## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
North Texas Village Health Partners, PA 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of North Texas Village Health Partners, PA 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of July 1, 2024, and December 31, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2024, to July 1, 2024, and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained a certification from a qualified institution as of July 1, 2024, and December 31, 2023, and for the period from January 1, 2024, to July 1, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of a Matter — Basis of Accounting**

We draw attention to Note 2 of the financial statements which describe the basis of accounting. The financial statements and supplemental information are prepared on the modified cash basis of accounting, which is a basis of accounting other than GAAP. Our opinion is not modified with respect to that matter.

### **Emphasis of a Matter — Plan Merger**

As discussed in Note 6 to the financial statements, on July 1, 2024, the Plan was merged into the Catalyst Health Group Holdings II, LLC 401k Plan. Our opinion is not modified with respect to that matter.

### **Responsibilities of Plan Management for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect plan management's responsibility for the financial statements.

In preparing the financial statements, plan management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Plan management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

1. DESCRIPTION OF THE PLAN

The following description of the North Texas Village Health Partners, PA (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

On March 26, 2024, the Board of Directors of the Company, approved the merger of this Plan into the Catalyst Health Group Holdings II, LLC 401(k) Plan (“Catalyst II”), effective July 1, 2024. As a result, all investments were transferred from the Plan into Catalyst II on that date, with Fidelity Management Trust Company as the new custodian and record keeper. See Note 6 for further discussion.

General

The Plan is a defined contribution plan covering all employees of the Company who have completed six months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Trustees are responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Contributions

Each year, participants may contribute up to 100 percent of annual compensation, as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company’s safe harbor match contributions are based on a tiered formula that matches 100 percent of the first three percent and 50 percent of the next two percent of base compensation that a participant contributes to the Plan. The Company also makes profit sharing and employer matching contributions that are discretionary. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions, as well as allocations of the Company’s profit-sharing contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are vested immediately in their contributions and the Company’s safe harbor matching contributions plus actual earnings thereon. Vesting in the Company’s profit sharing and discretionary matching contribution portion of their accounts is based on years of continuous service. Participants are fully vested upon completion of six years of service.

Notes Receivable from Participants

Loans are not permitted by the Plan.

### Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested balance is in excess of \$5,000 may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant whose vested balance is less than \$5,000 is subject to mandatory cash out provisions as defined by the plan document.

### Forfeited Accounts

As of July 1, 2024, and December 31, 2023, forfeited non-vested accounts total \$0 and \$111, respectively. These accounts may be used to pay administrative expenses or reduce future Company contributions. For the period from January 1, 2024, to July 1, 2024, \$198 of forfeited non-vested accounts were used to reduce the Company's safe harbor matching contributions.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America and is an acceptable method of reporting under Department of Labor ("DOL") regulations. The modified cash basis of accounting utilizes the cash basis of accounting while carrying investments at fair value and recording investment income (loss) on the accrual basis. Consequently, contributions are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred.

### Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor and the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Payment of Benefits

Benefits are recorded when paid.

### Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments and in administrative expenses.

### Concentrations

The following table presents investments that represent 10 percent or more of net assets available for benefits as of July 1, 2024, and December 31, 2023:

	<u>2024</u>	<u>2023</u>
DFA US Large Company - Instl	**	\$ 1,809,733
DFA US Large Value - III	**	\$ 1,160,422
DFA Short-Term Extended Quality - I	**	\$ 1,089,236
DFA Two-Year Global Fixed-Income - I	**	\$ 1,089,183

\*\* Value does not represent 10 percent or more of the Plan's net assets as of the respective date.

### 3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Newport Trust Company ("NTC"), the custodian of the Plan, certified that the following data included in the accompanying financial statements is complete and accurate as of July 1, 2024, and December 31, 2023, and for the period from January 1, 2024, to July 1, 2024:

	<u>2024</u>	<u>2023</u>
Investments at fair value	\$ -	\$ 10,286,654
Net appreciation in fair value of investments	\$ 504,120	
Dividends	\$ 46,395	

### 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standard Board ("FASB") Accounting Standard Codification ("ASC") 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of July 1, 2024, and December 31, 2023.

Registered investment companies: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of July 1, 2024, and December 31, 2023:

Investments at Fair Value as of July 1, 2024				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ -	\$ -	\$ -	\$ -
Total	\$ -	\$ -	\$ -	\$ -

  

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,286,654	\$ -	\$ -	\$ 10,286,654
Total	\$ 10,286,654	\$ -	\$ -	\$ 10,286,654

## 5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan transactions and records are administered by NTC. NTC is the custodian and record keeper as defined by the plan document and, therefore, these transactions qualify as party in interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for record keeper and administrative services are included in both net depreciation in fair value of investments and administrative expenses.

Investment related services are provided by Beaird Harris ("BH"). BH is the investment advisor as defined by the plan document and, therefore, these transactions qualify as party in interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for these services are included in administrative expenses.

## 6. PLAN MERGER

On July 1, 2024, the Plan was merged into the Catalyst II Plan. Prior to the merger, the plans covered eligible employees of the Company. The transferred net assets have been recognized in the accounts of Catalyst II as of July 1, 2024, at their balances as previously carried in the accounts of the Plan. The changes in net assets of the combined plans are included in the accompanying statement of changes in net assets available for benefits. A summary of the transferred net assets follows:

Investments transferred, fair value	<u>\$ 10,975,919</u>
-------------------------------------	----------------------

## 7. TAX STATUS

Plan management adopted a prototype plan offered by Newport Group. The IRS has determined and informed the third-party administrator by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, plan management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan, disclose within the footnotes to the financial statements any potential impact to the Plan, and recognize a tax liability at the Company level if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### 8. OPERATIONAL ERRORS

During the 2024 audit, it was determined that employer match payroll contributions for the second pay period in January were improperly underfunded by approximately \$9,500 due to an operational error.

During the 2023 audit, it was determined that company payroll contributions through October 2023 were improperly overfunded by approximately \$130,000 due to an operational error. The error was due to incorrect inputs being used in safe harbor match calculations.

Plan management believes it meets the eligibility requirements for self-correction under the IRS Employee Plans Compliance Resolution System's Self-Correction Program ("SCP"). As of the date of issuance of these financial statements, plan management has yet to determine the corrective actions needed.

#### 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### 10. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through May 5, 2025, the date the financial statements were available to be issue, and determined there were no items to disclose.
