INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Summer Infant (USA), Inc. 401(k) Plan & Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Summer Infant (USA), Inc. 401(k) Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of April 21, 2023 and December 31, 2022, and the related Statement of Changes in Net Assets Available for Plan Benefits for the period from January 1, 2023 to April 21, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 21, 2023 and December 31, 2022, and for the period from January 1, 2023 to April 21, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUMMER INFANT (USA), INC. 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

Period from January 1, 2023 to April 21, 2023 and Year Ended December 31, 2022

1. Description of the Plan

The following description of the Summer Infant (USA), Inc. 401(k) Plan & Trust (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan, covering substantially all employees of Summer Infant (USA), Inc. (the Employer) who have completed three months of service and attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer is also the administrator of the Plan (Plan Administrator). As Plan Administrator, the Employer has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Empower Trust Company, LLC (Empower) (formerly Great-West Trust Company) is the appointed trustee of the Plan, and acts at the direction of the Plan Administrator.

The Employer was purchased by Kids2, Inc. (Kids2) on June 22, 2022. Effective January 1, 2023, the Board of Directors approved the merger of the Plan and Trust into the Kids2's plan, Kids2 Retirement Salary Savings Plan and Trust. See Note 8 for additional details.

Contributions

Participants may elect to contribute any percentage of their eligible compensation, not to exceed annual limitations as provided by the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). No participant contributions were made to the Plan during the period from January 1, 2023 to April 21, 2023.

For the year ended December 31, 2022, the Plan had an automatic deferral provision. The automatic deferral amount was as follows: 2% after 1 year, 3% after 2 years, 4% after 3 years, 5% after 4 years and 6% after 5 years. Participants have the option to opt out of the automatic deferral plan.

The Plan has adopted a basic safe harbor matching provision. The Plan utilizes the basic match formula of 100% match on the first 3% of compensation deferred, and 50% match on the next 2% of compensation deferred and is payroll period based. Additional discretionary amounts may be contributed, at the option of the Employer's Board of Directors. No employer matching contributions were made to the Plan during the period from January 1, 2023 to April 21, 2023.

NOTES TO THE FINANCIAL STATEMENTS

Period from January 1, 2023 to April 21, 2023 and Year Ended December 31, 2022

Participants must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year to be eligible for Employer discretionary contributions. In addition, additional discretionary matching contributions will not apply to elective deferrals exceeding 4% of compensation. No discretionary amounts were contributed to the Plan during the period from January 1, 2023 to April 21, 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contribution and their allocation of the Plan's earnings/losses. Plan earnings/losses and administrative expenses are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and safe harbor contributions plus the allocation of Plan earnings on those contributions. Participants become vested in the Employer contributions and the annual allocation of Plan earnings in 25% increments over a four (4) year period. Each participant shall be 100% vested in their Employer contributions upon death, disability, or attainment of normal retirement age.

Forfeitures

Participants in the Plan who leave the employment of the Employer before completing four years of service forfeit the non-vested portion of the Employer contributions to their accounts. As of April 21, 2023, there were no forfeited non-vested accounts. As of December 31, 2022, forfeited non-vested accounts totaling \$19,064 were available to be used. Forfeited non-vested accounts totaling \$23,300 were included in the transfer of assets to the Kids2 Retirement Salary Savings Plan completed on April 21, 2023 (Note 8).

Forfeitures may be used to reduce future Employer contributions or to pay administrative expenses. For the period January 1, 2023 to April 21, 2023, no forfeited participant account balances were utilized to reduce Employer contributions. Additionally, during the period January 1, 2023 to April 21, 2023, the Plan's forfeiture account was credited \$7,753 for revenue sharing affiliated with certain funds held by the Plan.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested value of their account balance. Principal and interest are repaid ratably through payroll deductions. A participant may have up to two notes outstanding at a time as long as the loan repayments are submitted via payroll deduction and are identified separately. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus one percent.

Period from January 1, 2023 to April 21, 2023 and Year Ended December 31, 2022

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) will receive a lump-sum distribution equal to the value of his or her account. Hardship withdrawals from the Plan are permitted, subject to the limitations imposed by the Internal Revenue Code. Hardship withdrawals are permitted from participants' pre-tax deferral accounts only. Participants who have attained age 59 ½ may elect to withdraw all or a portion of their vested account while still employed. If a participant's vested balance is less than \$5,000 upon termination of employment, the participant will receive an immediate cash-out of his or her vested account balance.

Plan Termination

The Employer reserves the right to amend the Plan at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. On April 21, 2023, the Plan was merged into the Kids2 Retirement Salary Savings Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SUMMER INFANT (USA), INC. 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

Period from January 1, 2023 to April 21, 2023 and Year Ended December 31, 2022

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent notes receivable from participants are reclassified as distributions based on terms of the Plan document. No allowance for credit losses has been recorded as of April 21, 2023 and December 31, 2022.

Contributions

For the year ended December 31, 2022, participant and Employer matching contributions were recorded bi-weekly when the Employer remitted the payroll deductions for investment into the Plan.

Payment of Benefits

Benefits are recorded when paid to participants or their designated beneficiaries.

Administrative Revenue (Expense)

Expenses incurred in the administration of the Plan are paid by the Company unless the Company directs that such expenses shall be paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the Statement of Changes in Net Assets Available for Plan Benefits. Administrative revenues arise when investment managers return a portion of the investment fees to the record keeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid or allocated to participant accounts. As of April 21, 2023, there were no unallocated administrative revenues held by the Plan. As of December 31, 2022, unallocated administrative revenues totaling \$70,615 were available to be used. Unallocated administrative revenues totaling \$78,840 were included in the transfer of assets to the Kids2 Retirement Salary Savings Plan completed on April 21, 2023 (Note 8).

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Period from January 1, 2023 to April 21, 2023 and Year Ended December 31, 2022

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest risk, market risk and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Financial Instruments with a Concentration of Credit Risk

For the Period January 1, 2023 to April 21, 2023, the Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside trustee's non-performance of its fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through November 22, 2024, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

SUMMER INFANT (USA), INC. 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

Period from January 1, 2023 to April 21, 2023 and Year Ended December 31, 2022

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Fund: The Plan invests in the Putnam Stable Value Fund, an investment vehicle that invests in benefit-responsive investment contracts, fixed income securities and money market funds. It is valued at NAV of units held by the Plan. The NAV, as provided by Putnam, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments or redemption restrictions for the individual participants within the Plan, however, there is up to a 12-month redemption for this investment at the Plan level.

As a result of the plan merger, there are no investment balances at April 21, 2023 (Note 8). As of December 31, 2022, the Plan's investments in mutual funds are reported at level 1 within the fair value hierarchy.

	2022
Mutual funds at fair value	\$ 6,005,248
Investment measured at NAV(a)	554,800
Investments at fair value	\$ 6,560,048

- (a) In accordance with Subtopic 820-10, the common collective trust fund investment that was measured at NAV per share (or its equivalent) has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the Statements of Net Assets Available for Plan Benefits.

4. Income Tax Status

The Plan is a non-standardized pre-approved profit sharing plan sponsored by Empower. Empower has obtained an opinion letter on the Plan dated November 14, 2022, stating that the form of the Plan is acceptable under Section 401 the Code. Generally, the Plan Administrator and the Plan may rely on the opinion letter received by Empower as to the form of the Plan qualifying under the Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of April 21, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Summary of Information Certified by the Trustee

The following is a summary of financial information and data certified by the trustee, Empower:

Statements of Net Assets Available for Plan Benefits at April 21, 2023 and December 31, 2022.

Investment income and interest from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the period from January 1, 2023 to April 21, 2023.

6. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

Period from January 1, 2023 to April 21, 2023 and Year Ended December 31, 2022

7. Related Party and Party-in-Interest Transactions

Plan investments are held and managed by Empower, therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Empower for administrative services totaling \$11,670 for the period January 1, 2023 to April 21, 2023. In addition, participant notes receivable also qualify as party-in-interest transactions.

8. Plan Merger

The Employer adopted a resolution to merge the Plan into the Kids2 Retirement Salary Savings Plan effective January 1, 2023. As a result, all participant balances were transferred to the Kids2 Retirement Salary Plan on April 21, 2023. The assets transferred from the Plan totaled \$6,786,903, including participant notes receivable of \$122,132. On April 21, 2023, the Plan was formally terminated.
