INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan
Lancaster, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)(ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of the Schedule of the Assets Held for Investment Purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying

accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

T.W. Ponessa & Associates Counseling Services, Inc. 401(k) Plan

Notes to Financial Statements

Note 1 – Plan Description

The following description of the T.W. Ponessa & Associates Counseling Services, Inc. (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan, established as of September 1, 2020, is a defined contribution plan covering eligible employees of T.W. Ponessa & Associates Counseling Services, Inc. who have completed 1,000 or more hours of service in a 12-consecutive month period and who have attained the age of twenty-one. A year of service is defined as working at least 1,000 hours during the 12-month period immediately following date of hire. If an employee does not work at least 1,000 hours during the 12-month period following their date of hire, a year of service for purposes of Plan participation is when the employee works at least 1,000 hours during any Plan year beginning after the employee's date of hire. Employees covered under a collective bargaining agreement, non-resident aliens, and leased employees are not eligible to participate in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute up to 100% of eligible compensation, not to exceed the annual amount permitted by Federal law. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for two types of employee contributions to the Plan: pretax salary deferrals and Roth contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate. These participants are auto-enrolled at a default deferral rate of 4% of eligible compensation with an increase of 1% each year up to a maximum of 15%. Contributions are automatically invested in a designated balanced fund until changed by the participant.

The Plan also has a discretionary matching contributions formula. For the years ended December 31, 2024 and 2023, the discretionary matching contribution was 20% of the first 6% of compensation that a participant contributes to the Plan.

Participant Accounts – Each participant's account is credited with the participant's deferred compensation and an allocation of (a) the employer discretionary contribution, and (b) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in discretionary employer contributions plus actual earnings thereon based on years of continuous service. A participant is 100% vested after six years of credited service.

Note 1 – Plan Description – Continued

Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account. Automatic distributions will be made to terminated participants with vested balances less than \$5,000. If a terminated participant's vested balance exceeds \$5,000, consent from the participant is required before distribution. Hardship withdrawals are permitted from participants' pre-tax and Roth elective deferral accounts. Participants are permitted to take in-service withdrawals after attaining the age 65.

Forfeitures – If a participant leaves the Company before becoming fully vested, the Company may allocate the non-vested portion of the participant's account balance to reduce Plan expenses. If forfeitures are not used to pay Plan expenses, they shall be applied to reduce other employer contributions. During the years ended December 31, 2024 and 2023, \$6,779 and \$2,869 of forfeitures were used to reduce Plan expenses, respectively. The forfeiture balance totaled \$2,552 and \$935 at December 31, 2024 and 2023, respectively.

Note 2 – Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value as determined and certified by the Plan's Trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – All administrative expenses will be paid by the Plan unless paid by the Company. Certain administrative expenses associated with the Plan were paid by the Company.

Subsequent Events – Events that occurred subsequent to December 31, 2024 have been evaluated by the Plan's management through June 23, 2025, which is the date the financial statements were available to be issued.

Notes to Financial Statements

Note 3 – New Accounting Standards

Pronouncements issued by the Financial Accounting Standards Board (FASB) with future effective dates are either not applicable or are not expected to be significant to the Plan's financial statements.

Note 4 – Investments

The Plan's investments were held in a trust fund administered by Charles Schwab Trust Bank.

During the years ended December 31, 2024 and 2023, the Plan's investments in mutual funds, including gains and losses on investments bought, sold, and held during the year, appreciated in value by \$267,623 and 256,822, respectively.

Note 5 – Fair Value Measurements

Generally accepted accounting principles in the United States of America have an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 5 – Fair Value Measurements – Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money market: Valued at quoted redemption price at year end.

Mutual funds: Valued at quoted market prices, which represent the net asset value (“NAV”) of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023, respectively.

| <u>2024</u> | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |

Note 6 – Plan Termination

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial Plan termination, affected participants will become 100 percent vested in their accounts.

Notes to Financial Statements

Note 7 – Party-In-Interest Transactions

MVP Plan Administrators, Inc. provided record keeping services to the Plan. Fees paid by the Plan for these services amounted to \$15,945 and \$8,287 for the years ended December 31, 2024 and 2023, respectively.

Note 8 – Tax Status

The Company adopted a standardized Prototype Profit Sharing Plan, which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. The opinion letter stated that the Prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan did not apply for a separate determination letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Information Prepared and Certified by Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Trust Bank, the Custodian of the Plan.

- Investments, at fair value
- Investment income
- Schedule of Assets Held for Investment Purposes

Note 10 – Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
