INDEPENDENT AUDITOR'S REPORT

June 26, 2025

To the Participants and Plan Administrator of the
ToyotaLift Northeast Profit Sharing 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ToyotaLift Northeast Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 3, 2024 (in liquidation) and December 31, 2023 (ongoing), and the related statements of changes in net assets available for benefits for the period from January 1, 2024 to December 3, 2024 (in liquidation) and for the year ended December 31, 2023 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ToyotaLift Northeast Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 3, 2024 (in liquidation) and December 31, 2023 (ongoing), and for the period ended December 3, 2024 and year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ToyotaLift Northeast Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, management of ToyotaLift Northeast, LLC, the Plan Sponsor, approved a motion to terminate the ToyotaLift Northeast Profit Sharing 401(k) Plan effective August 29, 2024, and management determined that liquidation is imminent. As a result, the ToyotaLift Northeast Profit Sharing 401(k) Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ToyotaLift Northeast Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TOYOTALIFT NORTHEAST PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 3, 2024 (IN LIQUIDATION) AND DECEMBER 31, 2023 (ONGOING)

1. DESCRIPTION OF PLAN

The following description of the ToyotaLift Northeast Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code. The Plan covers eligible employees of ToyotaLift Northeast, LLC ("the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan management resolved to terminate the Plan effective August 29, 2024. No contributions were made to the Plan after August 30, 2024, and certain other Plan activity, such as originating participant loans, was restricted. The Plan continued to hold investments and record earnings and losses thereon, and certain other Plan activity, including benefit payments, until all assets were distributed from the Plan. Participants were given the option to rollover their account balances and any outstanding loan balances to the Toyota Industries North America Group Associates' 401k Retirement Plan (TINA), rollover their account balances into an individual retirement account (IRA) or another employer's qualified Plan or take a full distribution subject to taxes and early withdrawal fees or penalties. Participants had until market close on November 26, 2024 to request a distribution. As of December 3, 2024, all Plan assets were fully distributed.

Administration

The Company sponsors the Plan. Fidelity Management Trust Company (FMTC) is the trustee and custodian of the Plan's assets, and Fidelity Investments is the recordkeeper of the Plan.

Eligibility

Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the date they have attained age 18 and completed 3 months of employment. Employees that are residents of Puerto Rico or individual contractors are not eligible to participate in the Plan.

Contributions

Participants may make voluntary tax-deferred contributions up to 100% of their eligible compensation, subject to certain limitations under the Internal Revenue Code (IRC). Contributions begin on the first day of the following month once attaining the eligibility requirement.

The Plan provides an automatic enrollment provision in which newly eligible participants are enrolled to contribute 3% of their annual salary, unless the participant elects otherwise. As long as a participant does not opt out of the automatic increase provision, the participant's elective deferral amount will automatically increase by 1% each year at the beginning of each Plan year up to a maximum of 5%.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

The Company may also make discretionary profit-sharing contributions to the Plan. The management of the Company determines the amount of the discretionary annual profit-sharing contribution to be made, if any. To be eligible for the discretionary profit sharing, participants must have completed 501 hours of service during the year or have been employed on the last day of the Plan year. No profit-sharing contributions were made to the Plan during 2024 or 2023.

The Plan allows participants who have reached the age of 50 or older by the end of the taxable year to make catch up contributions.

Participant Accounts

Participants direct the investment of their contributions into the various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, profit sharing contributions, if any, and allocations of (a) Plan earnings/losses on contributions, and (b) administrative expenses of the Plan. Allocations are based on participant compensation or account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their elective contributions and actual earnings/losses thereon. Contributions made through the profit sharing contribution vest at a rate of 20% per year following the first year of service. When the Plan was terminated, all non-vested amounts became fully vested.

Administrative Expenses

The administrative expenses of the Plan are paid by the participants and the Plan.

Benefit Payments

Upon retirement or termination of service, participants may elect to receive a lump-sum distribution of their vested account balance, an installment based distribution, or elect a rollover to another qualified retirement plan or an Individual Retirement Account. Participants may also elect an in-service distribution upon attaining age 59 ½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's employee account balance under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Forfeitures

Forfeitures of non-vested accounts can be used to pay any administrative expenses of the Plan or to reduce the Company's discretionary contributions. Forfeitures available to reduce future employer contributions and administrative expenses totaled approximately \$322 at December 31, 2023. \$322 of available forfeitures were used during the period January 1, 2024 through December 3, 2024 to pay administrative expenses.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance, reduced by the excess of their highest outstanding balance of loans from the Plan during the one-year period prior to the date of the loan. Loans cannot be made from the Plan for less than \$1,000. The Plan allows for a maximum of two loans outstanding per participant at any given time. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined annually by the plan administrator. Loan terms range from one to five years, unless they are used to purchase a primary residence, in which case repayment may be made over a reasonable period of time that may exceed five years. Expenses associated with initiating and maintaining notes receivable are paid by the individual participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements in accordance with accounting principles generally accepted in the United States of America. As a result of the Plan's termination as described in Note 1, management determined liquidation was imminent as of August 29th, 2024 and the Plan changed its basis of accounting to the liquidation basis for the period ended December 3, 2024. The plans financial statements for the year ended December 31, 2023 were presented under the going concern basis.

Investment Valuation and Income Recognition

The Plan's investments in the money market funds, mutual funds, and self-directed brokerage accounts are reported at fair value as reported by the trustee. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable to Participants

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions of \$8,966 to the applicable participants prior to March 15, 2024 and are recorded as a liability on the statements of net assets available for benefits. 2024 excess contributions of \$12,647 were distributed to the applicable participant prior to December 3, 2024, therefore, no liability was recorded.

Fair Value Measurement

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fair Value Measurement (Continued)

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the ASC Section 820 hierarchy is provided in Note 4.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Benefit Payments

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Fidelity Management Trust Company, the trustee, as of December 3, 2024 and December 31, 2023 and for the period January 1, 2024 through December 3, 2024, and the year ended December 31, 2023 and is included in the accompanying financial statements and supplemental schedule:

4. FAIR VALUE MEASUREMENTS (Continued)

Valuation Methodology

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds and money market funds: Valued at fair value based on quoted market prices in active markets.

Self-directed brokerage account: Self-directed funds include cash, which is stated at cost, and common stock, which is valued at fair value based on quoted market prices in active markets.

5. INCOME TAX STATUS

The Plan is designed from a prototype plan offered by Fidelity Management & Research Company (Fidelity). The Internal Revenue Service has determined and informed Fidelity, by letter dated June 30, 2020, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan Administrator and the Plan's tax counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PARTY-IN-INTEREST TRANSACTIONS

Fidelity Investments serves as the recordkeeper of the Plan's investment assets and FMTC serves as the trustee and custodian of the Plan's assets. As such, transactions between these parties and the Plan qualify as party-in-interest transactions as defined by ERISA. Transactions involving notes receivable from participants also qualify as party-in-interest transactions.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 26, 2025, which is the date the financial statements were available to be issued.

June 25th, 2025

To the Participants and Plan Administrator of
ToyotaLift Northeast Profit Sharing 401(k) Plan:

Thank you for using Bonadio & Co., LLP as your independent auditor.

We have completed an Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) audit, pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA of the financial statements of ToyotaLift Northeast Profit Sharing 401(k) Plan (the Plan) as of and for the period ended December 3, 2024 (in liquidation), and have issued our report thereon dated June 25th, 2025. This letter presents communications required by our professional standards.

Our Responsibility under Auditing Standards Generally Accepted in the United States of America

As communicated in our engagement letter dated April 24, 2025, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Other than for the certified investment information, the financial statements and supplemental schedule were audited by us in accordance with GAAS and were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Planned Scope and Timing of Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter dated April 24, 2025.

Significant Findings

Qualitative Aspect of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. As discussed in Note 1 to the financial statements, management of ToyotaLift Northeast, LLC, the Plan Sponsor, approved a motion to terminate the Plan effective August 29, 2024, and management determined that liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements.

We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus. In addition, we did not identify any significant findings or issues during the audit in connection with the Plan's related parties.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Management's estimate of the fair value of the Plan's investments in mutual funds and money market funds is based on quoted market prices in active markets. The Plan's investments in the self-directed brokerage account includes cash, which is stated at cost, and common stock, which is valued at fair value based on quoted market prices in active markets. We evaluated the key factors and assumptions management used to develop the fair value estimates pertaining to those investments and determined that such estimates and assumptions are reasonable.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Significant Unusual Transactions Identified During the Audit

We identified no significant unusual transactions during the audit.

Difficult, Contentious or Other Matters Encountered During the Audit

We encountered no difficult, contentious, or other matters for which we consulted outside the engagement team that were, in our professional judgment, significant and relevant to those charged with governance regarding the responsibility to oversee the financial reporting process.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We did not identify any corrected or uncorrected misstatements in performing and completing our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors' report. We are pleased to report no such disagreements arose over the course of the audit.

Significant Findings (Continued)

Circumstance Affecting the Form and Content of the Auditor's Report

We encountered no circumstances that affect the form and content of the auditor's report.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the Plan's financial statements, or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Management Representations

We have requested certain representations from management that are included in the management representation letter. This letter has been provided to you.

Independence

We are not aware of any relationships between Bonadio & Co., LLP and the Plan that, in our professional judgment, may reasonably be thought to bear on our independence. Relating to our audit of the financial statements of ToyotaLift Northeast Profit Sharing 401(k) Plan as of and for the period ended December 3, 2024, Bonadio & Co., LLP hereby confirms in accordance with the Code of Professional Conduct issued by the American Institute of Certified Public Accountants, that we, in our professional judgment, are independent with respect to the Plan.

During the period ended December 3, 2024, Bonadio & Co., LLP provided the following services to the Plan:

- Preparation of plan financial statements

Form 5500

In performing our audit, in accordance with GAAS, we are responsible for obtaining and reading the draft Form 5500 in order to identify material inconsistencies, if any, with the audited ERISA plan financial statements. During our audit we obtained and read the draft Form 5500 from management and did not identify any material inconsistencies.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.
