INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Community Solutions, Inc. Prototype 401(k) Profit-Sharing Plan

Report on the Financial Statements

We have performed audits of the accompanying financial statements of the Community Solutions, Inc. Prototype 401(k) Profit-Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROTOTYPE 401(K) PROFIT-SHARING PLAN

Notes to Financial Statements

June 30, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Community Solutions, Inc. Prototype 401(k) Profit-Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document and any related amendments, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) and profit-sharing plan covering all eligible employees of Community Solutions, Inc. and its subsidiaries: CSI Connecticut, Inc., Collins Group, Inc. and Living in Safe Alternatives, Inc. Southington, CT (“LISA”) (collectively referred to as the “Organization” or “Employer”). Employees are immediately eligible to participate in the Plan on their date of hire. Union employees, leased employees and employees who are non-resident aliens are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Each year, participants may contribute up to 90% of compensation on a pre-tax and Roth basis, subject to the limitations prescribed by the Internal Revenue Service (“IRS”), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has an automatic enrollment provision set at 1% with no escalation clause. The Plan currently offers a variety of mutual funds through registered investment companies and a fixed interest investment contract as investment options for participants. The Plan requires the Organization to match 100% of elective deferrals, up to a maximum contribution equal to 4% of eligible compensation, as defined by the Plan. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Organization’s contributions and Plan earnings, and charged with an allocation of investment management expenses. Allocations are based on participant compensation, participant contributions or account balances, as defined. Administrative charges and recordkeeping fees related to participant loans and distributions are deducted directly from the respective participant’s account.

Payment of benefits

On termination of service for any reason, participants may receive a lump-sum payment, substantially equal payments or partial withdrawals. Participants with a vested account balance less than \$7,000 will receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. Participants with a vested account balance greater than \$7,000 may defer payment of benefits until a later date.

Withdrawals from any portion of a participant’s vested account may also be made in the event of a financial hardship, with a minimum amount of \$500, or as an age 59 ½ in-service distribution, in accordance with the provisions specified in the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. In the event of termination due to death, total and permanent disability or normal retirement, participants shall become 100% vested in the Organization contribution portion of their account. For all other participants, vesting in the Organization contribution portion of their account is based on credited years of service, as defined in the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have two outstanding loans at any time. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%, which are commensurate with local prevailing rates as determined by the Plan administrator upon loan issuance. Principal and interest are paid ratably through payroll deductions. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Forfeited accounts

At June 30, 2023 and 2022, forfeited nonvested Employer contribution accounts totaled \$98,779 and \$103,854, respectively. These amounts may be used to pay Plan expenses or to reduce future Employer matching contributions, at the discretion of the Organization. During the year ended June 30, 2023, \$371 of forfeitures were utilized to reduce expenses and \$34,116 of forfeitures were utilized to fund Employer matching contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, the trustee, and insurance company. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Expenses

The Plan is sponsored by the Organization. Personnel within the Organization perform various administrative services for the Plan, including maintenance of participant records. The payroll and related overhead costs associated with these services are not included as Plan expenses, but are paid by the Organization. Expenses paid by the Plan consist of transaction-based fees, Plan administration fees, Plan investment fees, and investment advisory fees, which are charged to the participant's account. Investment related expenses are included in net appreciation in fair value in investments.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan monitored and evaluated subsequent events for footnote disclosures or adjustments required in its financial statements for the year ended June 30, 2023 through February 14, 2025, the date on which the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed interest fund (guaranteed interest account): Valued at fair value on a six-month basis by a crediting rate that assumes market, credit and interest rate risks for the underlying assets of the fund. Any market value adjustment or contract surrender charge is based on set formulas in the contract. These values are observable through the contract and provided on statements.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

	2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 8,288,849	\$ -	\$ -	\$ 8,288,849
Fixed interest fund (guaranteed interest account)	-	2,485,277	-	2,485,277
Total investments, at fair value	<u>\$ 8,288,849</u>	<u>\$ 2,485,277</u>	<u>\$ -</u>	<u>\$ 10,774,126</u>

	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 7,858,701	\$ -	\$ -	\$ 7,858,701

NOTE 4 – CERTIFIED INFORMATION

Certain information related to investments, at fair value and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments, at fair value and notes receivable from participants held at June 30, 2023 and 2022, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended June 30, 2023, was obtained or derived from information supplied to the Plan administrator by certified as complete and accurate by Reliance Trust Company ("Reliance"), the trustee as of June 30, 2023 and for the period from June 1, 2023 through June 30, 2023 and Empower Annuity Insurance Company of America and its subsidiaries, including Empower Retirement, LLC and Empower Trust Company, LLC (collectively "Empower"), the custodian and trustee as of June 30, 2022 and for the period from July 1, 2022 through May 31, 2023.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The prototype Plan document, which the Plan has adopted via a non-standardized adoption agreement, obtained its latest opinion letter dated October 6, 2020 in which the IRS stated that the form of the prototype Plan, as then designed, was acceptable under the applicable requirements of the Internal Revenue Code (“IRC”). The Plan has been amended since receiving the opinion letter. However, the Plan’s administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan qualifies under Section 401(a) and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments include mutual funds and a fixed interest investment contract that are managed by Reliance and Empower. ADP Retirement Services (“ADP”), the recordkeeper from June 1, 2023 to June 30, 2023 is considered a party-in-interest for the Plan. Fees charged by the custodian, trustee and recordkeeper qualify as parties-in-interest. Amounts paid to Empower were \$95,503 and amounts paid to ADP were \$2,214 for the year ended June 30, 2023, respectively.

Additionally, the Plan provides for participant loans. Transactions as such are considered exempt party-in-interest transactions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.
