Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Cohen & Steers Capital Management, Inc. 401(k) Employee Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cohen & Steers Capital Management, Inc. 401(k) Employee Savings and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cohen & Steers Capital Management, Inc. 401(k) Employee Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cohen & Steers Capital Management, Inc. 401(k) Employee Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cohen & Steers Capital Management, Inc. 401(k) Employee Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters-Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COHEN & STEERS CAPITAL MANAGEMENT, INC. 401(k) EMPLOYEE SAVINGS AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

1. DESCRIPTION OF THE PLAN

The following description of the Cohen & Steers Capital Management, Inc. 401(k) Employee Savings and Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General—The Plan is a defined contribution plan generally covering salaried employees of Cohen & Steers Capital Management, Inc. (the Plan Administrator). The 401(k) Committee, appointed by the Executive Committee of the Plan Administrator, oversees the operation and administration of the Plan and the selection and monitoring of investment options offered under the Plan. Charles Schwab Trust Company (the Directed Trustee) serves as the Directed Trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility—All full-time employees who have reached age 21 become eligible to participate in the Plan immediately upon commencement of employment and may enroll on the first day of any month. Participants receive employer matching contributions on eligible contributions to the Plan.

Participant Accounts—Individual accounts are maintained for each Plan participant. Each participant's account is credited for the participant's contributions, the employer's matching contributions and allocations of employer discretionary contributions, if any. Investment income, gains and losses allocated to a participant's account are based on each individual participant's investments. Each participant's account is charged for withdrawals and administrative expenses. The benefit to which a participant is entitled is the vested account balance in the participant's account.

Contributions—A participant's contributions can consist of (i) pre-tax 401(k) contributions, which reduce the participant's taxable income, (ii) after-tax Roth 401(k) contributions, and (iii) after-tax voluntary non-Roth 401(k) contributions. The Plan permits participants to defer compensation, as defined in the Plan, up to any Plan-imposed limitation or the Internal Revenue Service (IRS) maximum deferral limit for that year. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions subject to IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

Employee pre-tax 401(k) contributions and after-tax Roth 401(k) contributions, including catch-up contributions, are matched by the employer at a rate of \$0.50 per \$1.00 deferred by the employee. After-tax voluntary non-Roth 401(k) contributions are not matched by the employer. The Plan also allows the employer to make discretionary contributions to eligible participants. No discretionary contributions were made for the year ended December 31, 2024.

Participant earnings on after-tax voluntary non-Roth 401(k) contributions are taxable upon distribution unless a participant elects an in-plan conversion to the Roth 401(k).

COHEN & STEERS CAPITAL MANAGEMENT, INC. 401(k) EMPLOYEE SAVINGS AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

1. DESCRIPTION OF THE PLAN (CONTINUED)

Eligible employees are automatically enrolled in the Plan at a pre-tax 401(k) contribution rate of 3% of base salary, as defined in the Plan, unless they actively elect not to participate in the Plan (opt out) or change their contribution rate.

Unless participants whose contributions are less than 10% elect otherwise, their pre-tax 401(k) contribution rate will automatically increase at a rate of 1% per year until they reach the 10% deferral rate.

Investments—Participants direct the investment of their account balances into various investment options offered by the Plan, including registered investment companies, common collective trusts and a pooled separate account.

If a participant does not make an investment election, the employee contributions and employer matching contributions are invested in the Plan's target date qualified default investment alternative (the age-appropriate Schwab Managed Retirement Trust Fund determined based on the participant's anticipated retirement date).

Vesting—Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in employer matching contributions is based on years of continuous service. Participants vest 20% per year over five years of credited service.

Notes Receivable from Participants—Participants may borrow from their accounts from a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal, plus 1%. Principal and interest are paid ratably through payroll deductions. All loans must be repaid within five years except for loans for the purchase of a primary residence, which may be repaid over a 10-year period.

Payment of Benefits—Distributions from account balances generally occur upon a participant's reaching a certain age, death, or termination of employment. A participant or the participant's beneficiary may elect to leave their account balance in the Plan, transfer the balance to an individual retirement account or other employer-sponsored plan, or receive either a lump sum or installment distributions. Installment distributions are paid in fixed installments over a specified period of time.

If a participant's vested balance is less than \$1,000 and they do not make an election, they will receive a lump sum cash distribution.

COHEN & STEERS CAPITAL MANAGEMENT, INC. 401(k) EMPLOYEE SAVINGS AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

1. DESCRIPTION OF THE PLAN (CONTINUED)

In-service withdrawals are available in limited circumstances, as provided under the Plan. A participant can elect to take a lump sum distribution of up to 100% of the participant's account related to pre-tax 401(k) contributions, after-tax Roth 401(k) contributions, vested employer matching contributions and any employer discretionary contributions at any time after the later of the date the participant reaches age 65 or the fifth anniversary of the date he or she becomes a participant in the Plan. A participant can request a distribution from the after-tax contribution account at any time. A participant is required to take distributions from the Plan on April 1st of the calendar year following the later of the calendar year in which the participant reaches age of 72 or the calendar year in which the participant retires.

A participant may also make hardship withdrawals from the balance of their account related to pre-tax 401(k) contributions and after-tax Roth 401(k) contributions, excluding earnings. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available loan options and available distributions before requesting a hardship withdrawal.

Forfeitures—Forfeitures of unvested employer matching contributions may be used either to reduce employer contributions, pay Plan expenses, or may be reallocated to participants. At December 31, 2024 and 2023, forfeited employer matching contributions totaled approximately \$297,000 and \$283,000, respectively. The forfeited amount from 2024 is expected to reduce future employer matching contributions. The forfeited amount from 2023 was used to reduce employer matching contributions during 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) using the accrual method of accounting.

Use of Estimates—The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and the disclosures of contingent assets and liabilities at the dates of the financial statements. The Plan Administrator believes the estimates used in preparing the financial statements are reasonable and prudent. Actual results could differ from those estimates.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

COHEN & STEERS CAPITAL MANAGEMENT, INC. 401(k) EMPLOYEE SAVINGS AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses—Legal and accounting expenses of the Plan are paid by the Plan Administrator. Each Plan participant is charged a flat fee for administrative expenses. Other administrative expenses, such as fees directly related to Plan participant transactions are charged to the Plan participant's account.

Payment of Benefits—Benefit payments to participants are recorded when paid.

Notes Receivable from Participants—The notes receivable are measured at their unpaid balances plus accrued but unpaid interest. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded.

3. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are managed by the Company and affiliates of the Directed Trustee and, accordingly, these transactions qualify as party-in-interest transactions. Participant loans secured by the vested balances in the participants' accounts are also party-in-interest transactions.

Certain investment options sponsored by an affiliate of the Directed Trustee, Charles Schwab Trust Bank (the trust sponsor), are charged investment management fees and administrative fees that are paid to affiliates of the Directed Trustee. Similarly, the funds sponsored by the Company that are offered in the Plan are charged investment advisory and administration fees that are paid to the Company and/or certain affiliates. These expenses are reflected as reductions of investment returns.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 820, *Fair Value Measurement*, specifies a hierarchy of valuation classifications based on whether the inputs to the valuation techniques used in each valuation classification are observable or unobservable. These classifications are summarized in the three broad levels:

- Level 1—Unadjusted quoted prices for identical instruments in active markets.
- Level 2—Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which all significant inputs and significant value drivers are observable.
- Level 3—Valuations derived from valuation techniques in which significant inputs or significant value drivers are unobservable.

These levels are not necessarily an indication of the risk or liquidity associated with the investments.

**NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables present fair value measurements as of December 31, 2024 and 2023:

	2024				
	Level 1	Level 2	Level 3	Investments Measured at NAV ⁽¹⁾	Total
Registered investment companies	\$103,968,613	\$ —	\$ —	\$ —	\$ 103,968,613
Common collective trusts	—	—	—	50,542,766	50,542,766
Pooled separate account	—	—	—	1,100,451	1,100,451
Total investments	\$103,968,613	\$ —	\$ —	\$ 51,643,217	\$ 155,611,830

	2023				
	Level 1	Level 2	Level 3	Investments Measured at NAV ⁽¹⁾	Total
Registered investment companies	\$ 95,721,115	\$ —	\$ —	\$ —	\$ 95,721,115
Common collective trusts	—	—	—	33,499,866	33,499,866
Pooled separate account	—	—	—	1,423,391	1,423,391
Total investments	\$ 95,721,115	\$ —	\$ —	\$ 34,923,257	\$ 130,644,372

(1) Comprised of certain investments measured at fair value using the net asset value (NAV) per share as a practical expedient. These investments have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits.

The following is a description of the valuation methodologies used for investments measured at fair value:

Registered investment companies are valued at their daily NAV as reported by the respective funds. These funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts are valued at the NAV of the trust as reported to the Directed Trustee by the trust sponsor as a practical expedient. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. The investment objectives of the common collective trusts vary by funds. The Schwab Managed Retirement Trust Funds seek to provide total return at or near particular target dates. The Cohen & Steers U.S. Realty Fund's investment objective is total return. Redemptions from the common collective trusts are not restricted and the Plan has no unfunded commitments.

COHEN & STEERS CAPITAL MANAGEMENT, INC. 401(k) EMPLOYEE SAVINGS AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The common collective trusts attempt to achieve their investment objectives by investing in a variety of asset classes that may include, but are not limited to, domestic equity, international equity, global real estate, commodities, intermediate-term bonds, short-term bonds, cash equivalents and inflation-protected bonds. The trusts use a blend of actively and passively managed sub-advised strategies to gain exposure to various market capitalizations and asset classes.

The pooled separate account is valued at the NAV (or its equivalent) of the account as reported to the Directed Trustee by New York Life as a practical expedient. The NAV (or its equivalent) is based on the fair value of the underlying investments held by the account less its liabilities. The pooled separate account invests in a diversified portfolio of high-quality fixed income securities and seeks to provide a low-risk, stable value option that offers competitive yield and limited volatility. Redemptions from the pooled separate account are not restricted and the Plan has no unfunded commitments.

5. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

6. FEDERAL INCOME TAXES

The Plan adopted a pre-approved plan provided by Schwab Retirement Plan Services, Inc. as reflected in the Plan document. The pre-approved plan obtained its latest opinion letter dated September 21, 2020 from the IRS, which states the form of the pre-approved plan was acceptable under the applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there were no uncertain tax positions taken or expected to be taken that would require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

Interest income on notes receivable from participants	<u>\$ 49,490</u>

8. RISKS AND UNCERTAINTIES

Pursuant to the Plan, participants direct investments into various investment vehicles which are exposed to risks including interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 17, 2025, the date the financial statements were available to be issued. The Plan Administrator determined that there were no subsequent events that require disclosure and/or adjustment.
