INDEPENDENT AUDITORS' REPORT

October 11, 2022

Trustee of the
Progressive Vision Institute 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Progressive Vision Institute 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets in liquidation as of December 31, 2021, and the related statement of changes in net assets in liquidation for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Progressive Vision Institute 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified insurance carrier as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes 3, 4 and 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified insurance carrier agrees to, or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Progressive Vision Institute 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As described in Note 11, the plan sponsor of Progressive Vision Institute 401(k) Retirement Plan approved a plan of liquidation effective July 21, 2021 and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the accrued method as presented in the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Progressive Vision Institute 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Progressive Vision Institute 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Progressive Vision Institute 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of or for the year ended December 31 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (Continued)

- the information in the supplemental schedule related to assets held by and certified to by a qualified insurance carrier agrees to or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We were engaged to audit the accompanying financial statements of Progressive Vision Institute 401(k) Retirement Plan, which comprise the statement of net assets available for plan benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information summarized in Note 4 and Note 5, which was certified by Lincoln National Life Insurance Company ("Lincoln National"), the Insurance Company of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that Lincoln National holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Lincoln National as of and for the year ended December 31, 2020 that the information provided to the plan administrator by Lincoln National is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement.

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PROGRESSIVE VISION INSTITUTE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

The following description of Progressive Vision Institute 401(k) Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Effective January 1, 1996, Solomon C. Luo, M.D. P.C., a Company governed under Pennsylvania Corporate Law (the Company), adopted a retirement plan known as Solomon C. Luo, M.D., P.C. Profit Sharing Plan (Plan). The Trustee is responsible for the Plan. The Sponsor is the administrator of the Plan and determines the appropriateness of its Plan's investment offering, monitors investment performance and reviews with the Plan's insurance company and Trustee. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). On November 17, 2016, the Plan, as amended and restated was renamed as Progressive Vision Institute 401(k) Retirement Plan (Plan). The Plan is a defined contribution plan which covers substantially all employees, and which provides for retirement, disability, and death benefits. The following affiliated employers under common control of the majority shareholder of the Plan Sponsor, Solomon C. Luo, M.D. P.C. also have adopted participation into the plan: Progressive Vision Institute of Allentown, P.C., Progressive Vision Institute of Philadelphia, P.C., and King Solomon's Vineyards, Inc.

The Plan was amended and restated effective January 1, 2019.

During April 2020, the Plan was modified to provide for the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act signed into law March 27, 2020. The CARES Act provides coronavirus-related relief in several areas involving the Plan's administration which includes adopting the distribution and loan provisions of the Act. The Act allows participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1 2020 and before December 31, 2020, suspension of the 2020 required minimum distributions, allowing participants borrow up to the lesser of \$100,000 or 100% of their vested account balance for loans taken between March 27, 2020 and September 23, 2020, and suspended loan repayments due March 27, 2020 through December 31, 2020 for up to one year.

Effective January 1, 2021, the Plan was amended and restated to incorporate previous amendments as well as to comply with changes to applicable laws and regulations. Specifically, the amendment and restatement brings the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year pre-approved plan restatement cycle).

Effective January 30, 2021, Progressive Vision Institute of Allentown, P.C. and King Solomon's Vineyards, Inc.'s participation in the Progressive Vision Institute 401(k) Retirement Plan ceased.

Note 1 Description of the Plan (Continued)

Plan Termination: On July 22, 2021, Solomon C. Luo, M.D. P.C. and its affiliate Progressive Vision of Philadelphia P.C. were sold to an unrelated third party. As of the sale closing date, the Plan's Sponsor was transferred to Luo Lin Management Company, LLC., EIN: 20-0172740. The Company shareholders adopted by resolution, the plan to terminate the Progressive Vision Institute 401(k) Retirement Plan, effective July 21, 2021. As a result of the Plan termination resolution, (a) no new enrollees may enroll in the Plan on or after the effective date, and (b) no contributions are to be made to the Plan with respect to any compensation paid to employees after July 21, 2021. All participant accounts became 100% vested upon the effective date of the Plan termination. During August 2021, Plan participants were furnished notification of the termination of the plan, including details regarding participant plan balances, outstanding loan balances, and distribution options available under the Plan's termination. Participant's Plan balances were fully distributed as of December 31, 2021.

The Plan provides that an eligible participant may elect to defer a specific percentage of their annual compensation, as defined in the Plan, not to exceed \$19,500, \$26,000 for participants ages 50 or older, adjusted annually for cost of living changes. Participants may also contribute amounts representing distributions from other qualified benefit or defined contributions plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan is a Safe Harbor Plan; as such the Company will contribute a Safe Harbor matching contribution for participant's who satisfy the applicable eligibility requirements. The Safe Harbor matching contributions are 100% of the participant's salary deferrals up to first 3% of the participant's compensation, plus 50% of participant's salary deferrals between 3% and 5% of the participant's compensation. The Company may also contribute a discretionary Non-Safe Harbor matching contribution and/or a discretionary profit-sharing contribution, which are made and allowed as provided by the Plan. In addition, the Company may make additional Qualified Non-Elective Contributions for the benefit of such participants determined at the discretion of the Company.

The abovementioned employer's contributions, along with participant's contributions, plan earnings (losses) and applicable expenses will be credited / debited to each participant's account. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

The Plan provides that participants may borrow from their vested account balance, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear a reasonable rate of interest when the loan is taken out. Principal and interest is paid ratable through payroll deductions.

Forfeitures on non-vested accounts were \$701 and \$218 during the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$0 and \$220, respectively. These accounts may be used to restore forfeitures, pay Plan expenses, or to reduce future employer contributions. During the year ended December 31, 2021, \$927 of forfeited non-vested accounts were used to pay Plan expenses.

Note 1 Description of the Plan (Continued)

A more detailed explanation of the Plan, including but not limited to vesting and benefit provisions, is provided in Progressive Vision Institute 401(k) Retirement Plan Summary Plan Description.

Note 2 Summary of Significant Accounting Policies

Date of Management's Review: Pursuant to FASB ASC 855 subsequent events were evaluated by management through October 11, 2022, the date which the financial statements were available to be issued.

Basis of Accounting: The Plan's financial statements for the year ended December 31, 2021 have been prepared using the Liquidation Basis of accounting in accordance with FASB ASC 205-30. During July, 2021, the Plan Sponsor approved a plan of liquidation effective July 21, 2021, in which management determined that the liquidation was imminent. The expected completion of the plan termination was December 31, 2021. For the year ended December 31, 2020, the Plan's financial statements have been presented on an ongoing basis using the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of investment contracts.

Safe Harbor Matching Contributions: Safe Harbor matching contributions are made in accordance with qualifications for IRS Safe Harbor 401(k) Plans. Safe Harbor matching contributions to the plan may be contributed during the Plan year or after the Plan year ends.

Discretionary Non-Safe Harbor Matching Contributions and Discretionary Profit-Sharing Contributions: Discretionary Non-Safe Harbor matching contributions and discretionary profit-sharing contributions by the Company and adopting employers are made on a voluntary basis and are accrued based upon amounts actually computed.

Qualified Non-Elective Contributions: Non-Elective contributions by the Company are made on a voluntary basis and are accrued based upon amounts actually computed.

PROGRESSIVE VISION INSTITUTE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition: The Plan's investments are administered under an investment contract agreement with Lincoln National Life Insurance Company ("Insurance Company"). The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Plan's management determines the Plan's valuation policies utilizing information provided by the Insurance Company. The pooled separate accounts hold the underlying investments which are valued at the net asset value of the underlying shares in the registered investment companies (i.e., Mutual Funds) on the last day of the Plan's year. The separate accounts are valued at their Net Asset Value (NAV) as determined by the Insurance Company. See Note 5 for discussion of Fair Value Measurements.

Interest Income is recorded on the general fixed accounts and participant loans as reported by the Insurance Company.

Net Appreciation in Fair Value of Investments includes dividends, as well as the Plan's net realized and unrealized gains (losses) for the underlying funds.

Notes Receivable from Participants: Notes Receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020 no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: The Plan permits the payment of Plan Expenses to be made from the Plan's assets. Although under no obligation to do so, certain expenses to maintain the Plan were paid by the Company and are therefore excluded from these financial statements.

PROGRESSIVE VISION INSTITUTE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Fair Value Measurement: On January 1, 2020, the Plan adopted Accounting Standards Update 2018-13, Disclosure Framework – Changes to the Disclosure Requirement for Fair Value Measurement. The objective of this guidance is to improve the effectiveness of disclosure requirements for fair value measurement. This standard did not have a significant impact on the Plan's financial statements and related disclosures in Note 5.

Note 3 ERISA 103(a)(3)(c) - Certification of Investments

Certain information related to investments at Fair Value and at Contract Value disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln National Life Insurance Company.

Note 4 Investment Contract with Insurance Company

The Plan has entered into a benefit-responsive guaranteed investment contract with Lincoln National Life Insurance Company ("Lincoln National"). Lincoln National maintains the contributions in general fixed accounts. The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specific interest that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than one percent. Such interest rates are reviewed periodically for resetting.

As described in Note 2, because the guaranteed investment contract agreement is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Lincoln National, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts with Lincoln National at December 31, 2021 and 2020 was \$0 and \$618,607, respectively.

PROGRESSIVE VISION INSTITUTE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4 Investment Contracts with Insurance Companies (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition of competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include: (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The investment contract agreement is an evergreen type guaranteed investment contract; which does not have a stated maturity date. The Plan or the Insurance Company may only terminate the contract agreement through the occurrence of limited events, as stipulated in the contract.

Note 5 Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for Investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. As of December 31, 2021, and 2020 the Plan did not have any Level 1, 2, or 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at the unit value based on the NAV of the underlying mutual fund at year end.

PROGRESSIVE VISION INSTITUTE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 8 Related Party Transactions

The Plan's investments are maintained under an investment contract agreement with Lincoln National as described in Notes 4 and 5. Lincoln National is considered a party-in-interest, therefore transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 9 Risks and Uncertainties

The Plan invests in various investments through Lincoln National. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

In December 2019, COVID-19 was discovered in China. On January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization (WHO) declared the outbreak a "public health emergency of international concern," and on the next day, the United States (US) Secretary of Health and Human Services declared the coronavirus outbreak a public health emergency for the US. In March 2020, the WHO declared the outbreak of Coronavirus COVID-19 a pandemic. Management has evaluated (and continues to evaluate) the impact of the COVID-19 pandemic on the Plan. The continuing impact of COVID-19 on the operational and financial performance of the Plan will depend on certain developments, including the duration and spread of the outbreak, the success of vaccination of the population, and other known and unknown factors. At this point, the full extent to which COVID-19 may impact the Plan's financial condition or results of operation is uncertain.

Note 10 Income Tax Status

The Plan's latest determination letter, in which the Internal Revenue Service stated that the plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Future Plan by Ascensus (formerly Continental Benefits Group Inc.), the Plan's third party administrator has received a favorable opinion letter dated September 30, 2014 in which the Internal Revenue Service states that their volume submitter Profit Sharing Plan with CODA, as adopted by the Plan Sponsor, is acceptable under the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

PROGRESSIVE VISION INSTITUTE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 10 Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 11 Plan Benefits and Termination

The Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, all amounts credited to employee accounts will be fully vested. As more fully described in Note 1, on July 22, 2021, the plan sponsor by resolution, has terminated the Plan effective July 21, 2021.
