## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
St. Paul Electrical Construction Workers  
401(k) Plan  
St. Paul, Minnesota

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of St. Paul Electrical Construction Workers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of St. Paul Electrical Construction Workers 401(k) Plan as of September 30, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of St. Paul Electrical Construction Workers 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Paul Electrical Construction Workers 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Paul Electrical Construction Workers 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Paul Electrical Construction Workers 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Trustees  
St. Paul Electrical Construction Workers  
401(k) Plan

**Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of or for the year ended September 30, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including its form and content, were presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**ST. PAUL ELECTRICAL CONSTRUCTION  
WORKERS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN**

St. Paul Electrical Construction Workers 401(k) Plan (Plan) was established effective January 1, 1995, as a result of a collective bargaining agreement between St. Paul Chapter, National Electrical Contractors Association, Inc. (St. Paul NECA) and International Brotherhood of Electrical Workers Local Union No. 110 (Local). It is managed by a Board of Trustees consisting of an equal number of representatives from the St. Paul NECA and the Local. The Plan is a multiemployer defined contribution retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. It has been most recently amended effective January 1, 2020.

**Contributions**

To be eligible to participate in the Plan, the individual must be employed by an entity that is allowed to remit employee contributions to the Plan based on a collective bargaining agreement or participation agreement. A participant may contribute in \$.25 per hour increments, on a pre-tax or Roth after-tax basis, provided the amount does not exceed the maximum amount allowable under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan also allows for in-plan Roth rollovers.

Contributions to the Plan are invested, as directed by participants, in mutual funds and common collective trusts. Participants direct the investment of contributions into various investment options offered by the Plan.

The Plan has reciprocal agreements with other local unions. In accordance with these agreements, the Plan is required to remit funds received and is entitled to receive funds from participating employers on behalf of temporary employees to and from the employees' participating local unions. Reciprocal contributions received and paid are recorded as employer contributions in the statement of changes in net assets available for benefits.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, as well as allocations of Plan earnings. Participant accounts may be charged with an administrative fee. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the benefit provided from their account.

Unallocated cash balances held in invested cash were \$271,018 and \$335,004 at September 30, 2024 and 2023, respectively.

**Vesting**

Participants are 100% vested in their accounts at all times.

**ST. PAUL ELECTRICAL CONSTRUCTION  
WORKERS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Benefit Payments**

Upon termination of service, death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements have been prepared using the accrual basis of accounting.

**Change in Accounting Policy**

The Plan has adopted FASB ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, effective October 1, 2023, utilizing the modified retrospective transition method. The accounting standard modifies the method for estimating credit losses on financial assets from probable or incurred credit losses to lifetime expected future credit losses (CECL). No cumulative effect adjustment to net assets available for benefits as of October 1, 2023, was necessary upon adoption.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investments**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**ST. PAUL ELECTRICAL CONSTRUCTION  
WORKERS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Employer Contributions Receivable**

Contributions due but not paid prior to year-end are recorded as contributions receivable. Reciprocal contributions receivable is also included with employer contributions receivable. Contributions are due from employers as specified in the collective bargaining or participation agreement. In general, contributions are due on the 15th day of each month following the work month. Delinquent contributions and payroll audit findings are individually analyzed for collectability. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of September 30, 2024 and 2023, all outstanding contributions receivable amounts are reported net of contributions considered uncollectible by the Plan. As of September 30, 2024 and 2023, the allowance for credit losses was insignificant.

**Payment of Benefits**

Benefit payments to participants are recorded upon distribution.

**Administrative Expenses**

Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of net assets available for benefits.

**Subsequent Events**

Subsequent events have been evaluated through May 28, 2025, which is the date the financial statements were available to be issued.

**NOTE 3 PRIORITIES UPON TERMINATION**

It is the intent of the trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the trustees. In the event of the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the pensioners, participants, and beneficiaries.

**ST. PAUL ELECTRICAL CONSTRUCTION  
WORKERS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2024 AND 2023**

**NOTE 4 TAX STATUS**

The Plan has received a determination letter in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan's administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5 INVESTMENTS AND FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

**ST. PAUL ELECTRICAL CONSTRUCTION  
WORKERS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2024 AND 2023**

**NOTE 5 INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at September 30, 2024 and 2023.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trust* – Valued at fair value using net asset value per unit without further adjustment. Net asset value is based upon the fair value of the underlying investments. NAV is a readily determinable fair value and is the basis for current transactions.

*Invested Cash* – Valued based on cost, which approximates fair value in a noninflationary economy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets and liabilities at fair value as of September 30:

	2024			Total
	Level 1	Level 2	Level 3

**ST. PAUL ELECTRICAL CONSTRUCTION  
WORKERS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2024 AND 2023**

**NOTE 6 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**NOTE 7 RELATED PARTIES**

One common Board of Trustees governs the Plan and five related plans (St. Paul Electrical Construction Pension Plan, St. Paul Electrical Construction Workers Supplemental Pension Plan, Retirement Medical Funding Plan for St. Paul Electrical Workers, St. Paul Electrical Workers Regular Vacation and Holiday Trust, and St. Paul Electrical Workers' Health Plan). All of these entities are tax-exempt. The Plan has an agreement in place with the St. Paul Electrical Workers' Health Plan to reimburse certain expenses incurred by the Health Plan. The Plan reimbursed the St. Paul Electrical Workers' Health Plan \$700 and \$2,765 for the years ended September 30, 2024 and 2023, respectively.

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA.

**NOTE 8 DELINQUENT CONTRIBUTIONS**

During 2024 and 2023, the Plan failed to remit certain employee contributions for certain payroll periods within the timeframe prescribed by the Department of Labor. These late contributions were corrected during the Plan year ended September 30, 2024.

**NOTE 9 CONCENTRATIONS**

During the year ended September 30, 2024, there was three employers who represented approximately 40% of the total employer contribution. During the year ended September 30, 2023, there were two employers who represented approximately 28% of the total employer contribution.
