Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **DOEREN MAYHEW ASSURANCE**

(2) EIN: **38-2492570**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Credit Union West Retirement Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Credit Union West Retirement Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits in liquidation as of September 20, 2024 and December 31, 2023, the statements of changes in net assets available for benefits in liquidation for the period ended September 20, 2024 and the year ended December 31, 2023, and the statement of accumulated plan benefits in liquidation as of December 31, 2023 and the related statement of changes in accumulated plan benefits in liquidation for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended September 20, 2024 and as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Termination and Use of Liquidation Basis of Accounting

As further discussed in Note 1, 2 and 6 to the financial statements, the Board of Directors of Credit Union West, made a decision to terminate the Plan effective August 31, 2023. The Plan's valuation as of January 1, 2023 was the final valuation done for the Plan. All assets related to the Plan have been distributed as of September 20, 2024.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of reportable transactions is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CREDIT UNION WEST RETIREMENT PENSION PLAN

NOTES TO THE FINANCIAL STATEMENTS SEPTEMBER 20, 2024 AND DECEMBER 31, 2023

Note 1 – Description of the Plan

General

Credit Union West Retirement Pension Plan (the Plan) was established by the Credit Union West (the Credit Union) on July 1, 1972. The Plan is a defined benefit pension plan covering all eligible employees of the Credit Union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). On January 24, 2023, the Credit Union's Board of Directors approved a resolution to terminate the Plan effective August 31, 2023, and all assets related to the Plan have been distributed as of September 20, 2024. As a result, the accrual of benefits under the defined benefit plan was discontinued, effective December 31, 2022. The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

Administration

The Retirement Plan Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan's Trustee and Investment Custodian is Delaware Charter Guarantee, Principal Life Insurance Company, and Trust Company d/b/a Principal Trust Company (Principal). The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Plan has also retained Principal Life Insurance Company to provide participant recordkeeping and administrative services.

Plan Termination

The Plan was terminated effective August 31, 2023, and liquidated as of September 20, 2024. As a result, in accordance with accounting principles generally accepted in the United States of America (GAAP), the financial statements are presented on the liquidation basis of accounting for the period ended September 20, 2024 and the year ended December 31, 2023 (see Note 2).

On June 19, 2024, the Plan executed an annuity contract with CMFG Life Insurance Company (CMFG) for a premium of approximately \$6,078,000. The Plan paid \$6,078,000 to CMFG on June 20, 2024. All assets were liquidated as of September 20, 2024.

Eligibility

Employees are eligible to participate in the Plan after they have completed the earlier of six consecutive months of employment or completion of one year of eligible service (1,000 hours) and have attained the age of 20½. On August 18, 2016, the Plan approved an amendment to terminate eligibility for new participants hired after January 1, 2017 and cease benefit accruals for those rehired after January 1, 2017. On February 17, 2021, the Plan approved an amendment to freeze the Plan effective December 31, 2022 and cease additional benefit accruals for all participants after December 31, 2022.

Benefits

Normal Retirement Benefits: At the Normal Retirement Age (65), employees will be entitled to receive a normal retirement benefit. The employee's Normal Retirement Date is the first day of the month coinciding with or next following Normal Retirement Age and will be equal to 2% of average compensation, multiplied by the years of service at retirement. The maximum years of service is equal to 20. Payment of benefits will begin as soon as practicable following the Normal Retirement Date. A participant is fully vested after completing five years of vested service.

CREDIT UNION WEST RETIREMENT PENSION PLAN

NOTES TO THE FINANCIAL STATEMENTS SEPTEMBER 20, 2024 AND DECEMBER 31, 2023

Early Retirement Benefits: Early Retirement Benefits are equal to the accrued benefit on the early retirement date reduced 5/10th of 1% for the first 60 months and 4/10th of 1% for the next 60 months early retirement precedes the normal retirement date. Any early retirement before the age of 55 shall be the Actuarial Equivalent.

Late Retirement Benefits: Late retirement benefits are payable to a participant who continues employment with the Credit Union after attaining Normal Retirement Age and shall be the greater of continued accruals or actuarial equivalent of accrued benefits.

Death Benefits: If a participant dies while employed and is fully vested, a death benefit will be payable to the surviving spouse or surviving eligible children of the participant. The death benefit equals 50% of the monthly vested aggregate accrued benefit (determined as of the date of the participant's death) and shall be payable for the life of the participant's spouse.

Disability Benefits: If an employee has attained five years of service and becomes disabled, in accordance with the terms of the Plan, while a participant in the Plan, the employee will receive a disability benefit equal to the vested accrued benefit on the date of disability.

Vesting

Each participant became 100% vested in their accrued benefits upon Plan termination effective August 31, 2023.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the liquidation basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred. Effective August 31, 2023, the Credit Union's Board of Directors adopted a resolution to terminate the Plan. As a result, the Plan's financial statements as of September 20, 2024 and December 31, 2023, for the period ended September 20, 2024 and for the year ended December 31, 2023, have been prepared on the liquidation basis, in accordance with GAAP. The basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable value of assets are reasonably determinable. Under the liquidation bases of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of December 31, 2023, would be fair value.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated Plan benefits at the date of the financial statements. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Investment Custodian. See Note 4 for discussion of fair value measurements.

CREDIT UNION WEST RETIREMENT PENSION PLAN

NOTES TO THE FINANCIAL STATEMENTS SEPTEMBER 20, 2024 AND DECEMBER 31, 2023

The purchase and sale of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated Plan benefits are those future periodic payments, including lump-sum distributions that are attributable under the Plan's provisions for the service employees have rendered. Accumulated Plan benefits expected to be paid to: (i) retired or terminated vested participants or their beneficiaries, (ii) beneficiaries of participants eligible to retire who have died, and (iii) present participants or their beneficiaries.

Benefits payable under all circumstances (retirement, death, and termination of employment) are included in the computation to the extent they are considered attributable to employee service rendered at the valuation date.

Accumulated Plan benefits are those future periodic payments, including lump-sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated Plan benefits expected to be paid to: (i) retired or terminated vested participants or their beneficiaries, (ii) beneficiaries of participants eligible to retire who have died, and (iii) present participants or their beneficiaries. Benefits payable under all circumstances (retirement, death, and termination of employment) are included in the computation to the extent they are considered attributable to employee service rendered at the valuation date.

The actuarial present value of accumulated Plan benefits is determined by an actuary from Principal Financial Group and it is that amount that results from applying actuarial assumptions to adjust the accumulated Plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuation as of December 31, 2023 were (i) life expectancy of participants (mortality) based upon mortality rates from the Society of Actuaries (SOA) Pri - 2012 Study with mortality improvement (MI) scale based on the SOA MIM-2021-v3 model for male and female, (ii) investment return of 5.75% per annum, and normal retirement age assumptions as defined in the Summary of Plan Provisions. Effective with this valuation, the mortality table used was updated to the 2022 prescribed mortality table and the compensation and maximum benefit limitations in effect at the beginning of the Plan year. The Plan accounting mortality assumption has also been updated to reflect the historical U.S. mortality data in the MIM-2021 report.

The computations of the actuarial present value of accumulated Plan benefits were made as of January 1, 2023, the final valuation date. The Plan was terminated August 31, 2023, and all assets related to the Plan have been distributed as of September 20, 2024. The Accounting Standards Codification 960 liability used an interest rate of 5.25%, while the lump sum distribution for final settlement used segmented interest rates of 5.50%, 5.76%, and 5.83%. Had the valuation been performed as of December 31, 2023, there would be no material differences.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including June 23, 2025, which is the date the financial statements were available to be issued.

Note 3 – Unaudited Information Certified by the Investment Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Principal, the Plan's Investment Custodian as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of September 20, 2024 and December 31, 2023.
2. All investment activity reflected in the Statements of Changes in Net Assets Available for Benefits for the period September 20, 2024 and the year ended December 31, 2023.
3. All investment-related information included in the Supplemental Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended September 20, 2024.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023. There were no assets held by the Plan as of September 20, 2024.

CREDIT UNION WEST RETIREMENT PENSION PLAN

NOTES TO THE FINANCIAL STATEMENTS SEPTEMBER 20, 2024 AND DECEMBER 31, 2023

Mutual funds: Valued at the daily net asset value (NAV) as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV daily and transact at NAV. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at the NAV as a practical expedient using the number of shares held by the Plan at year end. Principal considers the fair value of the underlying fund investments when establishing the value of the funds within the pooled separate accounts.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	As of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,630,087	\$ -	\$ -	\$ 15,630,087
Investments measured at NAV (a)	-	-	-	2,321,461
Total assets at fair value	\$ 15,630,087	\$ -	\$ -	\$ 17,951,548

Fair Value of Investments in Entities that use NAV

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV (or its equivalent) as of December 31, 2023:

	As of December 31,	Unfunded	Redemption	Redemption
	2023			
	Fair Value	Commitments	Frequency	Notice Period
Pooled separate accounts (a)	\$ 2,321,461	\$ -	Daily	Daily

(a) The pooled separate accounts are comprised of a diversified group of investments offering competitive yields.

Note 5 – Party-in-Interest Transactions

Certain Plan investments are pooled separate accounts managed by Principal. Principal is the Investment Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions, as defined by ERISA. Fees paid by the Plan for certain administrative expenses amounted to approximately \$120,000 and \$137,000 for the period ended September 20, 2024 and year ended December 31, 2023, respectively.

CREDIT UNION WEST RETIREMENT PENSION PLAN

NOTES TO THE FINANCIAL STATEMENTS SEPTEMBER 20, 2024 AND DECEMBER 31, 2023

Note 6 – Plan Termination

As described in Note 1, the Plan sponsor terminated the Plan effective August 31, 2023 subject to the provisions of ERISA. As part of the Plan termination, the Plan made approximately \$8,134,000 of lump-sum payments to participants during 2024.

In addition, some benefits are to be provided via annuity contracts under which CMFG is obligated to pay the benefits. On June 20, 2024, the Plan purchased annuity contracts in the amount of approximately \$6,078,000. Additionally, \$4,869,000 was returned to the Plan Sponsor.

Note 7 – Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated October 1, 2020 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Additionally, the Plan received its termination determination letter on May 7, 2025. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Plan contributions are made and the actuarial present value of accumulated Plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 9 – Funding Policy and Administrative Fees

The Plan is funded by contributions made by the Credit Union. The Credit Union's funding policy is to, at a minimum, make contributions to the Plan as recommended by the Plan's actuary. No minimum contribution was required for the years ended September 20, 2024 or December 31, 2023 as recommended by the Plan's actuary. No contributions were made to the Plan for the years ended September 20, 2024 and December 31, 2023. Employees are not permitted to contribute to the Plan.

The Plan's expenses are paid either by the Plan or the Credit Union, as provided by the Plan document. Expenses that are paid directly by the Credit Union are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented on the accompanying Statements of Changes in Net Assets available for Benefits.
