INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
HomeSafe 403(b) Retirement Plan
Lake Worth, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of HomeSafe 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HomeSafe 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HomeSafe 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HomeSafe 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HomeSafe 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HomeSafe 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of HomeSafe 403(b) Retirement Plan (the "Plan"), provides for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

- a) *General* – The Plan is a defined contribution plan covering all employees of The Children's Place at Home Safe, Inc. (the "Organization"), except members of a collective bargaining unit and non-resident aliens. Employees are eligible to make elective deferrals to the Plan on the first day of employment with the Organization. To become eligible for the Organization's match contribution and non-elective contribution employees must be 21 years old and have at least three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on January 1, 2009, and was amended on July 1, 2023, in relation to the employer matching contribution.
- b) *Plan Administration* – Management of the Organization administers the Plan. Principal Life Insurance Company (Principal) is the investment manager, custodian, and party which directs the custody and management of the Plan's assets as of December 31, 2024 and 2023.
- c) *Contributions* – Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Organization may make employee match contributions and discretionary contributions at the option of the Organization's Board of Directors. The Organization currently matches 100% of the participants deferrals up to 6% of employee elective deferrals. For the year ended December 31, 2024, the Organization did not make any discretionary contributions.
- d) *Participant Accounts* – Each participant's account is credited with participant's contribution, the employer's matching contribution and Plan earnings. In addition, participant accounts are credited with an allocation of employer non-matching contributions and forfeitures of terminated participants' non-vested accounts, if any. Allocations are based upon an eligible participant's relative compensation.
- e) *Vesting* – Participants are immediately vested in their salary deferral and rollover contributions plus actual earnings thereon. Vesting in the Organization's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested after 3 years of credited service. Upon death, disability, or reaching the age of 65, the employer discretionary matching and the discretionary non-elective contributions become 100% vested.
- f) *Administrative Expenses* – The Plan administrator has elected to pay the administrative costs associated with Plan operations and compliance. Individual participants pay for distribution fees and associated expenses.

1. Description of Plan, continued

- g) *Investment Options* – Upon enrollment in the Plan, participants may direct their contributions to any of the investment options offered by Principal, the custodian, and as periodically determined by the Plan Administrator. Participants may change their investment options via phone or Internet access to Principal.
- h) *Payments of Benefits* – Upon retirement, disability retirement, or termination of service, a participant may elect to receive a lump-sum amount or substantially equal installments equal to the value of the participant's vested interest in his or her account. In-service distributions are permitted for employees attaining age 59 ½. Hardship distributions are also permitted.
- i) *Forfeited Accounts* – Forfeitures of non-vested accounts may be used to pay administrative expenses and to reduce future employer contributions. During the year ended December 31, 2024, \$30,535 was forfeited by employees and \$18,518 was applied to employer contributions, while \$1,609 was applied to administrative expenses. The balance of forfeited non-vested accounts as of December 31, 2024 and 2023 was \$29,917 and \$18,397, respectively.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.
- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Valuation of Investments and Income Recognition* – Investments in registered investment companies (i.e., mutual funds) are reported at the fund's quoted market prices of a national securities exchange on the last business day of the year, of units held by the plan at year end, which represents the fair market value (FMV). Investment in the guaranteed investment contract is reported at contract value (Note 5). Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.

2. Summary of Significant Accounting Policies, continued

- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rate, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Additionally, the financial position of the Plan Sponsor, The Children's Place at Home Safe, Inc., may have a significant impact on the Plan. Specifically, this includes the ability of the Plan Sponsor to make contributions under the program and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan, and the Plan assets include legislation or regulations established by the Internal Revenue Service (IRS), Employee Retirement Income Security Act of 1974 (ERISA), and/or Department of Labor (DOL).

3. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. Fair Value Measurements, continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following description provides the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

- a) *Mutual funds* – Valued at quoted market prices of a national securities exchange on the last business day of the year, of units held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 4,573,960</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,573,960</u>

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 3,623,398</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,623,398</u>

4. Information Certified by the Plan's Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly Principal, the custodian, has certified that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

The following information was prepared and certified as complete and accurate by Principal:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	<u>\$ 4,573,960</u>	<u>\$ 3,623,398</u>
Investments, at contract value	<u>\$ 416,651</u>	<u>\$ 480,205</u>
Net appreciation in fair value of investments	<u>\$ 628,415</u>	
Dividends	<u>\$ 65,959</u>	
Interest on guaranteed investment contract	<u>\$ 7,146</u>	

5. Investment Contract with Insurance Company

The Plan has a traditional fully benefit-responsive guaranteed general account-backed group annuity contract with Principal Life Insurance Company (Principal). The funds were maintained in the Principal Fixed Income Option account, an interest-earning investment option backed by Principal's general account assets. Principal guarantees that interest will be credited at the crediting interest rate which is determined on a semi-annual basis. The guarantee is based on the continued claims-paying ability of Principal.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value as of December 31, 2024 and 2023 was \$416,651 and \$480,205, respectively. The crediting interest rate was approximately 2.90% in 2024 and 2.30% in 2023.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor, (4) premature termination of the contract. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable.

6. Related Party Transactions

Certain plan investments include shares of mutual fund accounts managed by Principal Life Insurance Company (Principal). Principal is the investment custodian of the Plan's assets. Therefore, these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

7. Tax Status

The Plan is utilizing a Prototype Non-standardized 403(b) Plan document sponsored by its investment custodian, Principal. The Plan has received an advisory letter issued by the IRS. The Plan administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Plan Termination

Although the Organization intends the Plan to be permanent and continuing, the Organization has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. Subsequent Events

Management has evaluated subsequent events through June 10, 2025, the date on which the financial statements were available to be issued, and determined there were no events to disclose in these financial statements.
