INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of

Futures Community Support Services, Inc. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Futures Community Support Services, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Plan's Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Plan's Financial Statements section of our report. We are required to be independent of Futures Community Support Services, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Plan's Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Futures Community Support Services, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Futures Community Support Services, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Futures Community Support Services, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Plan's financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FUTURES COMMUNITY SUPPORT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Futures Community Support Services, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Futures Community Support Services, Inc. (the "Company") excluding non-resident alien and contracted employees. Employees are eligible to participate in the Plan upon reaching age 21 and completion of one year of service and 1,000 hours within that year of service. Entry dates into the plan during 2023 and 2022 were January 1st or July 1st following the date the employee becomes eligible to participate. Effective beginning June 2024, entry dates became quarterly on the 1st day of each quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration

The Company is the plan administrator and two of its employees served as the Plan's trustees during 2023. Effective January 1, 2024, the two former trustees of the Plan were replaced by a new trustee, who is also an employee of the Company. During 2023 and 2022, all Plan assets were held in trust and managed by Voya Retirement Insurance and Annuity Company, a wholly owned subsidiary of Voya Financial ("the Custodian" or "Voya"). During 2023, Valley Forge Pension Management, Inc. provided third-party administrative services to the Plan. Effective in 2024, the Plan changed to Citizens & Northern Bank to act as custodian of the Plan's assets and provide third-party administrative services to the Plan. Administrative expenses are paid by the Plan and allocated proportionately to each Plan participant.

Contributions

Participants can contribute up to 100% of compensation, subject to the maximum dollar amount permissible under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The matching contribution to the Plan ranges from 3% to 9% of eligible employee compensation, based on the employee deferral amount and years of service, as defined in the plan document. The matching contributions made to the Plan for the years ended December 31, 2023 and 2022 totaled \$66,467 and \$85,050 respectively.

At the discretion of the Sponsor, the Plan may make employer profit sharing contributions which are allocated based on the participants respective compensation and years of service, as defined in the plan document. The Plan made profit-sharing contributions for both of the years ended December 31, 2023 and 2022. The profit-sharing contributions made to the Plan for the years ended December 31, 2023 and 2022 totaled \$176,448 and \$167,322, respectively.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Participants' accounts are credited with their contributions and allocations of (a) the Company's matching and profit-sharing contributions, (b) the Plan's earnings and (c) administrative expenses and fees. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their personal contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after one year of service, and vests 20% per year until they are 100% vested after five years of credited service or upon death, disability, or reaching the age of 65.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options as indicated by the Plan sponsor, which provide diversified investment allocations. Participants may change their investment options electronically at any time during the year.

Payment of Benefits

On termination of service due to health, disability, retirement or death, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested balance in his or her account, partial withdrawals of at least \$1,000, or annual installments over a specified period.

In-service distributions are allowed for participants who have attained age 59 ½ and whose accounts from which the distributions will be taken are 100% vested.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from vested accounts. Hardship withdrawals can only be made for payment of qualifying expenses to satisfy financial hardship, as defined in the plan document.

Forfeitures

Any forfeitures arising under the Plan may be used to pay plan expenses or reduce amounts otherwise required to be contributed to the Plan. Forfeitures totaled \$5,233 and \$13,249 during the years ended December 31, 2023 and 2022, respectively. Forfeitures used to offset plan expenses totaled \$0 and \$500 during the 2023 and 2022 plan years, respectively.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100 percent vested in their account balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis in conformity with accounting principles generally accepted in the United States (GAAP).

Investment Valuation and Income Recognition

The Plan's mutual fund investments are stated at fair value based upon quoted market prices, as determined by the custodian of the Plan's assets. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's guaranteed investment contract (GIC) is considered fully benefit-responsive and is stated at contract value in the accompanying statement of net assets available for benefits. Contract value is equal to participant deposits minus participant withdrawals plus credited interest. Contract value may be subject to market value adjustments in connection with contract holder directed withdrawals or under limited circumstances for certain in-service participant withdrawals. The fair value of the Voya Fixed Account, which consists of an underlying GIC owned by the Plan, is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The change in fair value of investments and realized gains (losses) are reflected in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Benefit Payments

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company follows the provisions of Accounting Standards Codification (ASC) Topic 740, *"Accounting for Uncertainty in Income Taxes"*. ASC Topic 740 requires the Plan sponsor to determine whether a tax position of the Plan is more likely than not to be sustained upon examination by the applicable taxing authority, based on the technical merits of the position. As of December 31, 2023 and 2022, the Plan has not recorded any provisions for accrued interest and penalties related to uncertain tax positions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Fair Value of Financial Instruments

The Company follows the provisions of ASC (Accounting Standards Codification) Topic 820-10, *Fair Value Measurements*. This statement establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The Plan's money market fund and mutual funds are valued utilizing Level 1 inputs.

- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The Plan does not have any investments that are valued utilizing level 2 inputs.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan does not have any investments that are valued utilizing level 3 inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds and money market funds – Stated at fair value based on quoted market prices.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Events Occurring After Reporting Date

The Plan has evaluated events and transactions that occurred between December 31, 2023 and June 2, 2025, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

3. FAIR VALUE MEASUREMENTS

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels as of December 31, 2023 and 2022:

2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 25,320	\$ -	\$ -	\$ 25,320
Mutual funds	<u>1,350,687</u>	<u>-</u>	<u>-</u>	<u>1,350,687</u>
	<u>\$ 1,376,007</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,376,007</u>
2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 18,966	\$ -	\$ -	\$ 18,966
Mutual funds	<u>1,277,661</u>	<u>-</u>	<u>-</u>	<u>1,277,661</u>
	<u>\$ 1,296,627</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,296,627</u>

4. SUMMARY OF INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment activity as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- The schedule of assets held for investment purposes as of December 31, 2023, as shown on Schedule I.

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has one guaranteed investment contract option with Voya. The account is credited with earnings on the underlying investments and charged for the Plan withdrawals and administrative expenses charged by Voya. In accordance with the terms of ASC Topic 962, the contract is considered to be fully benefit responsive. As such, the contract is included in the financial statements at contract value. The contract value of the investment contract at December 31, 2023 and 2022 was \$665,400 and \$921,579, respectively. The crediting interest rate to participants for the contract as of December 31, 2023 and 2022 was 3.0%. The guaranteed minimum crediting interest rate for the contract for the years ending December 31, 2023 and 2022 was 3.00%.

Voya's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code 66
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

6. TAX STATUS

The Plan obtained an opinion letter for the prototype for the Plan, dated January 1, 2022, in which the Internal Revenue Service stated that the form of the Plan was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not been amended since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held in mutual funds and a guaranteed investment account that is managed by Voya. Voya is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

8. NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Subsequent to the plan year ended December 31, 2022, the Plan Sponsor identified that it did not remit certain participant contributions, from plan years ending December 31, 2021 and 2020, to the custodian in a timely manner based on when the contributions were withheld from the participants' paychecks as required under Department of Labor Regulations §2510.3-102. The delinquent contributions totaled \$63 during the years ended December 31, 2021 and 2020 and are included in employee contributions receivable at December 31, 2022 in the accompanying statement of net assets available for benefits.

The Plan sponsor did not timely remit certain participant contributions for fifteen (15) separate pay periods during 2023, with total contributions remitted late being \$57,059. All contributions have been remitted as of January 2024, with certain of the pay periods remitted, albeit late, during the 2023 year.

Once discovered, the Company corrected the error through the IRS self-correction program, and the participant accounts were credited with the amount of investment income that would have been earned had the participant contributions been made on a timely basis. Such amounts are not material to the Plan's financial statements.

The Plan sponsor also did not timely deposit employer profit sharing and matching contributions for both the 2023 and 2022 years by their respective due dates. These delinquent contributions totaled \$242,915 and \$252,372 for the years ended December 31, 2023 and 2022, respectively, and are included in employer contributions receivable at December 31, 2023 in the accompanying statement of net assets available for benefits. These contributions for the years ended December 31, 2023 and 2022 were deposited by the Plan sponsor in February 2025 and June 2024, respectively.
