INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
South Dakota Associations of Community-Based
Human Services Retirement Plan
Pierre, South Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of South Dakota Associations of Community-Based Human Services Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain other internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

(1) Description of the Plan

The following description of the South Dakota Associations of Community-Based Human Services Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreements for a complete description of the Plan's provisions.

Nature of Business of Plan Sponsor

South Dakota Council of Mental Health Centers (the Organization) has various members who are dedicated to providing quality services for individuals, families, schools, workplaces, and communities. The Organization is the Administrator of the Plan, a defined contribution 401(k) plan. Certain members of the Organization choosing to participate in the Plan are Ability Building Services, Inc., Addiction Recovery Centers of the Black Hills, Aspire, Inc., Black Hills Works, Capital Area Counseling Services, Community Counseling Services, Dakota Counseling Institute, Inc., Dakota Milestones, Inc., Human Service Agency, Northeastern Mental Health Center, Three Rivers Mental Health & Chemical Dependency Centers, and West River Mental Health.

General

The Plan, and the trust of which it is a part, are intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the participating employers meet eligibility requirements based on the criteria selected by the participating employers. Employees may enter the Plan immediately, on the first day of the month, or on the first day of the quarter coinciding with or following the date they satisfy the Plan's eligibility requirements.

Contributions

Participants may contribute up to 100 percent of their pretax annual compensation, as defined by the Plan, subject to certain IRS limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Certain participating employers also allow participants to make after-tax Roth 401(k) contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or contribution plans. Participants may elect to discontinue contributions at any time.

Each participating employer has the option of instituting automatic enrollment for those employees hired on or after a specified date, as defined by the adoption agreement of the participating employer, in which the participating employer will automatically withhold a specified percentage of the employee's compensation upon becoming eligible, unless otherwise elected by the participant.

Certain participating employers may designate discretionary matching contributions, if elected, to be funded on an annual basis or a per payroll basis. Additional discretionary contributions may be contributed at the option of the participating employers. The discretionary match contributions from the participating employers ranged from 0-percent to 5.00 percent. The Plan made \$841,066 of discretionary contributions during the year ended December 31, 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) their respective employer's contribution, (b) Plan earnings or losses, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

(1) Description of Plan

Participant Notes Receivable

Participants employed by certain participating employers may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at a rate of two percent above the prime rate, determined quarterly. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds were used to acquire the participant's residence, in which the term may not exceed 15 years. A participant may have no more than one loan outstanding at any one time. The loans are recorded at the unpaid principal balance plus accrued interest.

Participants' Investment Options

Participants direct their account balance to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time throughout the year.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the participating employers' contribution portion of the participant's account is based on years of credited services. Participating employers have chosen either immediate vesting, one or three-year cliff vesting, or a four or six-year vesting schedule.

Forfeitures

Nonvested account balances are forfeited unless participants return to employment and contribute the distribution received at termination within a specified time. Total forfeited non-vested account balances were \$110,891 and \$82,315 at December 31, 2024, and 2023, respectively. The Plan uses forfeitures to reduce employer contributions. Forfeitures of \$68,368 and \$35,045 were used to reduce employer contributions during the years ended December 31, 2024, and 2023, respectively.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or one of various annuities. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Vested benefits less than \$1,000 are distributed as soon as administratively feasible after the participant's termination of employment. Vested benefits greater than \$1,000 but less than \$5,000 are rolled over to an individual retirement account.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan. Recordkeeping, Trustee, and other administrative fees are the responsibility of the Plan, as provided in the service agreements.

Subsequent Events

The Plan Sponsor has evaluated significant subsequent events through June 11, 2025, the date which the financial statements were available for issue.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the financial statements and accompanying notes. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments in mutual funds and common collective funds are stated at fair value on a recurring basis as determined by Hand Benefits and Trust Company (the Trustee) (Note 6). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in an investment contract through a collective trust. The Statements of Net Assets Available for Benefits are prepared on a contract value basis for this trust account.

Risks and Uncertainties

The Plan provides for various investment options. Investments are exposed to various risks, such as interest, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Net Change in Fair Market Value of Investments

The net change in fair market value of investments is composed of the realized gains and losses in securities that were sold or otherwise disposed of during the year and the unrealized gains and losses in securities held at the end of the year.

Payment of Benefits

Benefits are recorded when paid.

(3) Information Certified by the Trustee

The Plan's investments are held and certified by the Trustee, who performs all accounting functions associated with the Plan's investments. The fair value of investments at December 31, 2024 and 2023, is determined by the Trustee (Note 6).

**SOUTH DAKOTA ASSOCIATIONS OF COMMUNITY-BASED
HUMAN SERVICES RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

(3) Information Certified by the Trustee

The Plan is administered by the Organization and participating employers. The Plan's investments are in funds held and managed by the Trustee.

In accordance with Section 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator has received certification from the Trustee as to the accuracy and completeness of certain financial information of the Plan. Information contained in the following has been certified by the Trustee:

Statements of Net Assets Available for Benefits (except for Note Receivables from Participants, Contribution Receivables, and Excess Contributions Payable)

Statement of Changes in Net Assets Available for Benefits (except for Interest Income on Participant Note Receivables, Contributions, Benefits Paid to Participants, and Administrative Expenses)

Supplemental Schedule of Assets Held at End of Year (except for Note Receivables from Participants)

The Plan invests in mutual funds and a stable value common collective trust with underlying assets consisting of any combination of stock, bonds, fixed income securities, and other investment securities. Market volatility of equity-based investments may substantially impact the value of such investments at any given time. It is possible that the value of the Plan's investments, both in total and in individual participant accounts, has changed significantly since December 31, 2024.

(4) Income Tax Status

The Plan uses a volume submitter plan document sponsored by Benefit Plans Administrative Services LLC which received an opinion letter from the Internal Revenue Service (IRS) stating that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS and the volume submitter plan document has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Department of Labor (DOL) or IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Plan Termination

Although it has not expressed any intent to do so, the Organization and each individual participating employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**SOUTH DAKOTA ASSOCIATIONS OF COMMUNITY-BASED
HUMAN SERVICES RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

(6) Recurring Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level One: inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level Two: inputs include
 1. quoted prices for similar assets or liabilities in active markets;
 2. quoted prices for identical or similar assets or liabilities in inactive markets;
 3. inputs other than quoted prices that are observable for the asset or liability;
 4. inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level Three: inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the closing price reported on the active market on which the individual funds are traded.

Common/Collective Trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. In the event that the Plan initiates a full redemption of the collective trust, the issuer does not require a redemption notice period.

The following tables present the assets carried at fair value in the accompanying Statements of Net Assets Available for Benefits by fair value hierarchy, as described above. All are measured on a recurring basis. No liabilities are measured at fair value on a recurring basis.

December 31, 2024:	Level One	Level Two	Level Three	Total
Mutual Funds	\$ 48,406,450	\$ -	\$ -	\$ 48,406,450
Total Assets in the Fair Value Hierarchy	48,406,450	-	-	48,406,450
<i>Investments Measured at Net Asset Value *</i>	-	-	-	3,608,315
	<u>\$ 48,406,450</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 52,014,765</u>

HUMAN SERVICES RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

(6) Recurring Fair Value

December 31, 2023:	Level One	Level Two	Level Three	Total
Mutual Funds	\$ 45,802,144	\$ -	\$ -	\$ 45,802,144
Total Assets in the Fair Value Hierarchy	45,802,144	-	-	45,802,144
<i>Investments Measured at Net Asset Value *</i>	-	-	-	3,480,435
	\$ 45,802,144	\$ -	\$ -	\$ 49,282,579

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2024 and 2023, respectively:

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common/Collective Trust	\$ 3,608,315	n/a	Daily	None

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common/Collective Trust	\$ 3,480,435	n/a	Daily	None

(7) Related Party Transactions

Fees for legal and professional services rendered to the Plan may be paid by the Organization at its discretion. The Plan allows participants to take out loans against their account balances.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

(8) Delinquent Participant Contributions

During the plan years ended December 31, 2024 and 2023, approximately \$47,600 and \$12,500, respectively, of participant contributions were not remitted to the Plan within the time frame required by DOL regulations. The Plan made corrective contributions in 2025, including lost earnings, for the affected participants. These late remittances have been reported on Schedule H of the Plan's Form 5500 for the year ended December 31, 2024.
