INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
KEMRON Environmental Services, Inc. 401(k) Plan
Vienna, Virginia 22182

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of KEMRON Environmental Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of KEMRON Environmental Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KEMRON Environmental Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KEMRON Environmental Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KEMRON Environmental Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KEMRON Environmental Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KEMRON ENVIRONMENTAL SERVICES, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023

1. Description of Plan

The following description of the KEMRON Environmental Services, Inc. 401(k) Plan (“the Plan”) is provided for general information purposes only. The Plan agreement should be referred to for a more complete description of the Plan’s provisions.

a. General

Kemron Environmental Services, Inc. (“the Company”) established the Plan and Trust effective January 1, 1978. The Plan is a salary deferral plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The plan is administered by a Trustee appointed by the Company. The Trustees are Juan J. Gutierrez and John Dwyer, and they have appointed American Trust Company (“American Trust”) to hold all assets and administer investments.

b. Eligibility

Employees of the Company who are 21 years of age and older are eligible to participate in the Plan after completing six (6) months of employment. An employee will be deemed to have completed 6 months of service if he or she is employed by the Company on any date ending 6 months after the date he or she first completes an hour of service. All other employees will be eligible to participate when they have attained age 21 and completed one (1) year of service.

c. Contributions

Participants may elect to defer, before tax, a part of their compensation. The Company may make additional contributions to the Plan from its profits. Each participant may direct the investment of their 401(k) salary deferred contributions and the Company matching contributions among a family of more than twenty investment funds maintained by American Trust.

Effective April 1, 2020, the Plan adopted the automatic contribution arrangement. This type of automatic enrollment allows the plan administrator to enroll certain employees in the Plan who have not previously elected to participate in the Plan.

Notes to the financial statements (continued)

d. Participant Accounts

Each participant's account is credited with the employee's contribution, an allocation of the employer contribution, and the investment earnings/losses realized in their individual accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

The participant is fully vested in his or her participant contribution account.

Participants will acquire a vested interest in their matching contribution account and profit sharing contribution account determined on the basis of years of service as follows:

<u>Years of service</u>	<u>Percentage</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

f. Participant Loans

Participants may borrow, from salary deferral contributions and the vested portion of the employer contributions, up to a maximum of the lesser of \$50,000 or 50% of the value of the vested portion of their accounts, but not less than \$1,000. The loans are secured by the balance in the participants account. Amounts borrowed are repaid not less frequently than quarterly, and the term of the loan may not exceed five years, except for the purchase of principal residence.

g. Payment of Benefits

Distributions of benefits from the plan (except for hardship withdrawals) are usually only available after participants terminate employment. However, after participants reach the normal retirement age, participants can take distributions from the Plan while still employed.

h. Forfeitures

Forfeitures may first be used to pay any administrative expenses. Any remaining forfeitures will be used to reduce any employer contribution. Forfeitures used for employer contributions in 2023 total \$22,338. At December 31, 2023 and 2022, forfeited nonvested account total \$20,962 and \$27,068, respectively.

Notes to the financial statements (continued)

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, which is in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

b. Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

c. Investments Valuation and Income Recognition

The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on the trade-date. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis of accounting. The net appreciation in fair value of investments account includes the Plan’s gains and losses on investments bought and sold during the year and the gains and losses on investments held at the end of the year.

d. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

e. Payment of Benefits

Benefits are recognized when paid.

f. Date of Management’s Review

Subsequent events were evaluated through the date of the independent auditor’s report, which is the date the financial statements were available to be issued.

Notes to the financial statements (continued)

3. Tax Status

The Company adopted a prototype nonstandardized profit sharing plan established by Transition Finance Strategies. The prototype plan has received an opinion from the Internal Revenue Service dated January 15, 2021. The opinion letter provides that the prototype plan document is a qualified plan under the provisions of Section 401 of the Internal Revenue Code (“the Code”). The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

4. Investments

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist primarily of investments. The Plan has offered Plan participants investment options in various investment vehicles as a means of reducing the effects of such risks.

5. Fair Value Measurements

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth, by level within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022:

December 31, 2023

Description	Total Fair Value	Fair Value Measurements at Reporting Date Using		
		Level 1	Level 2	Level 3
Common collective funds	\$ 16,636,407	\$ —	\$ 16,636,407	\$ —
	<u>\$ 16,636,407</u>	<u>\$ —</u>	<u>\$ 16,636,407</u>	<u>\$ —</u>

Notes to the financial statements (continued)

December 31, 2022

Description	Total Fair Value	Fair Value Measurements at Reporting Date Using		
		Level 1	Level 2	Level 3
Common collective funds	\$ 13,572,803	\$ –	\$ 13,572,803	\$ –
	<u>\$ 13,572,803</u>	<u>\$ –</u>	<u>\$ 13,572,803</u>	<u>\$ –</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 fair value measurements - The fair value is based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value measurements – The fair value is based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Investments in common collective funds are valued based on the funds' unit value. The unit value is based on observable values of the underlying holdings within the account. The unit value of the funds are determined daily, and net investment income and realized and unrealized gains are not distributed but rather reinvested and reflected in the net asset values of the funds. Units of participation are purchased and redeemed at the unit value. Each class of units has equal rights as to net assets and earnings and losses, except that each class separately bears certain class-specific expenses related to investment management, custodian fees and maintenance of participant accounts.

Level 3 fair value measurements - The value is based on at least one significant unobservable input for the asset. Level 3 securities, if any, contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

6. Information Certified by the Custodian

The financial statements for the year ended December 31, 2023 and 2022 were prepared from information provided by American Trust, the custodian, who certified it was complete and accurate to the best of their knowledge.

7. Party-In-Interest Transactions

Plan investments totaling \$16,636,407 and \$13,572,803 as of December 31, 2023 and 2022, respectively, are shares of common collective funds managed by American Trust, the custodian; therefore, these transactions qualify as party-in-interest transactions.

8. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time by action of the Company's board of directors, subject to the provisions of ERISA. If the Plan is terminated, all participant accounts become fully vested and distributable based on the Plan's guidelines. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such manner as the Company may determine.
