Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America except that, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we will not perform any auditing procedures with respect to information prepared and certified to by Fifth Third Bank the custodian, in accordance with DOL Regulation 2520.103-5, other than comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements and schedules taken as a whole. The form and content of the financial statements and schedules, other than that derived from the information certified to by the trustee, will be audited by us in accordance with auditing standards generally accepted in the United States of America, and will be subjected to tests of your accounting records and other procedures we consider necessary to enable us to express an opinion that they are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. If for any reason we are unable to complete the audit, we will not issue a report as a result of this engagement.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments, except those certified by the trustee, and certain other assets and liabilities by correspondence with Fifth Third Bank. We will request written representations from your attorney as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested, except that the assets and related transactions certified to by the trustee will not be tested. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the plan or to acts by management or employees acting on behalf of the plan.

Because an audit is designed to provide reasonable, but not absolute, assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform you of any material errors that come to our attention, and we will inform you of any fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform you of any

violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedules of non-exempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Except as described in the second paragraph, our audit will include obtaining an understanding of the internal control sufficient to plan the audit and to determine the nature, timing and extent of audit procedures to be performed. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to you internal control related matters that are required to be communicated under professional standards.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax-exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the financial statements of the net assets available for benefits and changes in net assets available for benefits of the plan in conformity with accounting principles generally accepted in the United States of America. You are also responsible for management decisions and functions; for designating an individual with suitable skill, knowledge, or experience to oversee any bookkeeping or any other nonattest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

You are responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected affecting the plan involving (1) plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of

any allegations of fraud or suspected fraud affecting the plan received in communications from employees, former employees, regulators, or others.

In addition, you are also responsible for identifying and ensuring that the plan complies with applicable laws and regulations.

Borgman Ford 401(k) Plan Audit agrees to indemnify Prangley Marks, LLP for any damages, including attorney fees, caused in whole or part, by Borgman Ford 401(k) Plan Audit failure to fulfill these responsibilities.

The assistance to be supplied by your personnel, including access to personnel files and payroll records, will be discussed and coordinated with you. This assistance will help us to complete the engagement on a timely basis.

The audit documentation for this engagement is the property of Prangley Marks, LLP and constitutes confidential information. However, we may be requested to make certain audit documentation available to the U.S. Department of Labor pursuant to authority given to it by law. If requested, access to such audit documentation will be provided under the supervision of Prangley Marks, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the U.S. Department of Labor. The U.S. Department of Labor may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Thomas P. Jeakle, CPA is the engagement partner and is responsible for supervising the engagement.

Our fees for these services will be in accordance with the master agreement between Borgman Ford and Prangley Marks, LLP dated November 18, 2019.

We appreciate this opportunity to be of service to Borgman Ford 401(k) Plan Audit and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,
