Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **SNYDER & CLEMENTE**

(2) EIN: **23-2535812**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X

INDEPENDENT AUDITORS' REPORT

To the Pension Oversight Committee
of the Maternal and Family Health Services
Retirement Savings Plan
15 Public Square, Suite 600
Wilkes-Barre, Pennsylvania 18701

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Maternal and Family Health Services Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Maternal and Family Health Services Retirement Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of September 30, 2024 and 2023 and for the year then ended September 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Maternal and Family Health Services Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maternal and Family Health Services Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Maternal and Family Health Services Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Maternal and Family Health Services Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

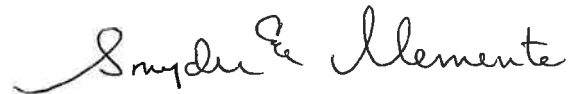

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following brief description of the Maternal and Family Health Services (Organization) Retirement Savings Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

A. General:

The Plan Sponsor adopted a prototype non-standardized profit-sharing plan with CODA effective November 1, 2018. The Plan is a safe-harbor defined contribution plan covering substantially all employees of the Organization. Employees become eligible participants on the first day of the seventh month of employment. The Plan is subject to the provisions of ERISA.

B. Contributions:

Each year, participants may contribute up to 80% of pre-tax annual compensation, defined in the Plan as Code Section 3401 (2) compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation with annual increases of 1% to a maximum of 8% and their contributions invested in a designated balanced fund until changed by the participant. The employer safe harbor matching contribution is currently 100% of the employee's deferral up to 6%. The Organization has the option to make nonelective discretionary matching and profit-sharing contributions to the Plan. No nonelective discretionary matching or profit-sharing contributions were made to the Plan in the current Plan year. The discretionary additional matching and profit-sharing contribution is allocated to eligible participants on a pro rata basis to the safe harbor matching contribution participants received for the Plan year. Employee and employer contributions are remitted bi-weekly. Contributions are subject to certain IRS limitations.

C. Participants Accounts:

Each participant's account is credited with the participant's contribution, including rollovers, the Organization's safe harbor matching contribution, any additional matching contributions, the Organization's nonelective discretionary contributions, if any, and an allocation of Plan earnings and charged with an allocation of plan losses and administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investments in their own accounts.

RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2024 AND 2023

D. Vesting:

Participants are immediately vested in their contributions and the employer safe harbor and additional matching contributions and actual earnings thereon. Vesting in the Organization's nonelective discretionary contributions is based on years of continuous service. A participant is 100 percent vested after four years of credited service.

E. Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their nonforfeitable account balance. The loans are secured by the balance in the participant's account and bear a rate of interest based on the bank prime rate plus 2%, which ranged from 5.25 to 10.50%. Principal and interest are paid ratably through payroll deductions. Participants may only have two loans outstanding at a time.

F. Payment of Benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, installments, or annuity payments. The Plan allows automatic distributions if the value of the participants vested account is less than \$5,000 in the following manner: accounts with a value between \$1,000 and \$5,000 will automatically rollover to a Merrill Lynch Individual Retirement Account; accounts with a value of less than \$1,000 will be automatically distributed as a lump sum distribution. The participant must consent to distributions in excess of \$5,000. A Participant may withdraw all or part of his/her elective contribution account in the event of undue financial hardship for certain qualifying expenses. A Participant that is 59 ½ years of age may take an in-service withdrawal of his/her fully vested funds. The Plan allowed COVID distributions of up to \$100,000 up to December 30, 2020, in accordance with the CARES ACT (See Note H below). Repayment of CARES Act distributions is allowed partially or in full within three years of withdraw of funds.

G. Forfeited Accounts:

At September 30, 2024 and 2023, forfeited non-vested accounts had no balance.

H. Plan Amendments:

Effective April 2020, the Plan adopted the suspension of required minimum distribution provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. As a result of the act, required minimum distributions were completely waived for 2020. The Plan has until December 2026 to formally amend the Plan.

MATERNAL AND FAMILY HEALTH SERVICES
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2024 AND 2023

Effective April 2020, the Plan adopted the distribution provision of the CARES Act. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 30, 2020. The Plan has until December 2026 to formally amend the Plan.

Effective April 2020, the Plan has adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments for twelve months. The Plan has until December 2026 to formally amend the Plan.

Effective April 2020, the Plan adopted the coronavirus related loans up to \$100,000 that must be taken by September 22, 2020 to a qualified individual. The Plan has until December 2026 to formally amend the Plan.

Effective January 2020, the Plan has adopted certain requirements of the Setting Every Community Up for Retirement Enhancement (SECURE) Act which changed required minimum distribution age from 70.5 to 72, requires non-spouse beneficiaries to withdraw funds within ten years, allows penalty free withdraws for new parents and other provisions. The Plan has until December 2026 to formally amend the Plan.

The SECURE 2.0 Act made a change to the age when an individual can begin taking a required minimum distribution (RMD). Effective January 1, 2023 the age to begin taking an RMD increased to 73 and will eventually increase to 75 in 2033. In addition, the Act allows part time employees who complete either 1,000 hours of service in a Plan year or have three consecutive years of service with at least 500 hours of service to be included in the Plan. The Plan has until December 31, 2028 to be amended to reflect this provision.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

MATERNAL AND FAMILY HEALTH SERVICES
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2024 AND 2023

- C. **Investment Valuation and Income Recognition:**
Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies using information provided by investment advisers, custodians, and insurance company, as applicable. See Note 4 for discussion of fair value measurements.
- Purchases and sales are recorded on a trade date basis. Contributions are recorded in their period earned. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and may include interest and dividends earned in pooled separate accounts and mutual funds as allowed by the Department of Labor.
- D. **Notes Receivable from Participants:**
Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2024 and 2023. If a participant ceases employment, all loans become due and payable at the severance date. If not repaid or directly rolled over to a new employer's Plan, the Plan Administrator will deem the participant loan to be in default and the participant loan balance will be reduced and a benefit payment will be recorded.
- E. **Payment of Benefits:**
Benefits are recorded when paid.
- F. **Administrative Expenses:**
Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.
- G. **Date of Management Review:**
The Plan has evaluated subsequent events through June 17, 2025 the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE AND CUSTODIAN

The Plan Administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified as complete and accurate by the trustee, Bank of America, N.A., and was not subjected to any auditing procedures performed by the independent auditors:

- A. Investments at fair value of \$18,869,255 as of September 30, 2024 and \$15,896,449 as of September 30, 2023 and cash and cash equivalents of \$6,252 as of September 30, 2024 and \$150 as of September 30, 2023 as shown in the accompanying statements of net assets available for benefits.
- B. Notes receivable from participants as shown in the accompanying statements of net assets available for benefits of \$217,328 and \$204,849 as of September 30, 2024 and 2023, respectively; and accrued interest receivable of \$204 and \$115 in September 30, 2024 and 2023, respectively.
- C. Net investment gain and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits of \$3,409,854 and \$18,340, respectively, for the year ended September 30, 2024.
- D. Other Additions of \$4,689 for the year ended September 30, 2024.
- E. All investment-related information in the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2024.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

MATERNAL AND FAMILY HEALTH SERVICES
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2024 AND 2023

Level 2:

Input to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2024 and 2023.

Mutual Funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts:

Valued at net asset value (NAV) of units of a bank collective trust of Bank of America, the Plan trustee. The NAV, as provided by the Plan trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

(a) In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments in Entities that use NAV:

The following table summarizes investments measured at fair value based on NAV per share as of September 30, 2024 and 2023, respectively. Since the individual funds comprising the Plan's investment in common/collective trusts and pooled separate accounts file a Form 5500 as a direct filing entity (DFE), disclosures of significant investment strategies are not required.

5. PARTY-IN-INTEREST

The Plan investments are primarily shares of mutual funds and common/collective trusts managed by Bank of America, N.A., the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest. The Plan paid \$68,869 in administrative and investment advisory fees in 2024.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the employer nonelective discretionary contributions.

7. TAX STATUS

The Company adopted a prototype non-standardized profit-sharing plan with CODA. The IRS has determined and informed the volume submitter by a letter dated June 30, 2020, that the restated prototype plan document adopted by the Plan qualifies under Internal Revenue Code (IRC) section 401. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designated and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

MATERNAL AND FAMILY HEALTH SERVICES
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2024 AND 2023

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. OTHER ADDITIONS

The Plan received \$4,689 of other additions which was reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended September 30, 2024. The amount was not identified by the Trustee; however, they were distributed to participants as earnings in accordance with Plan provisions.

10. BENEFIT CLAIMS ALLOCATED BUT NOT YET PAID

At September 30, 2024, the Plan has received a request for benefit payment in the amount of \$6,127. This amount represents a distribution requested by a Plan participant but not paid until after September 30. The distribution was made to the participant on October 2, 2024.

11. OTHER PAYABLE

At September 30, 2024 and 2023, the Plan recorded Other Payables in the amounts of \$2,342 and \$2,342, respectively. These amounts represent distribution checks that were not cashed and returned to the Plan. The Plan held the returned checks in forfeitures until the participants can be located. The Plan is actively seeking the participants and, once located, will re-issue the checks.

12. SUBSEQUENT EVENT

On April 14, 2025, the Plan governing board voted to change the automatic deferral percentage from 2% to 3%. The Board also voted to changes the vesting schedule from the current 100% vested after four years of service to 100% vested after more than two years of service. Management expects these changes to begin in 2025-2026 Plan year.
