Independent Auditor's Report

Plan Management
New Vitae, Inc. Group Health Plan
Limeport, Pennsylvania

Opinion

We have audited the accompanying financial statements of New Vitae, Inc. Group Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of New Vitae, Inc. Group Health Plan as of December 31, 2023 and 2022, and the changes in benefit obligations and net assets available for benefits for the the years then ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Vitae, Inc. Group Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Vitae, Inc. Group Health Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Vitae, Inc. Group Health Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Vitae, Inc. Group Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

New Vitae, Inc. Group Health Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the New Vitae, Inc. Group Health Plan (the "Plan") provides only general information. Participants should refer to the Plan document and trust agreement for a more complete description of the Plan's provisions.

General

The Plan provides medical benefits to regular full-time employees of New Vitae, Inc. ("Company") who have completed 60 days of service and are scheduled to work 30 hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan assets are held in the New Vitae Health and Benefit Trust, which is funded by the Company. Benecon Group LLC is the plan administrator, Highmark Inc. and Express Scripts are the claims processors.

Benefits

The Plan provides only medical and prescription drug benefits to the Plan's eligible participants and their eligible dependents, as defined by the Plan. The Plan also provides health benefits to individuals covered under the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Contributions

The Plan establishes monthly premium rates to be contributed to the Plan. The cost of the premiums is shared by the employees and the Company. The premiums paid by employees are dependent upon the option elected by the employee each year. If the plan does not have sufficient assets to pay claims, the Company's intent is to fund any shortfall through additional contributions.

Insurance Premiums and Self-Insured Benefits

The Plan is "self-insured" for all medical and prescription drug benefits except for premiums paid by the Plan for stop loss, which are included in the accompanying statements of changes in benefit obligations and net assets available for benefits.

Claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only ("ASO") arrangements. The claims processor pays claims directly to or on behalf of participants, and is then reimbursed by the Plan's 401(a) trust. Despite the Plan's utilization of the third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

New Vitae, Inc. Group Health Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Estimates and assumptions that affect the assets, liabilities, reported amounts of benefit obligations, and changes therein, and disclosure of contingent assets and liabilities made by management include, but are not limited to, incurred but not reported claims ("IBNR"). Actual results may differ from these estimates.

Contributions

The Company contributions are recorded when paid as the Company has the obligation to fund all claims regardless of its actual contributions.

Payment of Claims

Claims are recorded when paid.

Incurred But Not Reported Claims and Claims Payable

Plan obligations at December 31 for claims incurred but not reported are estimated through the use of benefit payment history data. Based on this information, an estimate of claims incurred, but not reported is calculated. There is a reasonable possibility that a significant change in this estimate could occur in the near term.

Claims payable represent claims reported at year end to the Plan that are unpaid.

The Company is obligated to contribute amounts necessary to pay for the benefits of the Plan which may ultimately exceed the estimate.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The individual attachment point for claims is \$65,000 and \$60,000 for 2023 and 2022, respectively, and the aggregate attachment point is \$1,221,466 and \$1,284,407 for the the twelve months ending December 31, 2023 and 2022, respectively.

New Vitae, Inc. Group Health Plan

Notes to Financial Statements

Note 3: Cash and Cash Equivalents

Veris Benefits, Inc. maintains an interest-bearing checking account for several medical trusts for which Veris Benefits, Inc. provides services. Each trust is held as an individual account with Univest Bank and Trust Company in the Plan's name as of December 31, 2023 and 2022.

Note 4: Concentration of Credit Risk

The Plan maintains a cash balance at a financial institution. Accounts at the institution are insured by the Federal Deposit Insurance Corporation ("FDIC"). The insured limits are subject to change. At times, the balance may be in excess of FDIC insurance limits.

Note 5: Administrative Expenses and Party-in-Interest Transactions

The Plan has arrangements with various service providers as disclosed in Note 1. These transactions are party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of ERISA. Insurance premium payments and administrative expenses were paid by the Company and subsequently reimbursed by the Plan. These administrative expenses totaled \$83,197 and \$78,309 for the years ended December 31, 2023 and 2022, respectively.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, payment of full contributions is due to the Plan through the date of termination. All contributions remaining in the Plan will be used to continue to pay claims in accordance with the terms of the Plan and will not revert to the employer.

Note 7: Tax Status

The trust has not received a determination letter, therefore the trust established under the Plan is a taxable trust. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan sponsor believes that the trust does not currently have a tax liability, and that the trust continues to qualify and operate in compliance with applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.
