INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Consolidated Waterproofing Contractors, Inc. 401(k)
Contribution Profit Sharing Plan
Beltsville, Maryland, 20705

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2024, and the related statement of changes in net plan assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Ascensus, LLC, as agent for Ascensus Trust Company (Trustee), as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the 2024 Financial Statements section of our report. We are required to be independent of Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures

applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2023 Financial Statements

The financial statements of Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report, dated August 28, 2024, indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - PLAN DESCRIPTION

The following description of the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution retirement plan established effective January 1, 1994, covering all employees of the Consolidated Waterproofing Contractors, Inc. and Rolling Along, LLC (Rolling Along, LLC concluded activity in 2023) (together, the Company). Employees may enter the Plan immediately upon commencement of employment and the attainment of age 18.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated effective December 1, 2021 to reflect legislative and regulatory changes as permitted by the Internal Revenue Service (IRS).

Contributions. Each year, participants may contribute up to the maximum amount allowed in accordance with the IRS, ERISA, and DOL requirements, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company makes a safe harbor matching contribution of 100% of participants' elective deferrals up to a maximum of 4% of eligible compensation, as defined in the Plan. Additional profit-sharing amounts may be contributed at the discretion of the Company, subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution, the Company's safe harbor contributions, and Plan earnings. A participant will be entitled to share in the discretionary Company profit sharing contributions for a Plan year, only if the participant is employed on the last day of the Plan year, which will be waived for any eligible participant who died, became disabled, reached either early or normal retirement age.

Vesting. Participants are immediately vested in their elective deferral contributions, rollover contributions, Company safe harbor contributions and actual earnings thereon. Employer discretionary contributions will vest as follows; 0% (under 2 years), 20% (2nd Yr.), 40% (3rd Yr.), 60% (4th Yr.), 80% (5th Yr.), and 100% (6th Yr.).

Forfeitures. Forfeitures are used to reduce employer's contributions or pay Plan administrative expenses. If employment is terminated, a nonvested portion of a participant's balance will be moved to a suspense account. It will be restored to that participant's account if they are rehired before five breaks in vesting service have occurred. However, if they choose to take a distribution of the entire vested portion of their balance, the nonvested portion will be forfeited. For the years ended December 31, 2024 and 2023, forfeitures totaling \$686 and \$1,783, respectively were used to pay Plan expenses and reduce Company contributions respectively.

Investment Options. Upon enrollment in the Plan, a participant will direct all investment elections. Participants may change their investment options at anytime.

NOTE 1 - PLAN DESCRIPTION (cont'd.)

Participants' Note Receivables. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of current participant's vested balance or \$50,000, whichever is less. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. The loans are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates, as determined quarterly by the Plan administrator. Principal and interest is paid ratably through weekly payroll deductions, and must be paid back within time periods specified in the Plan.

Payment of Benefits. On termination of service due to death, disability, retirement, or attainment of age 59 ½, a participant may elect to receive a lump sum distribution of their vested account balance, unless the participant elects another option provided by the Plan. In addition, upon termination, the Plan allows for automatic lump sum distributions of participant vested account balances that do not exceed \$5,000. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

Operating Expenses. Plan administrative and recordkeeping fees are paid by the Plan and are included in administrative expenses. Certain expenses of maintaining the Plan may be paid directly by the Company and are excluded from the financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits. Benefits are recorded when paid.

Accounting Pronouncements. Plan management has elected to limit the scope of the audit in accordance with ERISA Section 103(a)(3)(C), which allows Plan management to instruct the auditor not to perform any auditing procedures with respect to investment information prepared and certified by the Trustee (a qualified certifying institution).

Subsequent Events. Management has evaluated subsequent events through June 26, 2025, the date the financial statements were available to be issued.

NOTE 3 - ADMINISTRATION OF PLAN ASSETS

The Plan’s assets, which consist of investments in registered investment companies (RIC’s), and a money market investment, are held by the Trustee of the Plan.
 Company contributions are held and managed by the Trustee, which invests cash received, interest, and dividend income and makes distributions to participants.
 Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 4 - RECEIVABLES

Receivables at December 31, 2024 and 2023, consist of employer contribution receivables and participant note receivables. Employer contribution receivables for the years ended December 31, 2024 and 2023 total \$4,092 and \$10,814, respectively, which were received by the Plan prior to the filing of the Plan Sponsor’s Federal income tax return. Participants’ note receivables for the years ended December 31, 2024 and 2023 total \$687,311 and \$456,508, respectively, which bear interest at varying rates dependent on the Prime rate at time of issuance.

NOTE 5 - INVESTMENTS

The following is a summary of the Plan’s financial information that is included in the financial statements based on information certified by Ascensus, LLC as agent for Ascensus Trust Company as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information has not been audited by the Plan’s independent auditors.

NOTE 6 - FAIR VALUE OF ASSETS AND LIABILITIES

The following Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total at Fair Value

Accounting standards define fair value as the amount that would be received from the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. Accounting standards establish a hierarchy of disclosing assets and liabilities measured at fair value based on the inputs used to value them. The fair value hierarchy maximizes the use of observable inputs and minimizes the use of unobservable inputs. Observable inputs are based on market pricing data obtained from sources independent of the Plan. Unobservable inputs reflect management's judgment about the assumptions market participants would use in pricing the asset or liability. The fair value hierarchy includes three levels based on the objectivity of the inputs as follows:

Level 1 – inputs are quoted prices in active markets as of the measurement date for identical assets and liabilities that the Plan has the ability to access. This category includes exchange-traded mutual funds and equity securities.

CONSOLIDATED WATERPROOFING CONTRACTORS, INC. 401(K)

NOTE 6 - FAIR VALUE OF ASSETS AND LIABILITIES (cont'd.)

Level 2 – are inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted market prices for similar assets and liabilities in active markets and inputs other than quoted prices that are observable for the asset or liability, such as interest rates or yield curves that are observable at commonly quoted intervals. This category includes mortgage-backed securities, asset-backed securities, corporate debt securities, certificates of deposit, commercial paper, U.S. agency and municipal debt securities, U.S. Treasury securities and derivative contracts.

Level 3 – inputs are unobservable inputs for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The measurements are highly subjective.

NOTE 7 - TAX STATUS

The Plan adopted a non-standardized pre-approved profit sharing plan with a deferral arrangement with Ascensus, LLC. The Internal Revenue Service (IRS) has determined by a letter dated June 30, 2020 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter but the Plan administrator believes that the Plan, as amended, is designed and is currently being operated in compliance with the applicable requirement of the IRC.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax position taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could material affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are invested in funds managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

NOTE 11 - COMMITMENTS AND CONTINGENCIES

The Secure Act 2.0:

The Plan has implemented certain requirements by the Setting Every Community Up for Retirement Act 2.0 (SECURE ACT 2.0), which include changes to required minimum distributions. Effective 2025, laws change the Plan to, among other, increase catch-up contribution limits, and allow part-time employee eligibility. Written amendments to the Plan will reflect these operational changes once adopted at a later date in accordance with applicable law and IRS guidance.

NOTE 12 - RECLASSIFICATION OF FINANCIAL STATEMENT PRESENTATION

Certain reclassifications have been made to the 2023 financial statements in order to conform to the 2024 financial statement presentation. These reclassifications have had no effect on the changes in net assets available for plan benefits as previously reported.
