auditor's Report**

To the Plan Administrator and Those Charged with Governance of  
AMTRACO 401(k) Plan  
Franksville, Wisconsin

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of the AMTRACO 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the AMTRACO 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the AMTRACO 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the AMTRACO 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AMTRACO 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the AMTRACO 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedules Required by ERISA*

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Other Matter – 2020 Financial Statements**

The financial statements of the Plan as of December 31, 2020, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal Life Insurance Company. Their report, dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to Financial Statements

December 31, 2021

---

### **Note 1 – Plan Description**

---

The following description of the AMTRACO 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### *General*

The Plan is a defined contribution plan covering substantially all employees of AMTRACO American Trading Companies LLC, Engineered Products & Services, LLC, Specialty Tapes, LLC, Trik Topz, LLC and Sarajian Building Management (the “Company”) who have attained age 21 and have completed two months of service. The Plan excludes leased employees, non-resident aliens and employees covered by collective bargaining agreements.

Effective December 31, 2021, An-Kor Rack Company and Associated Rack Company were acquired and listed as participating employers within the Plan.

#### *Contributions*

Participants may contribute a percentage of their compensation as pre-tax deferrals and Roth deferrals, subject to Internal Revenue Code (IRC) limitations. Participants ages 50 and older may make additional “catch-up” contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Company makes a safe harbor matching contribution equal to 100% of the first 3% of eligible compensation deferred plus 50% of the next 2% of eligible compensation deferred. The Company may also provide an additional discretionary profit sharing contribution at the option of the Company’s Board of Directors. Contributions are subject to certain limitations. Participants direct the investment of contributions into various investment options offered by the Plan.

The Plan includes an automatic enrollment and automatic deferral increase provision. Automatic deferrals begin at 2% and increase 1% each year, to a maximum of 5%. Employees may decline salary deferral contributions to the Plan at any time and may adjust their salary deferral amounts effective the first day of each month.

#### *Participant Accounts*

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contributions, plan earnings, and charged with an allocation of administrative expenses. Forfeited balances of terminated participants’ nonvested accounts are used to reduce employer contributions and pay administrative expenses.

#### *Vesting*

Participants are immediately vested in their contributions and the Company’s safe harbor matching contributions, plus earnings thereon. Vesting in the Company’s discretionary contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested in the Company’s discretionary contributions after four years of credited service.

#### *Forfeitures*

There were \$252 and \$247 of forfeited non-vested amounts at December 31, 2021 and 2020, respectively.

**AMTRACO 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2021**

*Notes from Participants*

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one to five years unless the note is for purchase of a primary residence, in which case the term may exceed five years. Notes are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator, which has been set at 2% over the prime interest rate for the second business day of the month of loan inception. Interest rates ranged from 4.25% to 7.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions.

*Payment of Benefits*

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. The Plan allows in-service withdrawals from all vested amounts for participants aged 59 ½ and hardship withdrawals.

*Administrative Costs*

Plan administrative expenses may be paid by the Company or the Plan on a discretionary basis.

---

**Note 2 – Significant Accounting Policies**

---

*Basis of Accounting*

The financial statements of the Plan are prepared using the accrual method of accounting.

*Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Valuation of Investments and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**AMTRACO 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2021**

*Notes from Participants*

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

*Payment of Benefits*

Benefit payments are recorded when paid.

*Subsequent Events*

Subsequent events have been evaluated through April 15, 2025, the date the financial statements were available to be issued.

---

**Note 3 – Fair Value Measurements**

---

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consists of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Plan was invested in the Reliance MetLife 25157 Stable Value Class 0 at December 31, 2021 and 2020. The net asset value of this investment is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

**AMTRACO 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2021**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	<b>Fair Value Measurements at Reporting Date Using:</b>	
	<b>Fair Value</b>	<b>Quoted Prices in Active Markets for Identical Assets (Level 1)</b>
<b><u>December 31, 2021</u></b>		
Mutual funds	\$ 4,739,600	\$ 4,739,600
Total assets in fair value hierarchy	4,739,600	4,739,600
Investments measured at NAV (a)	60,544	-
Investments at fair value	<b>\$ 4,800,144</b>	<b>\$ 4,739,600</b>
<b><u>December 31, 2020</u></b>		
Mutual funds	\$ 3,983,229	\$ 3,983,229
Total assets in fair value hierarchy	3,983,229	3,983,229
Investments measured at NAV (a)	49,183	-
Investments at fair value	<b>\$ 4,032,412</b>	<b>\$ 3,983,229</b>

(a) In accordance with Subtopic 820 10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

***Level 1 Fair Value Measurements***

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

***Investments Measured Using the Net Asset Value per Share Practical Expedient***

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency</b>	<b>Redemption Notice Period</b>

**Note 4 – Investment Contract**

---

The Plan is invested in the MetLife 25157 Stable Value Class 0 at December 31, 2021 and 2020. This investment is composed primarily of guaranteed investment contracts and wrapper contracts which are benefit responsive and are required to be stated at fair value. Participant transactions (purchases and sales) may occur daily. The Fund's investment objective is to preserve principal while generating earnings at rates competitive over time with short term high quality fixed income investments. To achieve this, the Fund invests in the MetLife Group Annuity Contract 25157 which consists of separately managed investment portfolios directed by Reliance Trust Company. Although individual investment contracts within the Fund represent credit obligations of the issuer, units of the Fund are not guaranteed by Reliance Trust Company or the Plan Sponsor, nor are they insured by the FDIC or any other state or federal agency. The average yield for this fund was approximately 2.06% for the year ended December 31, 2021. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants was 2.32% for the year ended December 31, 2021.

**Note 5 –Related Party Transactions**

---

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

---

**Note 6 –Plan Termination**

---

Although it has expressed no intention to do so, the Company reserves the right to discontinue the Plan at any time, subject to Plan provisions. Upon termination of the Plan, the participants shall become fully vested in the balance in their accounts and the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time as prescribed by the Plan terms and the *Internal Revenue Code (IRC)*.

---

**Note 7 –Tax Status**

---

The Plan was restated in 2021 under a pre-approved defined contribution plan document sponsored by Newport Group Incorporated. Newport Group Incorporated received a letter from the Internal Revenue Service dated June 30, 2020, stating that its master pre-approved plan document is designed in accordance with applicable sections of the IRC. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
