To the Trustee and Participants
Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company
Jacksonville, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits in liquidation as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company's ability to continue as a going concern for one year after the date that the financial statements are issued. As noted below, the Plan terminated effective September 30, 2024.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Terminating Plan

As further discussed in Note 1 to the financial statements, the Directors of the Plan's Sponsor voted to terminate the Plan effective September 30, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has presented the December 31, 2024 and 2023 financial statements on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Other Matter —Supplementary Schedules Required by ERISA

The supplementary schedule of delinquent participant contributions for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING RETIREMENT PLAN OF HAROLD GWATNEY CHEVROLET COMPANY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Harold Gwatney Chevrolet Company; Gwatney Enterprises, Inc.; North Little Rock Pontiac Buick GMC, Inc.; Jax Auto Group, Inc.; and Gwatney Saab of Memphis, Inc. (the Companies) who prior to April 1, 2023, had completed one year of service. The Plan was amended to change eligibility to age 18 and one month of service effective April 1, 2023. The effective date of participation for an eligible employee, however, is the first day of the Plan year quarter coinciding with or next following the date the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Directors of the Plan's Sponsor voted to terminate the Plan effective September 30, 2024. Upon Plan termination, Plan participants became 100 percent vested in their accounts.

Contributions

Participants may contribute up to a dollar amount set by law of pretax annual eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Company contributes a matching contribution of 50% of the first 2% of base compensation that a participant contributes to the plan. Additionally, the Company may make a discretionary matching contribution based upon a formula that it determines. The employer may also make a discretionary nonelective contribution. The nonelective contribution, if made, is allocated among participants based on the participant's compensation to total compensation of all eligible participants.

Upon enrollment in the Plan, a participant may direct investment of his or her contributions into various options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Companies' matching and nonelective contributions, investment earnings, and is charged an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the vested account balance. The loan is secured by the balance in the participant's account and bears interest at the prime rate plus 2%. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their contributions and the Company's matching contribution plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contributions portion of accounts plus actual earnings thereon is based on years of continuous service as follows:

Years of service	Percent vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

A participant is eligible to receive a distribution of benefits upon retirement, death, or disability. Hardship distributions are allowed on salary reduction contributions under the terms of the Plan. At age 65, a participant may elect to take distributions from all contribution accounts without being required to terminate employment. A participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited Accounts

Forfeitures are used to pay plan expenses or reduce employer contributions. There were no forfeitures used to pay plan expenses or to reduce employer contributions for the year ended December 31, 2024. The balance in the forfeiture account was \$0 and \$1,081 as of December 31, 2024 and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the liquidation basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB issues Accounting Standards Updates (ASU) from time to time to update GAAP.

Investment Valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Benefits paid to participants as shown on the statement of changes in net assets available for benefits in liquidation include payments made in the following year to certain participants to return their excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Amounts required to be included in the Plan's statements of net assets available for benefits in liquidation as an accrued liability for excess contributions payable totaled \$0 and \$17,566 as of December 31, 2024 and 2023, respectively.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid, interest. No allowance for losses has been recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, the expenses paid using the Plan's assets are allocated among the participant accounts. For the year ended December 31, 2024, administrative fees paid using Plan assets totaled \$24,100. Additional investment fees paid by the plan are netted against investment return.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and the supplementary schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee:

	2024	2023
Investments:		
Mutual funds	\$ -	\$ 7,444,495
Common/collective trust	-	198,475
Cash - interest bearing	-	7,672
Investment income:		
Net appreciation in fair value of investments	510,269	
Dividends	30,731	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits in liquidation.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 - inputs consist of unadjusted quoted prices in active markets for identical assets and has the highest priority.
- Level 2 - inputs are based on observable inputs corroborated by market data but not quoted on active markets.
- Level 3 - inputs are based on unobservable inputs and includes situations where there is little, if any, market activity for the assets or liabilities and have the lowest priority.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023:

Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values (NAV) and to transact at those prices. The mutual funds held by the Plan are deemed to be actively traded.

(Continued)

PROFIT SHARING RETIREMENT PLAN OF HAROLD GWATNEY CHEVROLET COMPANY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Common/Collective Trust – valued at the NAV of units of the separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the separate account will sell the investment for an amount different than reported NAV. Participant transactions may occur daily. Were the Plan to initiate a full redemption of the account, the investment advisor reserves the right to temporarily delay withdrawal from the account to ensure that securities liquidations will be executed in an orderly business manner. The common/collective trusts are redeemed daily and do not have any redemption restrictions. Additionally, there were no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers between levels for the year ended December 31, 2024.

The Plan's investments within the fair value hierarchy were classified as follows as of December 31, 2024 and 2023:

December 31, 2024	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ -	\$ -	\$ -	\$ -

* In accordance with GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits in liquidation.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments measured at fair value using the NAV per share practical expedient, and required disclosures as of December 31, 2024 and 2023, respectively.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments, the custodian, as defined by the Plan. The transactions with Fidelity Investments qualify as party-in-interest transactions. Additional fees paid to MWG Retirement Plan Services, the record keeper, as defined by the plan, also qualify as party-in-interest transactions for the year ended December 31, 2024.

NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan, which is a prototype of a plan that has qualified under the Internal Revenue Code as exempt from federal income tax, has received a favorable tax determination letter dated June 30, 2020, from the Internal Revenue Service. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2024, the years that remain subject to examination by major tax jurisdictions as of December 31, 2024.

NOTE 7 – PROHIBITED TRANSACTIONS

During 2024, the plan sponsor failed to remit employee contributions totaling \$7,662 to the Plan on a timely basis, which are prohibited transactions under ERISA. The plan sponsor calculated the lost earnings to the participants and contributed that amount to the Plan to correct the prohibited transactions.

NOTE 8 – SUBSEQUENT EVENTS

The Plan administrator evaluated events and transactions subsequent to December 31, 2024 through May 29, 2025, (the date of the financial statements were available to be issued), for potential recognition or disclosure in the financial statements. The Plan Administrator has not identified any items requiring recognition or disclosure.

INDEPENDENT AUDITOR'S REPORT

To the Trustee and Participants
Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company
Jacksonville, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits in liquidation as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company's ability to continue as a going concern for one year after the date that the financial statements are issued. As noted below, the Plan terminated effective September 30, 2024.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Terminating Plan

As further discussed in Note 1 to the financial statements, the Directors of the Plan's Sponsor voted to terminate the Plan effective September 30, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has presented the December 31, 2024 and 2023 financial statements on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Other Matter —Supplementary Schedules Required by ERISA

The supplementary schedule of delinquent participant contributions for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING RETIREMENT PLAN OF HAROLD GWATNEY CHEVROLET COMPANY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Profit Sharing Retirement Plan of Harold Gwatney Chevrolet Company (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Harold Gwatney Chevrolet Company; Gwatney Enterprises, Inc.; North Little Rock Pontiac Buick GMC, Inc.; Jax Auto Group, Inc.; and Gwatney Saab of Memphis, Inc. (the Companies) who prior to April 1, 2023, had completed one year of service. The Plan was amended to change eligibility to age 18 and one month of service effective April 1, 2023. The effective date of participation for an eligible employee, however, is the first day of the Plan year quarter coinciding with or next following the date the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Directors of the Plan's Sponsor voted to terminate the Plan effective September 30, 2024. Upon Plan termination, Plan participants became 100 percent vested in their accounts.

Contributions

Participants may contribute up to a dollar amount set by law of pretax annual eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Company contributes a matching contribution of 50% of the first 2% of base compensation that a participant contributes to the plan. Additionally, the Company may make a discretionary matching contribution based upon a formula that it determines. The employer may also make a discretionary nonelective contribution. The nonelective contribution, if made, is allocated among participants based on the participant's compensation to total compensation of all eligible participants.

Upon enrollment in the Plan, a participant may direct investment of his or her contributions into various options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Companies' matching and nonelective contributions, investment earnings, and is charged an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the vested account balance. The loan is secured by the balance in the participant's account and bears interest at the prime rate plus 2%. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their contributions and the Company's matching contribution plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contributions portion of accounts plus actual earnings thereon is based on years of continuous service as follows:

Years of service	Percent vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

A participant is eligible to receive a distribution of benefits upon retirement, death, or disability. Hardship distributions are allowed on salary reduction contributions under the terms of the Plan. At age 65, a participant may elect to take distributions from all contribution accounts without being required to terminate employment. A participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited Accounts

Forfeitures are used to pay plan expenses or reduce employer contributions. There were no forfeitures used to pay plan expenses or to reduce employer contributions for the year ended December 31, 2024. The balance in the forfeiture account was \$0 and \$1,081 as of December 31, 2024 and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the liquidation basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB issues Accounting Standards Updates (ASU) from time to time to update GAAP.

Investment Valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Benefits paid to participants as shown on the statement of changes in net assets available for benefits in liquidation include payments made in the following year to certain participants to return their excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Amounts required to be included in the Plan's statements of net assets available for benefits in liquidation as an accrued liability for excess contributions payable totaled \$0 and \$17,566 as of December 31, 2024 and 2023, respectively.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid, interest. No allowance for losses has been recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, the expenses paid using the Plan's assets are allocated among the participant accounts. For the year ended December 31, 2024, administrative fees paid using Plan assets totaled \$24,100. Additional investment fees paid by the plan are netted against investment return.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and the supplementary schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee:

	2024	2023
Investments:		
Mutual funds	\$ -	\$ 7,444,495
Common/collective trust	-	198,475
Cash - interest bearing	-	7,672
Investment income:		
Net appreciation in fair value of investments	510,269	
Dividends	30,731	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits in liquidation.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 - inputs consist of unadjusted quoted prices in active markets for identical assets and has the highest priority.
- Level 2 - inputs are based on observable inputs corroborated by market data but not quoted on active markets.
- Level 3 - inputs are based on unobservable inputs and includes situations where there is little, if any, market activity for the assets or liabilities and have the lowest priority.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023:

Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values (NAV) and to transact at those prices. The mutual funds held by the Plan are deemed to be actively traded.

(Continued)

PROFIT SHARING RETIREMENT PLAN OF HAROLD GWATNEY CHEVROLET COMPANY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Common/Collective Trust – valued at the NAV of units of the separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the separate account will sell the investment for an amount different than reported NAV. Participant transactions may occur daily. Were the Plan to initiate a full redemption of the account, the investment advisor reserves the right to temporarily delay withdrawal from the account to ensure that securities liquidations will be executed in an orderly business manner. The common/collective trusts are redeemed daily and do not have any redemption restrictions. Additionally, there were no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers between levels for the year ended December 31, 2024.

The Plan’s investments within the fair value hierarchy were classified as follows as of December 31, 2024 and 2023:

December 31, 2024	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ -	\$ -	\$ -	\$ -
Mutual funds	-	-	-	-
Investments measured at net asset value*	-	-	-	-

* In accordance with GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits in liquidation.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments measured at fair value using the NAV per share practical expedient, and required disclosures as of December 31, 2024 and 2023, respectively.

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

December 31, 2023				
Common Collective Trust	\$ 198,475	N/A	Daily	30 Days

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments, the custodian, as defined by the Plan. The transactions with Fidelity Investments qualify as party-in-interest transactions. Additional fees paid to MWG Retirement Plan Services, the record keeper, as defined by the plan, also qualify as party-in-interest transactions for the year ended December 31, 2024.

DECEMBER 31, 2024 AND 2023

NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan, which is a prototype of a plan that has qualified under the Internal Revenue Code as exempt from federal income tax, has received a favorable tax determination letter dated June 30, 2020, from the Internal Revenue Service. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2024, the years that remain subject to examination by major tax jurisdictions as of December 31, 2024.

NOTE 7 – PROHIBITED TRANSACTIONS

During 2024, the plan sponsor failed to remit employee contributions totaling \$7,662 to the Plan on a timely basis, which are prohibited transactions under ERISA. The plan sponsor calculated the lost earnings to the participants and contributed that amount to the Plan to correct the prohibited transactions.

NOTE 8 – SUBSEQUENT EVENTS

The Plan administrator evaluated events and transactions subsequent to December 31, 2024 through May 29, 2025, (the date of the financial statements were available to be issued), for potential recognition or disclosure in the financial statements. The Plan Administrator has not identified any items requiring recognition or disclosure.
