INDEPENDENT AUDITORS' REPORT

Trustees
The McShane Companies 401(k) and
Profit Sharing Plan
Rosemont, Illinois

Opinion

We have audited the accompanying financial statements of THE MCSHANE COMPANIES 401(K) AND PROFIT SHARING PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of THE MCSHANE COMPANIES 401(K) AND PROFIT SHARING PLAN as of September 30, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of THE MCSHANE COMPANIES 401(K) AND PROFIT SHARING PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about THE MCSHANE COMPANIES 401(K) AND PROFIT SHARING PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of THE MCSHANE COMPANIES 401(K) AND PROFIT SHARING PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about THE MCSHANE COMPANIES 401(K) AND PROFIT SHARING PLAN's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1—PLAN DESCRIPTION

The following description of The McShane Companies 401(k) and Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General - The Plan is a defined contribution plan covering all non-hourly field employees, non-leased or temporary employees, and nonunion employees who are at least 21 years old. Eligible employees may enter the Plan the first day of the next month after 60 days of employment for deferral and matching contributions.

For purposes of the profit sharing contribution, eligible employees may enter the Plan the first day of the next month following the completion of one year of service. The Plan includes an income deferral option which qualifies under Section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Elective Deferrals

Participants may choose to contribute by payroll deduction any percentage from 0% to 80% of their compensation for 2024 and 2023 to a maximum of \$23,000 for 2024 and \$22,500 for 2023. Participants who are at least age 50 may make an additional “catch-up” contribution of \$7,500 in 2024 and 2023. Participants are allowed to designate a portion of the deferral as Roth elective deferrals. Effective July 1, 2003, an automatic enrollment feature was added to the Plan. Unless participants choose a different percentage or elect not to defer, they are initially set up for deferrals of 5% of their compensation which are allocated to a designated automatic deferral investment option. For those participants automatically enrolled, the participant deferral percentage will increase by 1% per year, every July 1, until a max deferral of 10% is reached. Effective July 1, 2022, the automatic enrollment percentage was raised to 6% and the maximum deferral was raised to 15%.

Matching Contribution

The Plan sponsors (Sponsors) (see Note 5) may contribute, as a discretionary matching contribution, 25% of each participant’s contribution up to a maximum of \$1,000 for 2024 and 2023. The matching contribution was \$348,648 and \$378,471 for the plan years ended September 30, 2024 and 2023, respectively.

Profit Sharing Contribution

The Plan sponsors may also elect to make a discretionary profit-sharing contribution allocated based on eligible wages of participants. The profit-sharing portion of the Plan is integrated with Social Security. The Plan sponsors elected not to make a profit sharing contribution for 2024. The Plan sponsors elected to make a profit sharing contribution in 2023 of 4% to Conor Commercial Real Estate LLC, 5% to Cadence McShane Construction Company, LLC and 3% to certain employees who serve the overall McShane Companies. McShane Construction Company LLC did not receive a contribution in 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

2. Contributions

Profit Sharing Contribution (Continued)

The total profit sharing contributions were \$-0- for 2024 and \$697,382 for 2023. The 2023 contribution was funded using a combination of forfeitures and the revenue sharing account.

3. Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of the Sponsors' contributions and plan earnings. Participants direct the investment of their contributions into various investment options offered by the Plan.

4. Vesting - Participants are 100% vested in their voluntary contributions and employer matching contributions, plus actual earnings thereon. Participants' vesting in their profit sharing contribution account is determined in accordance with a schedule based on the participant's years of service.

Any forfeiture of non-vested amounts can be used to either reduce profit sharing contributions, to offset Plan administrative costs, or allocated to the remaining participants of the companies whose participants contributed to the total forfeitures for the plan year. Forfeitures totaled \$105,056 in 2024 and \$75,457 in 2023. Forfeitures used to offset the profit sharing contribution were \$-0- in 2024 and \$66,816 in 2023. Forfeitures available for future use are \$99,087 as of September 30, 2024 and \$59,427 as of September 30, 2023.

5. Payment of Benefits - On termination of service, a participant's vested benefits will be paid in a lump sum. Participants may receive distributions of their voluntary contributions, not including earnings thereon, under certain financial hardship circumstances.

6. Income Allocation - Plan earnings under the terms of this Plan shall be applied/credited to the account of each participant based on the appreciation/depreciation of the investment options elected by the Plan Participants.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are held by Bank of America Merrill Lynch. All investments are reported at fair value as of September 30, 2024 and 2023 (except for the Morley Stable Value Fund, which is considered fully-benefit responsive and is reported at contract value).

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. See Note 4 for discussion of investments valued at contract value.

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sale of securities are computed on a specific identification basis.

Dividend and interest income are recognized when received. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

BENEFITS

Benefits are recorded when paid.

NOTE 3—FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosures topic of the FASB Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2024 and 2023.

Level 1 Fair Value Measurements

The fair value of mutual funds and money market funds are based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Level 2 Fair Value Measurements are not applicable to the Plan for 2024 and 2023.

Level 3 Fair Value Measurements

Level 3 Fair Value Measurements are not applicable to the Plan for 2024 and 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2024 and 2023:

Assets at Fair Value as of September 30, 2024

	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 737,719	\$	\$	\$ 737,719
Mutual Funds	54,173,729			54,173,729
Investments at Fair Value	\$ 54,911,448	\$ —	\$ —	\$ 54,911,448

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Assets at Fair Value as of September 30, 2023

	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 1,017,605	\$	\$	\$ 1,017,605
Mutual Funds	46,160,145			46,160,145
Investments at Fair Value	\$ 47,177,750	\$ —	\$ —	\$ 47,177,750

In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 4—INVESTMENTS AT CONTRACT VALUE

The Morley Stable Value Fund (Fund), a common collective trust (“CCT”), is invested primarily in guaranteed investment contracts (“GICs”) and synthetic GICs which are fully-benefit responsive. The Fund is stated at contract value, which is not materially different from the fair value. Contract value represents contributions made, plus interest at the contract rate, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The market yield for the Fund was approximately 2.34% for 2024 and 2.27% for 2023 with a blended net crediting rate of 2.85% on December 31, 2024 and 2.76% on December 31, 2023.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) (ii) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

NOTE 5—RELATED PARTIES AND PARTIES-IN-INTEREST

Expenses of the Plan are paid by the Plan sponsors.

The Plan is sponsored by the following companies, affiliated through common ownership:

Conor Commercial Real Estate LLC
 McShane Construction Company LLC
 Cadence McShane Construction Company, LLC

The Plan’s investments are managed by Bank of America Merrill Lynch, the trustee and third-party administrator of the plan, therefore, Bank of America Merrill Lynch is considered a party-in-interest.

NOTES TO FINANCIAL STATEMENTS

NOTE 6—TAX STATUS

The Plan presently meets the requirements of Section 401(a) of the Internal Revenue Code and, accordingly, its income is exempt from federal income taxes under Section 501(a). A similar status exists for Illinois income taxes.

The Internal Revenue Service had determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of September 30, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8—SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 16, 2025, the date which the financial statements were available for issue. There were no subsequent events which require disclosure.
