Independent Auditors' Report

To the Plan Participants and Plan Administrator
CBRE 401(k) Plan:

Opinion

We have audited the financial statements of CBRE 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when

it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CBRE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the CBRE 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document and related amendments for a more complete description of the Plan’s provisions. The Plan is sponsored by CBRE Services, Inc. (“CBRE Services” and “Plan Sponsor”), which is a subsidiary of CBRE Group, Inc. (“CBRE Group”). CBRE Services, CBRE Group, and other subsidiaries of CBRE Group are hereinafter referred to collectively as the “Company.”

General—The Plan is a defined contribution savings plan, which provides retirement benefits for eligible employees of the Company who elect to participate. Most of the Company’s non-union United States (“U.S.”) employees, other than qualified real estate agents having the status of independent contractors under section 3508 of the Internal Revenue Code of 1986, as amended (“IRC”), are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Plan Amendments—The Plan was amended during 2024 and 2023. These amendments conformed Plan language with operations, incorporated certain legally required updates, and made discretionary changes to Plan terms such as governance, distribution opportunities, and Plan compensation.

Administration—The Company’s Plan governance delegates Plan investment authority to the Retirement Investment Committee (the “Committee”) and Plan administration responsibilities to the Plan Administrator, who is appointed by the Chief People Officer. Fidelity Workplace Services LLC (“Fidelity”) is the Plan’s recordkeeper.

Trustee—Fidelity Management Trust Company (“Fidelity Management Trust”) serves as trustee for all the Plan’s assets.

Eligibility—All salaried, hourly and W-2 commissioned employees on the domestic payroll of CBRE Services, or any other domestic subsidiary that participates in the Plan, are eligible to participate in the Plan as soon as administratively feasible following the date the employee is credited with one hour of service. However, the following employees, or classes of employees, are not eligible to participate: (1) employees that are non-resident aliens with no U.S. source income; (2) employees covered under a collective bargaining agreement that does not expressly provide for participation in the Plan; (3) employees classified as “leased employees” or independent contractors, even if subsequently determined to be common law employees; (4) employees covered by another Company tax-qualified plan; or (5) persons classified as qualified real estate agents having the status of independent contractors under the IRC.

Employee Contributions—Participants in the Plan may elect to contribute from 1% to 75% of their eligible compensation on a pre-tax or after-tax Roth basis through payroll deferrals, subject to certain IRC limitations. Participants who do not make an affirmative deferral election or do not opt out of participation within 45 days are automatically enrolled with pre-tax deferrals equal to three percent (3%) of the participant’s compensation. The Plan Administrator and the IRC may limit the percentage of eligible compensation that highly compensated employees may contribute. Participants are also allowed to roll over amounts distributed from other tax-qualified plans to the Plan.

Employer Contributions—The Plan allows the Company to make matching contributions to participants. The Company matches its employee’s contributions up to 66-2/3% of the first 6% of the employee’s annual compensation (up to a maximum annual matching contribution of \$6,000). Aggregate matching contributions amounted to \$113.0 million and \$108.3 million for the years ended December 31, 2024 and 2023, respectively.

Additionally, the Plan provides for discretionary profit-sharing contributions by the Company for certain employees of CBRE Clarion Securities, LLC (“CBRE Clarion”). There were no discretionary profit-sharing contributions for the years ended December 31, 2024 and 2023.

Participant Accounts—Each participant’s account is credited with the participant’s contributions, an allocation of Company contributions and investment earnings (or losses) thereon and charged certain administrative expenses. Allocations of earnings are based on participant account balances in an investment. The overall benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants may invest up to 25% of their Plan accounts in the CBRE Stock Fund, which is a unitized fund that includes shares of the Company’s common stock and interest-earning cash for pending transactions and includes accruals for income earned and benefits payable.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

Vesting—Participants are immediately vested in all employee contributions, participant rollover contributions from other qualified plans and earnings (or losses) thereon. Generally, participants who were active on October 1, 2021 vest in all prior and future matching contributions at a rate of 33-1/3% each year of service with 100% vesting after three years of service. Participants who terminated employment on or before September 30, 2021 continue to have matching contributions vest under the Plan's prior vesting schedule, which vested 20% for each year of service, with 100% vesting after five years of service. Upon rehire, these prior matching contributions continue to be subject to five-year vesting, and new matching contributions will be subject to three-year vesting as described above. Special vesting rules continue to apply to matching contributions made before January 1, 2007. Participants become immediately fully vested in Company matching contributions upon reaching age 65, becoming disabled (as defined in the Plan) or death, in each case if employed by the Company at that time. Service for the year is determined using the elapsed time method of crediting service.

Participants generally forfeit any portion of Company contributions that has not yet vested upon the earlier of: (i) the date of the participant's final distribution; or (ii) the date on which the participant has no eligible service for five consecutive years.

Forfeited Accounts—Forfeited accounts are invested in a money market fund and included in participant-directed investments in the accompanying Statements of Net Assets Available for Benefits. These accounts are used to pay expenses of the Plan or to reduce future Company contributions. During the year ended December 31, 2024, account forfeitures totaled \$8.8 million. \$8.5 million was used to reduce Company contributions from both current and prior year forfeited balances. During the year ended December 31, 2023, account forfeitures totaled \$6.4 million. \$7.3 million was used to reduce Company contributions and \$0.5 million was used to pay expenses. As a result, at December 31, 2024 and 2023, forfeited non-vested account balances totaled \$1.2 million and \$0.9 million, respectively.

Payment of Benefits and Withdrawals—Participants are entitled to the balance of their vested accounts upon retirement, termination of employment, disability or death. The Plan also provides for withdrawals due to hardship, subject to certain limitations, from rollover accounts, from pre-2002 after-tax voluntary contribution accounts and after attaining age 59½. Distributions are primarily made in a single lump-sum cash payment equal to the balance of the participants' accounts. As a result of the Consolidated Appropriations Act of 2023, which includes the Setting Every Community Up Retirement Enhancement ("SECURE") 2.0 Act, the required minimum distribution age is 70½ for anyone born before July 1, 1949, and 72 for anyone born from July 1, 1949 through December 31, 1950, and effective January 1, 2023, increases up to age 73 for anyone born on or after January 1, 1950 through December 31, 1959, and age 75 for anyone born on or after January 1, 1960.

Notes Receivable from Participants—Participants may elect to borrow from their accounts up to a maximum of \$50,000, not to exceed 50.00% of their vested account balance. Loan transactions are treated as transfers between the investment fund and the loan fund. Generally, participant loans are to be repaid through payroll deductions over a period generally not to exceed five years. The loans are secured by the balance in the participant's account and bear interest at a rate as determined by the Plan Administrator. Interest rates on loans outstanding at December 31, 2024 and 2023 range from 5.25% to 10.50% and 4.25% to 10.50%, respectively, and mature on various dates through January 2030.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the U.S. (“GAAP”).

Investment Valuation and Income Recognition—The Plan’s investments are stated at fair value.

Shares of mutual funds are valued at quoted market prices.

Investments in the common/collective trusts are valued at net asset value (“NAV”).

A portion of the Plan is invested in shares of CBRE Group’s common stock, which is valued at its quoted market price on the New York Stock Exchange. The value of CBRE Group’s common stock was \$131.29 and \$93.09 per share as of December 31, 2024 and 2023, respectively, which represented the quoted market price of CBRE Group’s common stock as of those dates. The Plan held 975,117 and 1,023,276 shares of common stock of CBRE Group, with a cost basis of \$36.9 million and \$37.2 million as of December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, the Plan did not earn any dividend income from CBRE Group’s common stock.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

Management fees and operating expenses of the Plan’s investment funds are generally paid by the investment funds and are reflected as a reduction of investment return for such investments. A portion of the management fees for certain investment funds is returned to the Plan to pay administrative expenses or be allocated to participants, which practice is commonly referred to as “revenue sharing.”

Revenue Sharing—Revenue sharing is placed in an “ERISA Account” which is invested in a money market fund and included in participant-directed investments in the accompanying Statements of Net Assets Available for Benefits. Total revenue sharing, including interest, was \$2.5 million and \$2.1 million in 2024 and 2023, respectively. Revenue sharing was first used to pay the fees of Fidelity and its affiliates aggregating to \$1.6 million in both 2024 and 2023. In addition, administrative expenses were paid out of the ERISA Account in the amount of \$0.5 million and \$0.3 million in 2024 and 2023, respectively. The balance in the ERISA Account was \$0.7 million and \$0.2 million as of December 31, 2024 and 2023, respectively.

Although the Plan allows for the calculated excess in the ERISA Account, as determined by the Plan Administrator, to be allocated to participant accounts pro rata in proportion to their account balances, no amounts were taken out of the ERISA Account and allocated to participant accounts during the years ended December 31, 2024 and 2023.

Notes Receivable from Participants—Participant loans are valued at their amortized cost, which represents the unpaid principal balance plus accrued interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits—Benefits are recorded when paid.

Use of Estimates—The preparation of financial statements in conformity with GAAP requires the Plan’s management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Risks and Uncertainties—The Plan invests in various securities as directed by the participants among the investment options offered under the Plan, including mutual funds, common/collective trusts and CBRE Group’s common stock. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and economic risks due to overall market volatility, including recession. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the accompanying financial statements and notes.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

The Plan invests through mutual funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, potentially less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

3. FAIR VALUE MEASUREMENTS

The “*Fair Value Measurements and Disclosures*” Topic of the Financial Accounting Standards Board Accounting Standards Codification (“Topic 820”) defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 – Quoted prices in active markets for identical assets and liabilities that the Plan has the ability to access.
- Level 2 – Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement.

The following tables set forth a summary of the Plan’s investments measured at fair value on a recurring basis as of December 31, 2024 and 2023 (dollars in thousands):

4. COMMON/COLLECTIVE TRUSTS

The following table summarizes the Plan's investments in common/collective trusts (dollars in thousands):

	Fair Value as of December 31,	
	2024	2023
Vanguard Target Retirement Funds	\$ 1,894,439	\$ 1,590,385
Putnam Large Cap Value Trust	172,946	155,717
Fidelity Managed Income Portfolio	156,740	168,421
Allspring Emerging Growth CIT	60,069	41,718
Total common/collective trusts	<u>\$ 2,284,194</u>	<u>\$ 1,956,241</u>

The Plan's investments in common/collective trusts are stated at NAV and are considered to have a readily determinable fair value. The NAV, as provided by the trustees, is based on the fair value of the underlying investments held by each fund, less its liabilities.

Vanguard Target Retirement Funds are a series of 11 fund options as of both December 31, 2024 and 2023, designed for investors expecting to retire around the year indicated in each option's name. The funds, which are the Plan's default investment options, are managed to gradually become more conservative over time. The funds invest in a diversified portfolio of stock and bond mutual funds.

The Fidelity Managed Income Portfolio is a common/collective trust that is a commingled pool of the Fidelity Group Trust for Employee Benefit Plans. It is managed by Fidelity Management Trust, which is also the trustee of the Plan. The Fidelity Managed Income Portfolio invests in investment contracts issued by insurance companies, other financial institutions, and fixed income securities. A portion of the portfolio is invested in a money market fund to provide daily liquidity. Investment contracts provide for the payment of a specified rate of interest to the portfolio and for the repayment of principal when contracts mature. The portfolio seeks to maintain a stable NAV. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV.

The Putnam Large Cap Value Trust is a common/collective trust which invests in equity securities of companies consistent with their investment objectives. Investments are stated at the NAV of shares held by the Plan as of December 31, 2024 and 2023.

The Allspring Emerging Growth CIT is a common/collective trust which invests in equity securities of companies consistent with their investment objectives. Investments are stated at the NAV of shares held by the Plan as of December 31, 2024 and 2023.

5. NON-DISCRIMINATION TESTING

The Plan Sponsor determined that the Plan passed the IRC non-discrimination testing with respect to the years ended December 31, 2024 and 2023.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are funds managed by the Plan's trustees or its affiliates. As a result, these transactions qualify as exempt party-in-interest transactions. In addition, the Plan invests in shares of common stock in CBRE Group, of which the Plan Sponsor is a subsidiary. As a result, these transactions also qualify as exempt party-in-interest transactions.

7. ADMINISTRATIVE EXPENSES

The Plan provides that administrative expenses shall be paid by the Plan unless the Company, in its discretion, pays the expenses. Many of the Plan's administrative expenses, including the fees of the recordkeepers and trustees, are paid by the Plan via revenue sharing (see Note 2 – Summary of Significant Accounting Policies). A few expenses, such as review and processing of qualified domestic relations orders, are paid by the Plan and charged to participant accounts.

8. TAX STATUS

The Internal Revenue Service ("IRS") determined and informed the Company by letter dated October 16, 2017 that the Plan and related trust, including amendments made through January 2017, were designed in compliance with the IRC.

The Puerto Rico Department of Treasury ("Hacienda") determined and informed the Company by letters dated December 5, 2016 that the Plan, as amended and restated as of January 1, 2014, its amendments #1 and #2, and related trust were designed in compliance with the Puerto Rico Internal Revenue Code. The Plan as restated effective as of September 4, 2017, its amendments #1 through #5, and the restatement as of December 1, 2022, and related trust received favorable determination letters from Hacienda through letters dated January 24, 2025. In addition, amendments #1 through #4 to the Plan as amended and restated effective December 1, 2022 were filed for qualification under the Puerto Rico Internal Revenue Code with Hacienda on December 19, 2024. The request for qualification of the amendments are currently under evaluation by Hacienda. Although the Plan has been amended since receiving the determination letters, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and Puerto Rico Internal Revenue Code and, therefore, believe that the Plan and related amendments is qualified, and the related trust is tax-exempt. As such, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions to or terminate the Plan at any time, subject to the provisions of ERISA and the IRC. In the event of Plan termination, participants would become 100% vested in their employer contributions.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events from December 31, 2024 through June 20, 2025, the date the financial statements were available to be issued. There have been no material events that would require recognition disclosure in the accompanying financial statements.
