Independent Auditor's Report

RSM US LLP

Plan Administrator
Learners Edge, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Learners Edge, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Bell Bank, a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter-Plan Merger

As discussed in Note 1 to the financial statements, the Board of Directors of Learners Edge, LLC, the Plan's Sponsor, voted on February 9, 2023, to merge the Insight Education Group, Inc. 401(k) Profit Sharing Plan into the Learners Edge, LLC 401(k) Plan effective February 16, 2023. All plan assets were transferred to the control of Learners Edge, LLC 401(k) Plan on February 22, 2023. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2023, and Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Learners Edge, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of Learners Edge, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Learners Edge, LLC (the Company). Teaching Channel, Inc., iTeach, Lavinia Group, LLC, Insight Advance, LLC, and Insight Education Group, LLC, the wholly owned subsidiaries of Learners Edge, LLC, have adopted the Plan provisions as participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company serves as the administrator of the Plan and is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. Bell Bank has been appointed trustee of the Plan and is responsible for safekeeping of the Plan's trust fund. Newport Group, Inc. serves as the recordkeeper for the Plan.

Plan merger: Effective February 16, 2023, Insight Education Group, Inc. 401(k) Profit Sharing Plan was merged into the Plan. As a result, plan assets of \$2,991,668 were transferred into the Plan on February 22, 2023.

Eligibility: All employees of the Company, except employees covered under a collective bargaining agreement, non-resident aliens, and leased employees are eligible to participate in the Plan upon employment. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of available investment options offered by the Plan.

Contributions: Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants can make an election for either pre-tax or Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Company makes a safe harbor matching contribution equal to 100% of a participant's deferral contribution that does not exceed 4% of participant's eligible compensation. In addition, the Company may make a discretionary profit-sharing contribution to the Plan. To be eligible to receive the safe harbor matching contribution and discretionary profit-sharing contribution, if any, a participant must be age 21 or older and have completed at least 12 months of service, as defined in the Plan document. During the year ended December 31, 2023, no discretionary profit-sharing contribution was made.

Participant accounts: Each participant's account is credited with the participant's salary reduction contribution, rollover contribution, and the Company's safe harbor matching contribution, as well as allocations of profit-sharing contributions, if applicable, and Plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Participants may allocate their contributions to any or all investment funds offered by the Plan. Each participant's individual account in the investment fund is adjusted daily to reflect their share of any investment gains or losses. Participants may change their investment options daily.

Note 1. Description of Plan (Continued)

Vesting: Participants are immediately vested in their salary reduction, safe harbor match, and rollover contributions plus earnings thereon. Discretionary profit-sharing contributions and earnings thereon vest in accordance with the provisions of the Plan document as follows:

<u>Vesting Years of Service</u>	<u>Percentages Vested</u>
1	20%
2	40%
3	60%
4	80%
5	100%

To earn a year of service for vesting purposes, a participant must be credited with at least 1,000 hours of service during the Plan year. Participants who leave the Plan because of death, total and permanent disability, or normal retirement, as defined in the Plan, are considered 100% vested.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate equal to 1% above the prime rate at inception of the loan, which is commensurate with local prevailing rates. Interest rates ranged from 5.0% to 9.5% through June 2028. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of benefits: On termination of service due to death, permanent disability, retirement, or other reasons, a participant may receive a lump-sum or partial distribution equal to the value of the participant's vested interest in their account. The Plan provides for normal retirement at age 65. If the value of the vested benefit is less than \$5,000 upon termination prior to death, disability or retirement, a lump-sum distribution will be made regardless of whether or not an election has been made. The Plan allows for in-service and hardship distributions if certain criteria are met.

Forfeitures accounts: Forfeitures within the Plan year may be used to pay Plan expenses or offset Company contributions. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$55,740 and \$1,528, respectively. Forfeitures of \$40,757 and \$25,179 were used to partially fund employer contributions and pay plan expenses, respectively, in 2023.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

Contributions: Contributions from Plan participants and the Company are recorded in the year in which the participant contributions are withheld from compensation.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022, as all loans are secured by participant account balances. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Administrative expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included as an offset to net appreciation in fair value of investments.

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan has evaluated subsequent events for recognition or disclosure through June 23, 2025, the date the financial statements were available to be issued.

Note 3. Information Certified by Bell Bank

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified as complete and accurate by Bell Bank, a qualified institution:

	December 31	
	2023	2022
Investments, at fair value:		
Registered investment companies	\$ 9,344,428	\$ 2,949,759
Collective trust funds	468,646	359,729
Notes receivable from participants	63,767	11,495
	<u>\$ 9,876,841</u>	<u>\$ 3,320,983</u>

Bell Bank also certified to the completeness and accuracy of \$1,050,196 of net appreciation in fair value of investments, \$215,499 in interest and dividends related to the aforementioned investments, and \$2,797 of interest income on note receivable from participants for the year ended December 31, 2023.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- The collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, are based on the fair value of the underlying assets held by the fund less its liabilities. The NAV for the underlying assets of the common collective trust funds is a readily determinable measure of their fair value, and is the basis used by the funds for current transactions. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,344,428	\$ -	\$ -	9,344,428
Collective trust funds	468,646	-	-	468,646
	<u>\$ 9,813,074</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,813,074</u>

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,949,759	\$ -	\$ -	2,949,759
Collective trust funds	359,729	-	-	359,729
	<u>\$ 3,309,488</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,309,488</u>

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Learners Edge, LLC 401(k) Plan

Notes to Financial Statements

Note 6. Related Party and Party-in-Interest Transactions

Certain of the Plan's investments are managed by the Bell Bank, the Plan's trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included as an offset to net appreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions.

Note 8. Tax Status

The Plan has adopted a preapproved Plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since adopting the preapproved Plan document; however, the Plan Administrator believes the Plan and related trust is designed, and is being operated, in compliance with the applicable requirements of the IRC.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Nonexempt Prohibited Transactions

During 2023 and 2022, the Plan Sponsor inadvertently failed to deposit \$563,052 and \$12,571, respectively, of participant contributions and loan repayments, respective within the required time frame as stated by the United States Department of Labor regulations. The Plan Sponsor deposited, in 2024 and 2023, lost earnings of \$6,191 and \$153, respectively, related to the total late deposits in 2023 and 2022. The Plan Sponsor filed Forms 5330 and paid the applicable excise tax to the IRS. The correction and excise taxes were made from the Plan Sponsor's assets and not from assets of the Plan.
