Report on the Financial Statements

We have audited the accompanying financial statements of Acima Credit 401(k) Retirement Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 6, 2021 (in liquidation) and the statement of net assets available for benefits as of December 31, 2020 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 6, 2021 (in liquidation), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 which was certified by Great-West Life & Annuity Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 6, 2021 (in liquidation) and December 31, 2020 (ongoing), that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant as of and for the year ended December 6, 2021 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

The statement of net assets available for benefits as of December 31, 2020 (ongoing), was restated to include employer and participant contributions receivable in the amount of \$46,194.

Emphasis of Matter

As described in Note 1 to the financial statements, the governing body of the Plan approved a plan of liquidation in February 2021, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The valuation of assets and liabilities are at their liquidation value as of December 6, 2021. All assets were liquidated as of December 6, 2021.

General

The Plan is a 401(k) Profit Sharing Plan covering all employees of Acima Credit, Inc. (the Company or Plan Sponsor) who have reached at least twenty-one years of age. The Plan became effective January 1, 2018 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company provides services to the plan at no cost.

Contributions

Participants may contribute up to 100% of their annual eligible compensation, not to exceed the limitation established annually by the Internal Revenue Code (IRC). Participants who are age 50 or older before the end of the Plan year were eligible to make catch-up contributions of up to the amount allowed by the IRC. Eligible compensation is defined as wages within the meaning of IRC Section 415 and all other payments of compensation that are actually paid or made available in gross income during the Plan year and as reported in the employees' Form W-2.

The Plan provides for an automatic election to have pre-tax elective deferral contributions made at 3% of eligible compensation. Such automatic elections apply when a participant first becomes eligible to make elective contributions. Participants are provided with an annual notice explaining the automatic election and their right to elect a different elective deferral amount, including the right to elect not to make elective deferral contributions.

The Plan Sponsor participates in a qualified automatic contribution arrangement (QACA) and currently matches 100% of participant contributions of the first 2% of gross compensation contributed. The Plan Sponsor may also make discretionary contributions which are determined annually by the Plan Sponsor. The amount of the contributions, if any, is determined by the Plan Sponsor's Board of Directors. In order to share in the discretionary contributions, the participant must be employed by the Company on the last day of the plan year and have completed at least 1,000 hours of service during the plan year. For the year ended December 6, 2021 and December 31, 2020, the Plan did not make any discretionary contributions.

Participants direct the investment of their contributions, the Plan Sponsor's match, and the Plan Sponsor's discretionary contributions into various investment options offered by the Plan.

1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited or charged with the participant's contributions, the Plan Sponsor's matching contributions, earnings, expenses, gains, and losses. Investment earnings are allocated based on the participant's account balances in the respective funds. The benefit to which the participant is entitled is the vested balance in the participant's account.

Vesting

Participants are vested immediately in their voluntary contributions, rollover contributions, and actual earnings thereon and any employer safe harbor contributions. Prior to 2021, participants became vested in the Plan Sponsor's discretionary contributions based on years of service. A participant vested 25% after one year of credited service, 50% after 2 years of credited service and is 100% vested after three years of credit service. In accordance with the provisions set forth in ERISA, upon Plan termination in 2021, participants became 100% vested in their accounts.

Benefit Payments

On termination of service due to death, disability, or retirement, participants or their beneficiaries may elect to receive a distribution of their vested account balances. For termination of service for other reasons, participants with vested benefits less than \$1,000 will receive a lump sum distribution regardless of whether an election is made to receive a distribution. Under certain circumstances, including financial hardship, participants may withdraw their contributions. The Plan Administrators make determinations related to hardship withdrawals.

Forfeitures

As of December 6, 2021 and December 31, 2020, the forfeiture account totaled **\$0** and **\$84,665**, respectively. Forfeitures can be used to reduce future Plan Sponsor contributions or to pay qualified Plan administrative expenses in accordance with the Plan document. For the years ended December 6, 2021 and December 31, 2020, account balances totaling **\$2,662** and **\$49,734** were forfeited, respectively. Fees were paid from forfeitures for the years ended December 6, 2021 in the amount of **\$54,420**. Fees were not paid from forfeitures for the year ended December 31, 2020. For the years ended December 6, 2021 and December 31, 2020, forfeitures were not used to reduce the Plan Sponsor's contributions.

Administrative Expenses

Plan administrative expenses may be paid by the Plan or the Plan Sponsor at the Plan Sponsor's option. During the year ended December 6, 2021, the Plan paid all but **\$16,871** of administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") using the liquidation basis of accounting as of December 6, 2021 and the accrual basis of accounting as of December 31, 2020.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Revenue Recognition

The Plan's investments in mutual and money market funds are stated at fair value based on quoted market prices.

Net appreciation in the fair value of investments includes realized and unrealized gains on investments and is recognized in income currently. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Dividends and interest are reinvested as earned.

The plan holds fully benefit responsive investment contracts. The statement of net assets available for benefits presents the contract value basis for fully benefit responsive investment contracts because that is the amount participants would receive in a transaction.

Contributions Receivable and Allowance for Doubtful Accounts

Employee contributions which are withheld through payroll deductions and have not been credited to the participant accounts as of the end of the fiscal year are recorded as contributions receivable. An allowance for doubtful accounts is deemed unnecessary and is not provided as of December 6, 2021 and December 31, 2020.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

3. TAX STATUS

The Plan has adopted a prototype non-standardized profit-sharing plan for which the Internal Revenue Service has issued an opinion letter dated June 30, 2020 covering the qualification of the Plan under the appropriate sections of the IRC.

ACIMA CREDIT 401(k) PLAN

Notes to the Financial Statements

For the Years Ended December 6, 2021 and December 31, 2020

3. **TAX STATUS (Continued)**

The Plan Administrators believe that the Plan is designed and operates in accordance with requirements to qualify for tax-exempt status. Accordingly, no income taxes have been provided for in the accompanying financial statements.

US GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by tax authorities. The Plan's management analyzed the tax positions taken by the Plan and have concluded that as of December 6, 2021 and December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions for tax years for which the applicable statutes of limitations have not expired; however, there are currently no audits for any tax periods in progress.

4. **INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Great-West Life Insurance & Annuity Company, "the Trustee", has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments and notes receivable from participants:

- All investments held by the plan
- Investment transactions and related earnings (losses)
- All notes receivable from participants and related transactions

The Plan's independent public auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

5. **INVESTMENTS**

The Plan invests in mutual funds that are valued at the daily closing price. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

6. **FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritized the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

ACIMA CREDIT 401(k) PLAN

Notes to the Financial Statements

For the Years Ended December 6, 2021 and December 31, 2020

6. FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value methods used by the Plan may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of investments measured on a recurring basis at December 6, 2021 are as follows:

	Total	Fair Value Measurements at Reporting Date Using:		
		Level 1	Level 2	Level 3
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total	\$ -	\$ -	\$ -	\$ -

Fair values of investments measured on a recurring basis at December 31, 2020 are as follows:

	Total	Fair Value Measurements at Reporting Date Using:		
		Level 1	Level 2	Level 3
Mutual funds	\$ 3,570,364	\$ 3,570,364	\$ -	\$ -
Total	\$ 3,570,364	\$ 3,570,364	\$ -	\$ -

Notes to the Financial Statements

For the Years Ended December 6, 2021 and December 31, 2020

7. **GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In 2019, the Plan entered into a fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (“GWL&A”). The balance as of December 6, 2021 and 2020 was \$0 and \$105,380, respectively.

The Key Guaranteed Portfolio Fund (KGPF) is a general account product of GWL&A. Because the KGPF is a general account product offered through the group annuity contract, principal and interest for participant-initiated benefit payments are fully guaranteed by the entire general account assets of GWL&A.

Two scenarios may limit the ability of the plan to transact at contract value:

1) In order to provide participant investments with liquidity (100% for participant transfers) there cannot be any actively competing investment options (i.e., other guaranteed products, stable value funds, short-term bond funds, money market funds) in the Plan. Bond funds of durations longer than three years are not considered competing. If a competing fund is offered without GWL&A’s approval, all participant transfers shall be suspended (after participants, alternate payees and beneficiaries are notified) until the competing fund is removed.

2) Based on GWL&A’s excessive trading policy, participant transfers may be restricted for up to 30 days in the event of excessive participant trading. KGPF transactions are processed as soon as practicable after resolution of closed or disrupted financial exchanges or markets.

Both scenarios are events that are probable of not occurring. Based on the contract, there are no events and circumstances that would allow the issuer to terminate the contracts and settle at an amount different from contract value unless GWL&A and the Plan mutually agreed upon another method of cessation in writing.

8. **PARTY-IN-INTEREST TRANSACTIONS**

Company contributions, including contributions receivable, and investments are held and managed by the Trustee, which invests cash received, interest and dividend income, and makes distributions to participants. Therefore, these transactions are considered exempt party-in-interest transactions. The Trustee also administers the payment of interest and principal on the notes receivable from participants, which is reimbursed to the Trustee through contributions as determined by the Company. Notes receivable from participants are also considered to be party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

9. **RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

11. NONEXEMPT TRANSACTIONS

During 2019, there were instances where participant contributions were not remitted to the Plan in a timely manner in accordance with Department of Labor and Internal Revenue Service requirements. The delinquent participant contributions totaled \$9,971 as of December 31, 2019. There were also lost earnings related to these 2019 delinquent contributions in the amount of \$5,521 that needed to be paid in to the Plan. The Plan Sponsor paid in all of these delinquent contributions and the lost earnings to the Plan during 2021.

12. MANAGEMENT'S EVALUATION OF SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued.
